GENERAL INSTRUCTIONS AND CONDITIONS

DIVERSITY IN EMPLOYMENT AND CONTRACTING REQUIREMENTS – The City of Portland seeks to extend contracting opportunities to Minority Business Enterprises, Women Business Enterprises and Emerging Small Businesses (M/W/ESBs) in order to promote their economic growth and to provide additional competition for City contracts. Therefore, the City has established an overall 20% utilization goal in awarding PTE contracts to ESBs. No goal is set for the use of M/WBE firms, but the City is committed to ensuring that such firms receive opportunities and equal consideration to be awarded City PTE contracts.

ENVIRONMENTALLY PREFERABLE PROCUREMENT - In accordance with the City's Sustainable City Principles and the City's Sustainable Procurement Policy, the City of Portland values the use of products or services that minimize the negative human health and environmental impacts of City operations. Therefore, proposers are encouraged to incorporate environmentally preferable products or services into their responses wherever possible. "Environmentally preferable" means products or services that have a lesser or reduced effect on human health and the environment when compared with competing products or services that serve the same purpose. This comparison may consider raw materials acquisition, production, manufacturing, packaging, distribution, reuse, operation, maintenance, or disposal of the product or service. To view the above City policies go to www.portlandonline.com and navigate to "Charter, Code & Policies Documents".

INVESTIGATION- The proposer shall make all investigations necessary to inform it regarding the service(s) to be performed under this request for proposal.

The City must receive written questions no later than the date stated herein. The City will issue a response in the form of an addendum to the RFP if a substantive clarification is in order.

Oral instructions or information concerning the request for proposal given out by Bureau or Office managers, employees or agents to prospective proposers shall not bind the City.

ADDENDUM – Any change to this RFP shall be made by written addendum issued no later than 72 hours prior to the proposal due date. The City is not responsible for any explanation, clarification or approval made or given in any manner except by addendum.

COST OF PROPOSAL- This Request for Proposal does not commit the City to pay any costs incurred by any proposer in the submission of a proposal or in making necessary studies or designs for the preparation thereof, or for procuring or contracting for the services to be furnished under the request for proposal.

CANCELLATION – The City reserves the right to modify, revise or cancel this RFP. Receipt and evaluation of proposals or the completion of interviews do not obligate the City to award a contract.

LATE PROPOSALS- Proposals received after the scheduled closing time for filing will be returned to the proposer unopened.

REJECTION OF PROPOSALS- The City reserves the right to reject any or all responses to the Request for Proposal if found in the City's

best interest to do so. In the City's discretion, litigation between the City and a proposer shall be cause for proposal rejection, regardless of when that litigation comes to the City's attention and regardless how the consultant's proposal may have been scored. Proposals may also be rejected if they use subcontractors or subconsultants who are involved in litigation with the City. Proposers concerned about possible rejection on this basis should contact the City before submission of a proposal for a preliminary determination of whether its proposal will be rejected.

All communications shall be through the contact(s) referenced in Part II, Section A.2 of the RFP. At the City's sole discretion, communications with members of the evaluation committee, other City staff or elected City officials for the purpose of unfairly influencing the outcome of this RFP may be cause for the Proposer's proposal to be rejected and disqualified from further consideration.

For contracts over \$100,000, the evaluation committee's recommendation for contract award will be submitted to the Portland City Council for approval. The City has the right to reject any or all proposals for good cause, in the public interest.

NOTE: In the City's discretion, litigation between the City and a Proposer shall be cause for proposal rejection, regardless of when that litigation comes to the City's attention and regardless how the Proposer's proposal may have been scored. Proposals may also be rejected if they use subcontractors or subconsultants who are involved in litigation with the City. Proposers concerned about possible rejection on this basis should contact the City before submission of a proposal for a

preliminary determination of whether its proposal will be rejected.

3. CLARIFYING PROPOSAL DURING EVALUATION

During the evaluation process, the City has the right to require any clarification or change its needs in order to understand the Proposer's view and approach to the project and scope of the work.

4. EVALUATION OF COST

The evaluation of Proposers' costs will be performed objectively using a ratio method. With this method, the proposal with the lowest cost receives the maximum points allowed. All other proposals receive a percentage of the points available based on their cost relationship to the lowest. The ratio method of evaluating proposed costs will take into account that the level of services provided for in the proposals, stated in the Project Approaches and identified in the Proposed Costs, are comparable. Points are determined by applying the following ratio formula:

$(\text{Lowest Cost} \div \text{Cost Being Evaluated}) \times \text{Maximum Points Available} = \text{Awarded Points}$

Example (maximum points available for cost = 20 points):

PROPOSER	PROPOSED COST	POINTS AWARDED
A	\$100,000 (Lowest)	$(\$100,000 \div \$100,000) \times 20 \text{ points} = 20 \text{ pts}$
B	\$105,000	$(\$100,000 \div \$105,000) \times 20 \text{ points} = 19 \text{ pts}$
C	\$110,500	$(\$100,000 \div \$110,500) \times 20 \text{ points} = 18 \text{ pts}$
D	\$125,000	$(\$100,000 \div \$125,000) \times 20 \text{ points} = 16 \text{ pts}$

SECTION B

CONTRACT AWARD

1. CONSULTANT SELECTION

The City will negotiate and, if successful, award a contract to the highest scoring Proposer. Should the City not reach a favorable agreement with the highest scoring Proposer, at the City's sole discretion, the City shall terminate negotiations and commence negotiations with the second highest scoring Proposer and so on until a favorable agreement is reached. A consultant selection process will be carried out under Portland City Code Chapter 5.68.

2. CONTRACT DEVELOPMENT

The proposal and all responses provided by the successful Proposer may become a part of the final contract. The form of contract shall be the City's Contract for PTE Services.

3. AWARD REVIEW AND PROTESTS

REVIEW:

Following the Notice of Intent to Award, the public may view proposal documents. However, any proprietary information so designated by the Proposer as a trade secret and meeting the requirements of ORS 192.501(2) will not be disclosed unless the Multnomah County District Attorney determines that disclosure is required. At this time, Proposers not awarded the contract may seek additional clarification or debriefing, request time to review the selection procedures or discuss the scoring methods utilized by the evaluation committee.

PROTESTS OF CONTRACT AWARDS:

Protests may be submitted to the Purchasing Agent only for contracts in excess of the formal limit established by the City Auditor (reference <http://www.portlandonline.com/omf/index.cfm?a=74585&c=27353>), and only from those Proposers who would receive the contract if their protest were successful.

Protests must be received by the Purchasing Agent within seven (7) calendar days UNLESS OTHERWISE NOTED following the date of the City's Notice of Intent to Award was issued. The protest must specifically state the reason for the protest and show how its proposal or the winning proposal was mis-scored or show how the selection process deviated from that described in the solicitation document. The contract award process will

be put on hold until the protest has been resolved.

Timely protests must include all legal and factual information regarding the protest, and a statement of the form of relief requested. Protests received later than specified or from other than the Proposer who would receive the contract if the protest was successful will not be considered. The exercise of judgment used by the evaluators in scoring the written proposals and interviews, including the use of outside expertise, is not grounds for appeal.

The Purchasing Agent may waive any procedural irregularities that had no material affect on the selection of the proposed contractor, invalidate the proposed award, amend the award decision, request the evaluation committee re-evaluate any proposal or require the bureau to cancel the solicitation and begin again to solicit new proposals. In the event the matter is returned to the evaluation committee, the Purchasing Agent shall issue a notice canceling the Notice of Intent to Award.

Decisions of the Purchasing Agent are final and conclude the administrative appeals process.

4. KICK-OFF MEETING

If requested by the City, the successful Proposer shall begin work by attending an orientation meeting to take place within 10 days following execution of the contract. The successful Proposer shall then develop and maintain a comprehensive schedule for all elements of the project.
