To download a copy of this Competitive Solicitation Document, Addenda or public meeting announcements, please visit the Purchasing Services website at <http://finance.fiu.edu/purchasing/>.

It is FIU policy to remove vendors from the Competitive Solicitation List after failing to respond to three (3) consecutive Competitive Solitations. If you do not wish to respond on a project, kindly return the Competitive Solitation Document with a notation of "No Response," and company name.

SCOPE OF WORK: This Invitation to Bid is entered by Florida International University for effective pest management of the buildings at FIU and other areas specified here in through a comprehensive Integrated Pest Management program. The goal is to deliver effective pest control while at the same time reducing the volume and toxicity of pesticides used and unhealthful human and environmental short and long term exposure to pesticides, through the use of a wide variety of technological and management practices.

AMERICANS WITH DISABILTY ACT OF 1990- If special accommodations are needed in order to attend the pre-bid meeting or bid opening, contact Purchasing at (305)348-2161.
