ADVERTISEMENT FOR BIDS

This Document includes a facsimile of the legal notice informing all qualified Bidders of the City's intent to solicit and receive Bids for the construction of the Project covered by the Bid Documents as defined herein for Contract No. 2736.

**INVITATION FOR BIDS
For****Contract No. 2736
MARINE STRUCTURAL PROJECT II**

Pre-Bid Meeting (and ensuing Jobsite visit): Tuesday, January 19, 2010, at 10:30 a.m., Port of San Francisco, San Francisco, California 94111

Bid Opening Date: Tuesday, February 2, 2010, at 2:30 p.m., Pier 1

The Port of San Francisco (the "Port") hereby announces an Invitation for Bids ("IFB") for construction on Marine Structural Projects II in San Francisco, CA, as described herein. The work is located at two locations along the waterfront: (1) the Ferry Building North Public Access Plaza and (2) the Hyde Street Harbor Fuel Dock. The Work will consist of furnishing all labor, equipment, and materials, and performance of all incidental Work necessary to complete the Work, but not limited to: demolition, installation of new steel substructure, composite fenders, new concrete filled steel piles, shoring, deck expansion, shotcrete work under concrete substructure, utility work including installation of flexible couplings for utility crossings between land and dock.

For more information, contact the Project Engineer, Winnie Lee at 415 274-0567.

Contract Estimate:	\$1,900,000
Time Allowed for Completion:	200 consecutive calendar days, refer to Document 00802 for details
Liquidated Damages:	Varies, refer to Document 00802 for details
Non-Refundable Fee for Plans and Specifications:	\$ 50.00
Contract Basis:	Lump Sum Bid Items
License Required:	Class "A" California Contractors License
HRC Subcontracting Goal:	LBE = 16%

Bid discounts may be applied as per San Francisco Administrative Code Chapter 14B.

Bidding Documents may be purchased directly at the Port's Engineering Division. Requests for purchasing Bidding Documents through the mail for an additional cost of \$25 can be made by calling Maria Chen at (415) 274-0411.

If necessary, the Port will issue bid date changes by addendum and will post current date for receiving bids on the Bids and Contracts page at the Port's website address: <http://www.sfport.com> and the City's Office of Contract Administration (OCA) at http://www.sfgov.org/site/oca_index.asp?id=26507.

This notice is for information only. Please refer to the bid documents for specific project and contract requirements.

Insurance Requirements: Please refer to Document 00805, and submit requisite insurance documentation within ten (10) working days after the date on which the contract is awarded.

Schedule: Contractor shall be responsible for researching and fully understanding scheduling constraints associated with marine construction and regulations of the California Department of Fish and Game, and the National Oceanic and Atmospheric Administration (NOAA), relating to the herring, salmon and steelhead trout seasons. Contractor shall comply with all construction regulations and construction mitigation requirements resulting from these specific spawning seasons. The herring season extends from December 1 to March 1. The salmon and steelhead trout seasons extend from December 1 to June 1. Coordination is considered incidental, and no compensation shall be paid for this coordination.

Contractor Qualifications: Prime Contractor shall have a minimum of five (5) years documented experience in performing the Work as shown on the Contract Documents. Prime and all subcontractors shall possess the appropriate California State License to perform the Work. For additional qualifications of the Contractor, subcontractors, and manufacturer/s (For example, refer to Section 06130, Marine Fender), refer to the technical sections of Divisions 2 through 16.

Bid security in the form of a corporate surety bond or an irrevocable letter of credit (or certified check if required bid security is \$15,000 or less) for ten percent (10%) of the amount bid must accompany each bid. For information on the City's Surety Bond Program, call Nancy Owens at (415) 217-6578.

In accordance with San Francisco Administrative Code Chapter 6, no bid is accepted and no contract in excess of \$114,000 is awarded by the City and County of San Francisco until such time as (a) the Port Commission approves the contract for award and (b) the Port Executive Director or designee then issues an order of award. Pursuant to Charter Section 3.105, all contract awards are subject to certification by the Controller as to the availability of funds.

In accordance with San Francisco Administrative Code Chapter 6, Sec. 6.4, Contractor shall use to the maximum extent possible, **recycled content materials**, rather than virgin materials.

Minimum wage rates for this project must comply with the current General Prevailing Wage as determined by the State Department of Industrial Relations. Minimum wage rates other than applicable to General Prevailing Wage must comply with San Francisco Administrative Code, Chapter 12P, Minimum Compensation Ordinance.

The Port reserves the right to reject any or all bids and waive any minor irregularities in any bid.

By Order of the San Francisco Port Commission,

Edward F. Byrne, Chief Harbor Engineer
