Opportunity Description:

**** STANDING OPEN CALL ****

The City of Edmonton (the "City") invites the submission of a Statement of Qualifications from interested engineering consultants for the provision of Prime / Lead Consultant Services for the City's Drainage Design and Construction Projects for the period starting March 2010 for a period of up to 6 years.

This Prequalification is a Standing Open Call which allows interested consultants to submit a Statements of Qualifications at any time. The City will accept Statement of Qualifications submitted after the Closing Date for future Drainage Design and Construction Project Engineering Consulting Service requirements, however in order to be considered for the initial ensuing (issued between March and September 2010) Request For Proposals (RFP) Statement of Qualifications should be received on or before the Closing Date.

The purpose of this Pre-Qualification is to develop a Drainage Design and Construction Pre-Qualified Consultant List of Prime / Lead Consultants that are capable of providing the City with external expertise for the following Project based and Discipline based categories of Drainage Design and Construction Engineering Services.
