Subject: Hillcrest Pride Flag Monument Illumination Project	Number of pages included:3

The Hillcrest Business Association is seeking a quote for the following work in the public right of way. Please respond to this simple request for quote before noon on April 14th, 2014 either by mail, email or by fax.

Existing conditions: Located in the median on the intersection of University Avenue and Normal Street, Hillcrest Business Association completed the first phase of the Pride Flag Project in 2012. The "Illumination of the Flag Monument" is an additional phase of the project. The basic scope of the project is to light the monument plaza area and adjacent sidewalk with color changing lights, and to up light the flag with white light. This would be an innovative and one of a kind project. Please see attached a lighting display concept.

Description of work: Please provide price quotes below for the following system requirements:

- Submit and obtain any construction permits for the work below
- Provide labor, equipment and materials for the work described below.
- System must be equal to or less than 1 foot cube in volume and less than 20 lbs in mass (power supply included)
- System must be a minimum of 80 W RYGB color changeable.
- Each illuminated zone must be distinct and homogenous in color
- Must illuminate 15 foot diameter area around flagpole in equal to or greater than six color controllable zones from a height of no less than 12 feet. Area beyond the 15 foot diameter target must remain un-illuminated.
- Target area must be brilliantly illuminated to sharply contrast with ambient light.
- Coordinate with HBA, City of San Diego agencies and other contractors as required.
- Remove and dispose of all excess materials from site in accordance with local laws at conclusion of work TOTAL PRICE: _____

Additional Information: Please provide any further information concerning this project, including suggestions as to how better complete the project as an attachment to this document. Any relevant information about your company should also be included as an attachment to this RFQ.

Please forward any questions concerning this RFQ to Sonya Stauffer at (619) 299-4230 (fax) or sonya@hillcrestbia.org.
