Material changes, if any, to the scope of services or bidding procedures will only be transmitted by written addendum. (See addendum section of BidSync site). Bidders please note: No part of your bid can be submitted via FAX or email. No variation in price or conditions shall be permitted based upon a claim of ignorance. Submission of a bid will be considered evidence that the Contractor has familiarized themselves with the nature and extent of the work, and the equipment, materials, and labor required. The entire bid response must be submitted in accordance with all specifications contained in this solicitation.

It is the sole responsibility of the Contractor to ensure that their bid is submitted electronically through BidSync at www.bidsync.com or reaches the City of Fort Lauderdale City Hall, Procurement Services Department, 6th floor, Room 619, 100 N. Andrews Avenue, Fort Lauderdale, FL 33301 in a sealed envelope marked on the outside with the ITB solicitation number and Contractor's name, no later than the time and date specified in this solicitation.

05. AWARD

Award will be by Group. Award will be made to the responsive and responsible bidder, quoting the lowest total price for all items, for that product/service that will best serve the needs of the City of Fort Lauderdale.

The City reserves the right to waive minor variations in the specifications and in the bidding process. The City further reserves the right to accept or reject any and/or all bids and to award

or not award a contract based on this bid solicitation.

06. GENERAL CONDITIONS

General Conditions Form G-107 Rev. 11/10 (GC) are included and made a part of this ITB.

07. NEWS RELEASES/PUBLICITY

News releases, publicity releases, or advertisements relating to this contract or the tasks or projects associated with the project shall not be made without prior City approval.

10. APPROVED EQUAL OR ALTERNATIVE PRODUCT PROPOSALS

The Technical Specifications contained in this solicitation are to be used as a reference only and are not to be considered of a proprietary nature. These specifications represent a level of quality and features that are desired by the City of Fort Lauderdale. The City is receptive to any product that would be considered by qualified City personnel as an approved equal.

The Contractor must state clearly in their bid pages any variance to the specifications. If proposing an approved equal or alternate product, it will be the Contractor's responsibility to provide adequate information in their proposal to enable the City to ensure that the Contractor meets the required criteria. If adequate information is not submitted with the bid, it may be rejected.

The City of Fort Lauderdale will be the sole judge in determining if the product proposed qualifies as approved equal. The City reserves the right to award to that Contractor which will best serve the interest of the City as determined by the City. The City further reserves the right to waive minor variations to specifications and in the bidding process.

11. CONTRACT PERIOD

The initial contract term shall commence upon final execution of the contract by the City and shall expire one year from that date. The City reserves the right to extend the contract for three additional one year terms providing all terms conditions and specifications remain the same, both parties agree to the extension, and such extension is approved by the City.

In the event services are scheduled to end because of the expiration of this contract, the Contractor shall continue the service upon the request of the Director of Procurement Services. The extension period shall not extend for more than ninety (90) days beyond the expiration date of the existing contract. The Contractor shall be compensated for the service at the rate in effect when this extension clause is invoked by the City.

12. COST ADJUSTMENTS

Prices quoted shall be firm for the initial contract term. No cost increases shall be accepted in this initial contract term. Please consider this when providing your pricing.

Thereafter, any extensions which may be approved by the City shall be subject to the following: Costs for any extension terms shall be subject to an adjustment only if increases or decreases occur in the industry. Such adjustment shall be based on the latest yearly percentage increase in the All Urban Consumers Price Index (CPI-U) as published by the Bureau of Labor Statistics, U.S. Dep't. of Labor, and shall not exceed five percent (5%).

The yearly increase or decrease in the CPI shall be that latest Index published and available for the calendar year ending 12/31, prior to the end of the contract year then in effect, as compared to the index for the comparable month, one-year prior.

Any requested adjustment shall be fully documented and submitted to the City at least ninety (90) days prior to the contract anniversary date. Any approved cost adjustments shall become effective on the beginning date of the approved contract extension.

The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, or considered to be excessive, or if decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the City, the Contract will be considered cancelled on the scheduled expiration date.

13. SERVICE TEST PERIOD

If the Contractor has not previously performed the services to the city, the City reserves the right to require a test period to determine if the Contractor can perform in accordance with the requirements of the contract, and to the City's satisfaction. Such test period can be from thirty to ninety days, and will be conducted under all specifications, terms and conditions contained in the contract.

A performance evaluation will be conducted prior to the end of the test period and that evaluation will be the basis for the City's decision to continue with the Contractor or to select another Contractor (if applicable).

14. CONTRACT COORDINATOR

The City may designate a Contract Coordinator whose principal duties shall be:

- Liaison with Contractor
- Coordinate and approve all work under the contract.
- Resolve any disputes.

Assure consistency and quality of Contractor's performance.
 Schedule and conduct Contractor performance evaluations and document findings.
 Review and approve for payment all invoices for work performed or items delivered.

15. CONTRACTOR PERFORMANCE REVIEWS AND RATINGS

The City Contract Coordinator may develop a Contractor performance evaluation report. This report shall be used to periodically review and rate the Contractor's performance under the contract with performance rating as follows:

Excellent	Far exceeds requirements.
Good	Exceeds requirements
Fair	Just meets requirements.
Poor	Does not meet all requirements and contractor is subject to penalty provisions under the contract.
Non compliance	Either continued poor performance after notice or a performance level that does not meet a significant portion of the requirements. This rating makes the Contractor subject to the default or cancellation for cause provisions of the contract.

The report shall also list all discrepancies found during the review period. The Contractor shall be provided with a copy of the report, and may respond in writing if he takes exception to the report or wishes to comment on the report. Contractor performance reviews and subsequent reports will be used in determining the suitability of the contract extension.

16. NO EXCLUSIVE CONTRACT/ADDITIONAL SERVICES

While this contract is for services provided to the department referenced in this Invitation For Bid, the City may require similar work for other City departments. Contractor agrees to take on such work unless such work would not be considered reasonable or become an undue burden to the Contractor.

Contractor agrees and understands that the contract shall not be construed as an exclusive arrangement and further agrees that the City may, at any time, secure similar or identical services from another vendor at the City's sole option.

The City may require additional items or services of a similar nature, but not specifically listed in the contract. The Contractor agrees to provide such items or services, and shall provide the City prices on such additional items or services based upon a formula or method, which is the same or similar to that used in establishing the prices in his proposal. If the price(s) offered are not acceptable to the City, and the situation cannot be resolved to the satisfaction of the City, the City reserves the right to procure those items or services from other vendors, or to cancel the contract upon giving the Contractor thirty (30) days written notice.

17. DELETION OR MODIFICATION OF SERVICES

The City reserves the right to delete any portion of this Contract at any time without cause, and if such right is exercised by the City, the total fee shall be reduced in the same ratio as the estimated cost of the work deleted bears to the estimated cost of the work originally planned.

If work has already been accomplished on the portion of the Contract to be deleted, the Contractor shall be paid for the deleted portion on the basis of the estimated percentage of completion of such portion.

If the Contractor and the City agree on modifications or revisions to the task elements, after the City has approved work to begin on a particular task or project, and a budget has been established for that task or project, the Contractor will submit a revised budget to the City for approval prior to proceeding with the work.

18. SUB-CONTRACTORS

If the Contractor proposes to use subcontractors in the course of providing these services to the City, this information shall be a part of the bid response. Such information shall be subject to review, acceptance and approval of the City, prior to any contract award. The City reserves the right to approve or disapprove of any subcontractor candidate in its best interest and to require Contractor to replace subcontractor with one that meets City approval.

Contractor shall ensure that all Contractor's subcontractors perform in accordance with the terms and conditions of this Contract. Contractor shall be fully responsible for all of Contractor's subcontractors' performance, and liable for any of Contractor's subcontractors' non-performance and all of Contractor's subcontractors' acts and omissions. Contractor shall defend, counsel being subject to the City's approval or disapproval, and indemnify and hold harmless the City and the City's officers, employees, and agents from and against any claim, lawsuit, third-party action, or judgment, including any award of attorney fees and any award of costs, by or in favor of any Contractor's subcontractors for payment for work performed for the City.

Such action shall include, but not be limited to, declaring the Contractor in default and disqualifying him for receiving any business from the City for a stated period of time.

Question and Answers for Bid #713-10683 - Printer Supplies

OVERALL BID QUESTIONS

Question 1

Will you only accept OEM cartridges or will you accept compatible brand cartridges as well? **(Submitted: Mar 8, 2011 9:31:50 AM EST)**

Answer

- This bid is for printer supplies manufactured or sold by the companies indicated in the item description on the item response form or by their authorized distributors. No refurbished, refilled, or generic equivalent products will be allowed. All supplies quoted will be new and of the specific brand and part number listed in this bid and in original factory packaging. Manufacturers sometimes discontinue certain product lines; if the part numbers listed in this bid have been replaced with a newer part number please note this in your response and quote the new/replacement part. **(Answered: Mar 8, 2011 10:59:09 AM EST)**

Question 2

Will award be all or none to 1 vendor or will you award line item by line item? **(Submitted: Mar 8, 2011 9:32:19 AM EST)**

Answer

- Award will be by Group. Award will be made to the responsive and responsible bidder, quoting the lowest total price for all items, for that product/service that will best serve the needs of the City of Fort Lauderdale. **(Answered: Mar 8, 2011 10:59:09 AM EST)**

Question 3

I am confused regarding your response to Question # 2. You are stating that award will be made by "Group". I do not see where the items are split up into different groups. Are you saying that award will be to 1 single vendor for all the items as 1 Group? **(Submitted: Mar 8, 2011 1:33:50 PM EST)**

Answer

- Yes **(Answered: Mar 8, 2011 1:37:28 PM EST)**

Question 4

Brother cartridges are not made in the United States and do not elevate the U.S. economy or support WBE or MBE manufacturers, resellers, or distributors. Although you have mentioned that you want the Manufacturer brand, certainly you would entertain American Made product that holds a 2- year warranty on the product as well as your printers versus the 1-year Brother offers which does not cover the integrity of your printers, right? **(Submitted: Mar 8, 2011 4:00:09 PM EST)**

Answer

- All bids that meet the specifications as stated in the ITB will be accepted. If you wish to take a variance and explain why it is superior to what we are asking for (per Section 10), you are welcome to. **(Answered: Mar 10, 2011 9:11:56 AM EST)**
