SECTION II – PURPOSE OF THE RFP

1. INTENT

The intent of this RFP is to award contract(s) to one or more qualified commercial printers to provide printing services on an as-needed basis for University departments located on all four campuses and off-campus locations. Arizona State University is noted for its sustainability efforts. As a result, this RFP is geared toward contracting with printers who can document, maintain and excel in their sustainability efforts. **The University requires that all commercial printers under this contract are FSC™ Certified by the close date of this RFP.** Note that there is a minor and limited exception to FSC™ certification for printers in the vicinity of our ASU Colleges at Lake Havasu, and other ASU Colleges locations outside of the greater Phoenix metropolitan area.

2. BACKGROUND INFORMATION

Arizona State University has several in-house print providers but also purchases a significant amount of print work each year from contracted printers. Departmental requirements for obtaining quotes and placing orders are found on our website: <http://cfo.asu.edu/purchasing-services-design>. University departments are strongly encouraged to request quotes from at least three, and preferably all, of the contracted printers and to use the printer with the lowest quote. This program has resulted in a savings of more than 19% over the cost of the same work done before this program was initiated.

3. ASU'S SUSTAINABILITY INITIATIVES AND PRACTICES

ASU has made an institutional commitment to lead by example through the sustainable operations of its campuses. By demonstrating exemplary practices and sharing solutions, ASU stimulates changes in individual, institutional, and corporate behaviors to create a more sustainable world. ASU launched its sustainable operations plan with the signing of the American College and University Presidents' Climate Commitment. Four critical pillars focus the university's effort: carbon neutrality, zero water/solid waste, active engagement, and principled practice. For more information about our sustainability practices, please visit sustainability.asu.edu/practice/.

The Global Institute of Sustainability is the hub of Arizona State University's sustainability initiatives. The Institute advances research, education, and business practices for an urbanizing world. Its School of Sustainability, the first of its kind in the U.S., offers trans-disciplinary degree programs focused on finding practical solutions to environmental, economic, and social challenges. For more information on The Global Institute of Sustainability, please visit sustainability.asu.edu.

4. TERM OF CONTRACT

The initial contract term will be for three (3) years, with the option to renew for two (2) successive one (1) year extensions upon mutual agreement, for a total term not to exceed five (5) years. The contract will be available for use by all University departments during this time period.

Once an award is made, the solicitation file, and the proposals contained therein, are in the public record and will be disclosed upon request.
8. Proposers submitting proposals which meet the selection criteria and which are deemed to be the most advantageous to the University may be requested to give an oral presentation to a selection committee. Purchasing and Business Services will do the scheduling of these oral presentations.

22. All formal inquiries or requests for significant or material clarification or interpretation, or notification to the University of errors or omissions relating to this Request for Proposal must be directed, in writing or by facsimile, to:

Betty Lombardo

PO Box 875212
Tempe, AZ 85287-5212

Tel: 480-967-3752
Fax: 480-965-2234
E-mail: betty.lombardo@asu.edu

Requests must be submitted on a copy of the Proposer Inquiry Form included in Section VIII of this Request for Proposal. All formal inquiries must be submitted at least seven

(7) calendar days before the time and date set for closing this Request for Proposal. Failure to submit inquiries by this deadline may result in the inquiry not being answered.

Note that the University will answer informal questions orally. The University makes no warranty of any kind as to the correctness of any oral answers and uses this process solely to provide minor clarifications rapidly. Oral statements or instructions shall not constitute an amendment to this Request for Proposal. Proposers shall not rely on any verbal responses from the University.

23. The University shall not reimburse any proposer the cost of responding to a Request for Proposal.
24. In accordance with an executive order titled "Air Pollution Emergency Proclamation" modified by the Governor of Arizona on July 16, 1996, the University formally requests that all products used in the performance of any contract that results from this solicitation be of low- or no-content of reactive organic compounds, to the maximum extent possible.
25. The University believes that it can best maintain its reputation for treating suppliers in a fair, honest, and consistent manner by conducting solicitations in good faith and by granting competitors an equal opportunity to win an award. If you feel that we have fallen short of these goals, you may submit a protest pursuant to the Arizona Board of Regents procurement procedures, section 3-809, in particular section 3-809C. This paragraph does not include all of the provisions of the Regents procedures, but it does tell you what you have to do to initiate a protest. First, you have to be an "interested party." An "interested party" is an actual or prospective proposer whose direct economic interest may be affected by the issuance of a solicitation, the award of a contract, or by the failure to award a contract. Whether an actual prospective bidder or offeror has a *direct* economic interest will depend upon the circumstances in each case. At a minimum, the interest must be substantial and must be tangibly affected by the administrative action or proposed action concerned in the case. For instance, a bidder or proposer who is fourth in line for award does not have a sufficient economic interest to protest the proposed award of a contract to the low bidder. Second, you must submit the protest in a timely manner. In procurements inviting bids, protests based upon alleged errors, irregularities or, improprieties in a solicitation that are apparent before the bid opening shall be filed before the bid opening. In procurements requesting proposals, protests based upon alleged errors, irregularities or improprieties in a solicitation that are apparent before the closing date for receipt of initial proposals shall be filed before the closing date for receipt of initial proposals. Protests concerning improprieties that do not exist in the initial solicitation, but that are subsequently incorporated into the solicitation, shall be filed by the next closing date for receipt of proposals following the incorporation. In cases other than those just covered, protests shall be filed no later than ten days after a contract is awarded in connection with the procurement action. Failure to timely protest shall be deemed a waiver of all rights. Third, and finally, your protest shall be in writing and shall include the following information: (1) The name, address, telephone number, and fax number of the protestor; (2) The signature of the protestor or its representative; (3) Identification of the solicitation or contract number; (4) A detailed statement of the legal and factual grounds

of the protest including copies of relevant documents; and (5) The form of relief requested.

Protests should be directed to:

John F. Riley, C.P.M.
Executive Director of Purchasing and Business Services
Arizona State University
PO Box 875212
Tempe AZ 85287-5212
Fax: (480) 965-2234

Please note that as the University takes protests very seriously; we expect you to do so as well. Frivolous protests will not result in gain for your firm.

SECTION IV – SPECIFICATIONS/SCOPE OF WORK

The University requires that all printers under this contract are FSC™ Certified by the close date of this RFP.

The University is establishing the ASU Colleges at Lake Havasu, and will establish other ASU Colleges programs in areas outside of the greater Phoenix metropolitan area. If there are no FSC™ certified printers responding to this solicitation within 25 miles of Lake Havasu, the University will select one or more of the most sustainable printers in the Lake Havasu area. This, or these, selected printer(s) will have only a limited contract so that they can do business only with the Lake Havasu location. If a printer under this limited contract achieves FSC™ certification, then the limitation will be removed and that printer can respond to print requests from the entire University. The University will follow a similar process as additional locations are added for the ASU Colleges outside of the greater Phoenix metropolitan area.

Because of the volatility of the printing industry, the University reserves the right to add additional printers in the course of the agreements resulting from this solicitation. Any printer wishing to be so added to the contract must submit a proposal in the same manner as specified in this solicitation. This proposal will be evaluated by the University, and the proposing printer will be either accepted or rejected.

3. A Printer who is found to be out of compliance with the above requirements will be considered to be in default of their contract and the University may exercise its right to terminate the contract.

E. Performance Level

The University expects that Printers will continually demonstrate a high level of performance. Continuing or significant difficulties in any of the following areas could result contract termination.

SECTION IX – TERMS & CONDITIONS

1. **PAYMENT.** Payment shall be subject to the provisions of Title 35 of Arizona Revised Statutes relating to time and manner of submission of claims. The University's obligation is payable only and solely from funds appropriated for the purpose of this Agreement. The payment terms for this Agreement are Net 30 days. An invoice shall be submitted directly to the University's Payables and Reimbursements Department, unless otherwise directed. Any delays in payment are usually attributable to one of the following: failure of the supplier to submit an invoice to Payables and Reimbursements, dissatisfaction of the requesting department with the order delivered by the supplier, and a variance of the dollar amounts on the purchase order, the receiver, and the invoice. The interest rate on overdue payments is eighteen (18) percent APR. Such interest will begin accruing on the thirty-first (31st) day after the latest date of: the date of a valid purchase order, the date a correct supplier invoice is received at Payables and Reimbursements, and the date of delivery of an order that is satisfactory to the requesting department. Any claims for interest must be substantiated by copies of documents that show the date of the valid purchase order, the date a correct invoice was delivered to Payables and Reimbursements, and the date an order was delivered to the requesting department. The University may adjust the interest period, or deny the interest claim, based upon their documentation that there was no valid purchase order, that an incorrect invoice was submitted, that the order delivered was not satisfactory, or that the dates of any event were other than as claimed.
2. **REMEDIES AND APPLICABLE LAW.** This Agreement shall be governed by and construed in accordance with the laws of the State of Arizona. The University and Proposer shall have all remedies afforded each by said law.
3. **FORCE MAJEURE.** Neither party shall be held responsible for any losses resulting if the fulfillment of any terms or provisions of this Agreement are delayed or prevented by any cause not within the control of the party whose performance is interfered with, and which by the exercise of reasonable diligence, said party is unable to prevent.
4. **ANTI-KICKBACK.** In compliance with FAR 52.203-7, the University has in place and follows procedures designed to prevent and detect violations of the Anti-Kickback Act of 1986 in its operations and direct business relationships.
5. **GRATUITIES.** The University may, by written notice to the Proposer, cancel this Agreement if it is found by the University that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Proposer, or any agent or representative of the Proposer, to any officer or employee of the State of Arizona with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such contract. In the event this Agreement is canceled by University pursuant to this provision, the University shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by Proposer in providing such gratuities.

6. **MODIFICATIONS.** This Agreement can be modified or rescinded only by a writing signed by both parties or their duly authorized agents.
7. **ASSIGNMENT-DELEGATION.** No right or interest in this Agreement shall be assigned, or any obligation delegated, by Proposer without the written permission of the University. Any attempted assignment or delegation by Proposer shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.
8. **INTERPRETATION-PAROL EVIDENCE.** This writing is intended by the parties as a final expression of their Agreement and is intended also as a complete and exclusive statement of the terms of their Agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Agreement. Acceptance or acquiescence in a course of performance rendered under this Agreement shall not be relevant to determine the meaning of this Agreement even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity for objection. Should the Proposer fail to remedy the same within said period, the University shall then have the right to terminate this Agreement.
11. **NO WAIVER.** No waiver by University of any breach of the provisions of this Agreement by the Proposer shall in any way be construed to be a waiver of any future breach or bar the University's right to insist on strict performance of the provisions of the Agreement.
12. **TERMINATION.** The University may by written notice, stating the extent and effective date terminate this order for convenience in whole or in part, at any time. The University is very interested in adopting electronic methods of ordering from suppliers and in making associated payments with its Purchasing Card. If your firm has an electronic method of ordering, please describe it. These electronic methods of ordering could range from your firm distributing a paper catalog and accepting fax orders, to your firm has a Web site in which users can configure and order products. Proposer shall bear cost of packaging unless specifically otherwise provided.
- 32. SHIPMENT UNDER RESERVATION PROHIBITED.** Proposer is not authorized to ship the goods under reservation and no tender of a bill of lading will operate as a tender of the goods.
- 33. TITLE AND RISK OF LOSS.** The title and risk of loss of the goods shall not pass to the University until the University actually receives the goods at the point or points of delivery.
- 34. RIGHT OF INSPECTION.** The University shall have the right to inspect the goods at delivery before accepting them.
- 35. NO REPLACEMENT OF DEFECTIVE TENDER.** Every tender of goods must fully comply with all provisions of this Agreement as to time of delivery, quantity, quality, and the like. If a tender is made which does not fully conform, this shall constitute a breach and Proposer shall not have the right to substitute a conforming tender.
- 36. WARRANTIES.** In addition to any implied warranties, Proposer warrants that the goods furnished will conform to the specifications, drawings, and descriptions listed herein, and to the sample or samples, if any, furnished by the Proposer. - 37. COPYRIGHT OWNERSHIP.** Proposer's work under this agreement is "work for hire" for purposes of the copyright laws of the United States and any foreign countries, and title to any subject copyright will vest with the University.

If for any reason the Work would not be considered a work made for hire under applicable law, Proposer sells, assigns, and transfers to University all rights and title to the copyright in the Work, related registrations and copyright applications, and any related renewals and extensions. This grant of rights and assignment extends to all works based upon, derived from, or incorporating the Work, to all income, royalties, damages, claims and payments payable now or later, to all causes of action, either in law or in equity for past, present, or future infringement based on the copyrights, and to all corresponding rights throughout the world.

If the Work is one to which the provisions of 17 U.S.C. 106A apply, the Author waives and appoints University to assert on the Proposer's behalf the Proposer's moral rights or any equivalent rights regarding the form or extent of any alteration to the Work (including removal or destruction) or the making of any derivative works based on the

Work, including photographs, drawings or other visual reproductions or the Work, in any medium, for university purposes.

Proposer agrees to execute all papers and to perform other proper acts as University may deem necessary to secure these rights for University or its designee.

- 38. SALES AND USE TAX.** The Proposer agrees to comply with and to require all of his subcontractors to comply with all the provisions of applicable state sales excise tax law and compensation use tax law and all amendments to same. The Proposer further agrees to indemnify and save harmless the University, of and from any and all claims and demands made against it by virtue of the failure of the Proposer or any subcontractor to comply with the provisions of any or all said laws and amendments. The University is not exempt from state sales excise tax and compensation use tax, except for equipment purchased for research or development under the provisions of A.R.S. §42-5159 (B) (14). Any equipment ordered as tax exempt shall be invoiced separately from taxable systems, even if purchased on the same purchase order from the University.
- 39. INSTALLMENT PAYMENT AGREEMENT.** The University is precluded from entering into an installment payment agreement unless such agreement can be canceled for non-allocation of funds at the end of any fiscal year, at no penalty to the University. If funds are not allocated for this Agreement for periodic payment in any future annual fiscal period, following the University's formal request for funds, the University is not obligated to pay the net remainder of agreed to consecutive periodic payments remaining unpaid beyond the end of the then current fiscal year. The University agrees to notify the Proposer of such non-allocation at the earliest possible time. No penalty shall accrue to the University in the event this provision shall be exercised. This provision shall not be construed so as to permit the University to terminate this Agreement in order to acquire similar equipment from another party.
- 40. PRICE ADJUSTMENT.** Price changes will normally only be considered at the end of one Agreement period and the beginning of another. Price change requests shall be supported by evidence of increased costs to the Proposer. The University will not approve price increases that will merely increase the gross profitability of the Proposer at the expense of the University. Price change requests shall be a factor in the Agreement extension review process. The University shall determine whether the requested price increase or an alternate option is in the best interest of the University.
- 41. FURNISH AND INSTALL.** The items in this proposal will be provided on a Proposer furnish and install basis. The successful Proposer shall have complete responsibility for the items or system until it is in place and working. Any special installation preparation and requirements must be submitted to the University. All transportation and coordination arrangements will be the responsibility of the successful Proposer. Delivery of equipment will be coordinated so that items will be delivered direct to the installation site. This will minimize risk of damage and avoid double handling.

requirements of the “Gramm Leach Bliley Act” dealing with the confidentiality of customer information and the Safeguarding Rule.

43. **The University and Contractor recognize that student educational records are protected by the federal Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. 1232g).** FERPA permits disclosure of student record information to “other school officials” who have a legitimate educational interest in the information. The federal Family Compliance Office has recognized that institutions can designate other entities, including vendors and consultants, as “other school officials”. Designated representatives of Contractor will be designated as “other school officials” for purposes of this Agreement. No designated representative of the Contractor shall disclose information it receives under this agreement to any third party, except with the consent of the student or as required by law. Any disclosures made by the Contractor should comply with the University’s definition of legitimate educational purpose. If any designated representative discloses or misuses any educational record, the University will take appropriate action against the designated representative that is similar to action ASU would take against one of its employees who disclosed or misused the educational records of its students.
