ODOT RFP 461-11 – 511 Services

The Ohio Department of Transportation (ODOT) is seeking proposals from firms or partnerships of firms/individuals capable of serving as Program Manager for the Ohio Travel Info 511 Program (“BuckeyeTraffic 511”).

Program Manager duties include developing and operating the Travel Info 511 telephone system, marketing the program to potential sponsors; assessing sponsor compliance with program requirements; developing work plans; executing sponsor agreements with participating sponsors; collecting fees from participating sponsors; assuming fiduciary responsibility for the Program; the installation and maintenance of the travel info 511 signs, sign supports and sponsor sign panels. The program manager will be responsible for developing and implementing all technology used in the 511 system.
