SPEC

INTRODUCTION

Arlington County, Virginia is soliciting proposals from offerors having experience and qualifications in the area identified in this solicitation. Proposals must contain evidence of the offeror's experience and abilities in the specified area and other disciplines directly related to the proposed work. Other information required by the County may include the submission of profiles and resumes of the staff to be assigned to the project, references, illustrative examples of similar work performed, and other information which will clearly demonstrate the offeror's expertise in the area of this solicitation.

A selection committee will review and evaluate all proposals and identify firms that may be invited to submit more detailed proposals, conduct oral presentations, or both. The selection committee will rely primarily on the proposals submitted in selection of finalists and, therefore, offerors must emphasize specific information considered pertinent to the project and submit all information requested. The County may make award of this Contract or initiate negotiations with one or more offerors without further contact with other offerors. Evaluation of the proposals will include the criteria listed elsewhere in this solicitation.

SCOPE OF SERVICES

Arlington County is soliciting proposals for the provision of Graphics Services for print publications, Web design, multimedia, electronic formats, displays and other purposes, on an as-needed basis, for up to a three (3) year period. Services covered under this contract may also include photography and copywriting, which can be provided through subcontractors.

The County may make award of this Contract or initiate negotiations with one or more offerors without further contact with other offerors.

I. INTENT

The intent of this solicitation and resulting contract is to acquire the services of up to three (3) qualified graphic services firms ("Contractors") to perform services for the projects as described in this specification.

The County provides no guarantee of the amount of work to be assigned to the selected firms. The County reserves the right to issue separate solicitation(s) for project(s) for which such separate solicitation(s) will be determined to be in the best interest of the County. The County provides no guarantee of the amount of work to be assigned to the selected firms and may utilize other design firms for work.

Because availability of Contractor staff and time to complete work for specific projects is critical, this contract is not exclusive and the County will contract for services from several firms.

II. BACKGROUND

The Arlington County Board has a mission to serve the broader interest of the local economy by promoting economic development and expanding regional, domestic and international tourism. Arlington Economic Development (AED) www.arlingtonvirginiausa.com, a department of Arlington County Government, is responsible for marketing the County in each of these markets and market sectors. This is accomplished through a variety of marketing activities including trade shows, meetings and conferences, direct mail, print material, advertising, Web site development, video and multimedia.

referenced publications. Current graphics standards are attached (see page with a heading "Arlington Economic Development Style Sheet"). Assignments for development of advertising graphics will not include placement, but may include limited copywriting.

In addition, AED will be developing content for video clips, and animations that can be easily assembled and integrated into a wide variety of mediums. The offeror will be expected to provide input and assistance in building the assets of the media library. Video, multimedia and animation capabilities may be required, from the offeror.

A separate work order will be issued for each individual assignment. The Contractor shall submit a cost estimate based upon a negotiated scope of work on each assignment. Work orders accepted by AED will be considered fixed price agreements by AED and the Contractor, unless amended by mutual agreement.

III. SCOPE OF SERVICES

Specific requirements for the graphics services shall include but not be limited to the following:

Preparation of print graphics for publications and marketing materials following AED graphic design standards (attached);
Press checks and other quality control measures as needed;
Preparation of print specifications for AED to use in bidding for all printing services;
Preparation of advertisements for print or electronic media;

Multimedia (which may include animation and video);
Provision of photography and/or copywriting services as needed
Overall coordination of the consistency and quality of all AED marketing materials which may include, but are not limited to, publications, Web site design and multimedia.

IV. WORK ASSIGNMENTS

Based on the Contractor's ability and schedule, the County will provide to the Contractor a separate work order for each individual assignment.

Within three (3) business days of receipt of the work order, the Contractor shall submit to the County Project Officer a cost estimate based upon a negotiated scope of work on each work order. This cost estimate shall also include a time schedule for the provision of the deliverable(s) required in the work order. Work orders accepted by AED will be considered fixed price agreements by AED and the Contractor, unless amended by mutual agreement. Purchase orders will be issued for each assignment.

CONTRACT DOCUMENTS

Unless a separate formal Agreement is entered into between the parties, the Contract Documents consist of the response of the Contractor and this solicitation. The Contract Documents set forth the entire Agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either of them has made any representation or promise with respect to the Contract Documents which is not contained in the Contract Documents, and that all terms and conditions with respect to the Contract Documents are expressly contained herein.

PROJECT OFFICER

The performance of the Contractor is subject to the review and approval of the County Project Officer who shall be appointed by the Director of the agency requesting the work under this solicitation. However, it shall be the responsibility of the Contractor to manage the details of the execution and performance of its work under the Contract Documents.

CONTRACT EXTENSION WITH PRICE ADJUSTMENTS NEGOTIATED UP TO CPI

The Contract unit price(s) shall remain firm for the first twelve (12) months of the Contract Term. The Contract unit price(s) for each ensuing Contract year, if the County elects to extend the Contract, shall be negotiated by the County and the Contractor. Increases in the price(s) for ensuing years shall not exceed the percentage of change in the U.S. Department of Labor, Consumer Price Index, All Items, Unadjusted, Urban Areas (CPI-U) for the twelve (12) month period ending in JULY of each Contract Year.

If the Contractor and the County do not agree on a price using the procedure set forth above by the thirtieth (30th) day prior to the end of the initial Contract Term or the end of ensuing renewal term or terms, the County will terminate the Contract whether or not the County has previously elected to extend the term. The Contract unit price(s) changed as a result of this procedure shall become effective on the anniversary date of the Contract and shall be binding on the Contractor for the ensuing renewal term or terms.

TERMINATION FOR CAUSE

The Contract will remain in force for the full period specified and until the County determines that all requirements and conditions have been satisfactorily met and the County has accepted the Work, and thereafter until the Contractor has met all requirements and conditions relating to the Work under the Contract Documents following the Initial Contract Term and all Subsequent Contract Terms, including warranty and guarantee periods. However, the County will have the right to terminate this Contract sooner if the Contractor has failed to perform satisfactorily the Work required or otherwise defaults, as determined by the County in its discretion.

In the event the County decides to terminate this Contract for failure to perform satisfactorily, the County will give the Contractor at least fifteen (15) days written notice before the termination takes effect.

Such fifteen (15) day period will begin upon the mailing of notice by the County. If the Contractor fails to cure within the fifteen (15) days period specified in the notice and the Contract is terminated for the Contractor's failure to provide satisfactory Contract performance, the Contractor will be entitled to receive compensation for all Contract services satisfactorily performed by the Contractor and allocable to the Contract and accepted by the County prior to such termination unless otherwise barred by the Contract.

In the event the County terminates the Contract for default of any Contract term or condition, the termination will be immediate, unless the County in its discretion provides for an opportunity to cure, and the Contractor will not be entitled to termination costs.

Upon any termination for cause, an amount equal to all additional costs required to be expended by the County to complete the Work covered by the Contract, including costs of delay in completing the project, shall be either subtracted from any amount due the Contractor or charged to the Contractor.

Except as otherwise directed by the County, the Contractor shall stop Work on the date of receipt of notice of the termination or other date specified in the notice, place no further orders or subcontracts for materials, services, or facilities except as are necessary for the completion of such portion of the Work not terminated, and terminate all vendors and subcontracts and settle all outstanding liabilities and claims.

In the event any termination for cause shall be found to be improper or invalid by any court of competent jurisdiction, then such termination shall be deemed to have been a termination for convenience.

TERMINATION FOR THE CONVENIENCE OF THE COUNTY

The performance of work under this Contract may be terminated by the Purchasing Agent in whole or in part whenever the Purchasing Agent shall determine that such termination is in the County's best interest. Any such termination shall be effected by the delivery to the Contractor of a written notice of termination at least fifteen (15) days before the date of termination, specifying the extent to which performance of the work under this Contract is terminated and the date upon which such termination becomes effective. The Contractor will be entitled to receive compensation for all Contract services satisfactorily performed by the Contractor and allocable to the Contract and accepted by the County prior to such termination and any other termination costs as negotiated by the parties, but no amount shall be allowed for anticipatory profits.

After receipt of a notice of termination and except as otherwise directed, the Contractor shall stop all work on the date of receipt of the notice of termination or other date specified in the notice; place no further orders or subcontracts for materials, services or facilities except as are necessary for the completion of such portion of the work not terminated; immediately transfer all documentation and paperwork

for terminated work to the County; and terminate all vendors and subcontracts and settle all outstanding liabilities and claims.

PAYMENT TERMS

Payment terms will be recorded by the County as Net thirty (30) days. The County will pay the Contractor within thirty (30) days after the date of receipt of a correct (as determined by the Project Officer) invoice approved by the Project Officer describing completed work which is reasonable and allocable to the Contract, or the date of receipt of the entire order, or the date of acceptance of the work which meets the Contract requirements, whichever is later. Payments will be made by the County for goods or services furnished, delivered, inspected, and accepted upon receipt of invoices submitted on the date of shipment or delivery of service, subject to applicable payment terms. The number of the Purchase Order by which authority shipments have been made or services performed shall appear on all invoices. Invoices shall be submitted in duplicate. Unless otherwise specified herein, payment shall not be made prior to delivery and acceptance of the entire order by the County.

ADJUSTMENTS FOR CHANGE IN SCOPE

The County may order changes in the work within the general scope of the work consisting of additions, deletions or other revisions. No claim may be made by the Contractor that the scope of the project or of the Contractor's services has been changed requiring adjustments to the amount of compensation due the Contractor unless such adjustments have been made by a written amendment to the Contract signed by the County and the Contractor. If the Contractor believes that any particular work is not within the scope of the project or is a material change or otherwise will call for more compensation to the Contractor, the Contractor must immediately notify the Project Officer in writing of this belief. Within ten (10) days after any change or event which the Contractor believes calls for more compensation, the Contractor must provide to the Project Officer a proposal which sets forth the amount of additional compensation claimed, together with the basis therefor and supportive documentation for the amount. The Contractor will not be compensated for performing any work unless a proposal complying with this paragraph has been submitted in the time specified above and a written amendment has been signed by the County and the Contractor and a County purchase order is issued covering the cost of the services to be provided under the amendment. If the Project Officer believes that the work is within the scope of the Contract as written, the Contractor will be ordered to continue work.

NONAPPROPRIATION

All funds for payments by the County under this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County. In the event of nonappropriation of funds by the County Board of Arlington County for the goods or services provided under this Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the then current fiscal year or when the appropriation made for the then current year for the services covered by this Contract is spent, whichever event occurs

first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the Contractor on thirty (30) days prior written notice, but failure to give such notice shall be of no effect and the County Board of Arlington County shall not be obligated under this Contract beyond the date of termination.

REQUIREMENTS CONTRACT (ESTIMATED QUANTITIES)

During the Contract Term, the Contractor will furnish all of the items or services described in the Contract Documents if so requested by the County. The Contractor understands and agrees that this is a requirements contract and the County will have no obligation to the Contractor if no items or services are required or requested by the County. Any quantities which are included in the Contract Documents are the present expectations of those who are planning for the County for the period of the contract. The amount is only an estimate and the Contractor understands and agrees that the County is under no obligation to the Contractor to buy any amount as a result of having provided this estimate or of having had any normal or otherwise measurable requirement in the past. The Contractor further understands that the County may require services in excess of the estimated annual Contract amount and that such excess shall not give rise to any claim for compensation other than at the unit prices in this Contract.

PAYMENT OF SUBCONTRACTORS

The Contractor is obligated to take one of the two following actions within seven (7) days after receipt of amounts paid to the Contractor by the County for work performed by any subcontractor under this Contract:

- a. Pay the subcontractor for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor under this Contract; or
- b. Notify the County and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

The Contractor is obligated to pay interest to the subcontractor on all amounts owed by the Contractor that remain unpaid after seven (7) days following receipt by the Contractor of payment from the County for work performed by the subcontractor under this Contract, except for amounts withheld as allowed in b., above. Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to the above provisions may not be construed to be an obligation of the County. A Contract modification may not be made for the purpose of providing reimbursement for such interest

charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

AUDIT

The Contractor agrees to retain all books, records and other documents related to this procurement for at least five (5) years after final payment, or until audited by the County, whichever is sooner. The County or its authorized agents shall have full access to and the right to examine any of the above documents during this period. If the Contractor wishes to destroy or dispose of records (including confidential records to which the County does not have ready access) after the County's audit but within five (5) years after final payment, the Contractor shall notify the County at least thirty (30) days prior to such disposal, and if the County objects, shall not dispose of the records.

PROJECT STAFF

The County will, throughout the Contract Term and any renewal term, have the right of reasonable rejection and approval of staff or subcontractors assigned to the project by the Contractor. If the County reasonably rejects staff or subcontractors, the Contractor must provide replacement staff or subcontractors satisfactory to the County in a timely manner and at no additional cost to the County. The day-to-day supervision and control of the Contractor's employees, and employees of any of its subcontractors, shall be solely the responsibility of the Contractor.

SAFETY

The Contractor shall comply with, and ensure that the Contractor's personnel and subcontracted personnel comply with, all current applicable local, state and federal policies, regulations and standards relating to safety and health, including, by way of illustration and not limitation, the standards of the Virginia Occupational Safety and Health program of the Department of Labor and Industry for General Industry and for the Construction Industry, the Federal Environmental Protection Agency Standards and the applicable standards of the Virginia Department of Environmental Quality.

The Contractor shall provide, or cause to be provided, all technical expertise, qualified personnel, equipment, tools and material to safely accomplish the work specified to be performed by the Contractor and subcontractor(s).

The Contractor shall identify to the County Project Officer at least one on-site person who is the Contractor's competent, qualified, and authorized person on the worksite and who is, by training or experience, familiar with policies, regulations and standards applicable to the work being performed. The competent, qualified and authorized person must be capable of identifying existing and predictable hazards in the surroundings or working conditions which are unsanitary, hazardous or dangerous to employees, shall be capable of

ensuring that applicable safety regulations are complied with, and shall have the authority and responsibility to take prompt corrective measures, which may include removal of the Contractor's personnel from the work site.

The Contractor shall provide to the County, at the County's request, a copy of the Contractor's written safety policies and safety procedures applicable to the scope of work. Failure to provide this information within seven (7) days of the County's request may result in cancellation of the award.

Air fare will be reimbursed at coach rate only. Reimbursement for the use of personal vehicles shall be negotiated with the County at the time of contract negotiations, except that the mileage rate paid by the County shall not exceed the then current mileage rates paid by the County to its employees. Parking expenses are reimbursable up to \$7.00 per day.

of the highest scoring offerors will be included in the short list. The scores for the first step are solely to identify those who will proceed to the second step. The second step is the selection of the finalist(s) from the short listed offerors. The second step selection will be based on an evaluation of either the short listed offerors' interviews and oral presentations, or the quality of responses to the County's request for additional information, or a combination of these factors. The scores received by the finalists in the step one evaluation will not be used in step two except as a tie breaker.

INTEREST IN MORE THAN ONE PROPOSAL, AND COLLUSION

More than one proposal received in response to a single solicitation from an individual, firm, partnership, corporation, affiliate, or association under the same or different names will be rejected. Reasonable grounds for believing that an offeror is interested in more than one proposal for a solicitation both as an offeror and as a subcontractor for another offeror, will result in rejection of all proposals in which the offeror is interested. However, a firm acting only as a subcontractor may be included as a subcontractor for two or more offerors submitting a proposal for the work. Any or all proposals may be rejected if reasonable grounds exist for believing that collusion exists among any offerors. Offerors rejected under the above provisions shall be disqualified if they respond to a re-solicitation for the same work.

EQUIVALENT EXPERIENCE AND REFERENCES

If a bidder or offeror is not able to meet the experience and reference qualifications required under this solicitation, the bidder or offeror may submit a resume indicating the experience and reference qualifications of the proposed project manager for the work, acquired under the project manager's prior employer(s).
