

REQUEST FOR PROPOSAL
IMMANUEL FONTENELLE PHARMACY SERVICES
AND
THE LIGHTHOUSE AT LAKESIDE VILLAGE PHARMACY SERVICES

The Health Dimensions Group is seeking RFPs for retail pharmacies for provision of pharmacy services for the following two Immanuel Long Term Care Communities:

- | | |
|--|-----------------------------------|
| 1. Immanuel Fontenelle
6809 N. 68 th Plaza
Omaha, NE 68152 | 165 Skilled Nursing Facility Beds |
| 2. The Lighthouse at Lakeside Village
17600 Arbor Street
Omaha, NE 68130 | 36 Skilled Nursing Facility Beds |

Vendors must meet the following required qualifications, provisions, and abilities:

- Registered and licensed as a retail pharmacy in the state of Nebraska
 - Provide medications in containers that are labeled and packaged in compliance with all applicable state and federal regulations
 - Provide emergency medication kit(s) that complies with applicable state and federal requirements
 - Provide prompt delivery to the care communities of prescription medication and supplies within reasonable agreed-upon time frames, seven days per week, and have capacity to provide medications 24 hours per day for emergency prescriptions as necessary
 - Maintain and provide evidence of professional liability insurance
 - Ability to maintain a drug profile on each resident serviced by the pharmacy
 - Provide licensed pharmacy consultant for medication regime reviews and clinical care consultation
 - Once approved by the Nebraska Board of Pharmacy, provide bi-directional interface with PointClickCare electronic medical records program, including electronic MARs and TARs with electronic order entry per pharmacy
 - Provide a pharmacy representative for attendance with written reports to Immanuel Fontenelle and The Lighthouse at Lakeside Village quality committees, infection control committee, and other meetings as requested
 - Provide drug information and consultation to care communities' licensed professional staff regarding pharmacy orders
-

- Provide reasonable and appropriate information relating to the provision of pharmacy products and services, including pharmacy's policies and procedures
- Subject to applicable law, furnish a reasonable number of medication carts for provision of pharmaceuticals, and ongoing maintenance and repairs of equipment provided
- Ability to bill each patient in conformity with usual and proper method of billing under receptive reimbursement and/or payment plans
- Provide medications for, and invoice for care communities on a defined rate per medication, for residents on Medicare A and managed care plans in accordance with a defined schedule. All proposals shall include pricing for all medications billed to the care communities where the care community is provider liable. Proposals must state how long the pricing is in effect.
- Provide medical supplies to the care communities as requested in accordance with an agreed-upon charge master
- Provision of wireless barcode scanning technology is desirable
- Provide credits to the care communities for the return of appropriate medications as allowed by federal regulations and state pharmacy board.

Submittal of RFP

1. Electronic RFPs must be submitted to Health Dimensions Group, Attn: Terri Person, 4400 Baker Road, Suite 100, Minneapolis, MN 55343 Email: terrip@hdgi1.com. Proposals must be received by 5:00 p.m. CST Friday May 30, 2014. Confirmation of receipt of proposals will be forwarded to those submitting a proposal.
 2. Pharmacies submitting RFPs will be invited to attend a pre-proposal meeting to answer questions regarding pharmacy services and to outline the process and timeline for submission of a formal proposal for pharmacy services at Immanuel Long Term Care Centers to Health Dimensions Group.
 3. Health Dimensions Group reserves the right to waive technicalities and to reject any or all proposals for any reason at any time.
 4. Consideration may be given to locally owned businesses if costs and other considerations are relatively equal.
