2.0 SCOPE OF SERVICES

2.1 Introduction

Miami-Dade County, hereinafter referred to as the "County," as represented by the Office of Strategic Business Management ("OSBM"), is seeking proposals from interested parties for consideration into a pool for the purposes of providing community redevelopment consulting services to the County, as may be required. Selected Proposers will participate in the Community Redevelopment Consulting (CRC) Pool (See Section 2.4, Structure of Pool).

2.2 Background

Community Redevelopment Agencies (CRAs) are a mechanism for financing community redevelopment activities in areas which are determined to have conditions of slum and blight. Regulated by Part III, Chapter 163, Florida Statutes, CRAs use revenues from an expanding tax base to fund redevelopment efforts addressing these conditions. The definitions of slum and blight shall be those that are presented in Part III, Chapter 163, Florida Statutes, Community Redevelopment Act of 1969. A slum area is generally defined as an area having physical or economic conditions conducive to disease, infant mortality, juvenile delinquency, poverty, or crime because there is a predominance of buildings or improvements, whether residential or nonresidential, which are impaired by reason of dilapidation, deterioration, age, or obsolescence. A blighted

area is generally defined as an area in which there are a substantial number of deteriorated or deteriorating structures, in which conditions, as indicated by government maintained statistics or other studies, are leading to economic distress or endanger life or property.

Note: The selected Proposer shall have a good working knowledge of a) Part III, Chapter 163, Florida Statutes, and regulations that dictate functions of all State of Florida Community Redevelopment Areas, b) Florida Home Rule Charter, c) Historic Restoration, and d) the County's Development Master Plan.

2.3 Services Requested

Pool members will provide the following services, as requested:

1. Finding of Necessity (FON) Studies

Prepare a study based on the existence of certain conditions in a community as described in the Act.

The FON Studies shall include the following:

- a. Substantial data and analysis to support a selected Proposers determination of whether or not conditions of slum and/or blight exist within a geographic area, and whether or not there is a shortage of housing affordable to residents of low or moderate income, including the elderly, in that area.
- b. Photographs, charts, and other graphics to support findings where applicable.
- c. If conditions of slum and blight are found to exist a determination of whether redevelopment of the area is in the interest of public health, safety, morals, or welfare of the residents of Miami-Dade County.

2. Community Redevelopment Plans

Prepare a community redevelopment plan (the "Plan") to address and correct adverse conditions indicated in the applicable FON Study.

Community redevelopment is generally defined as undertakings, activities, or projects of a county, municipality, or community redevelopment agency in a community redevelopment area for the elimination and prevention of the development or spread of slum and blight, or for the reduction or prevention of crime, or for the provision of affordable housing, whether for rent or for sale, to residents of low or moderate income, including the elderly. The Plan shall address and include the following:

- a. A legal description of the boundaries of the community redevelopment area and the reasons for establishing such boundaries as are shown in the Plan.
- b. By diagram and in general terms, the amount of open space to be provided, the street layout, limitations on the type, size, height, number, and proposed use of buildings, the approximate number of dwelling units and any property to be used as public parks, recreation areas, streets, public utilities, and public improvements.
- c. Opportunities for private enterprise in redeveloping community redevelopment areas.
- d. An evaluation of community policing innovations and the purchase or disposition of property. This shall be done with special consideration to the health, safety, and welfare of children residing in the redevelopment area.
- e. An evaluation of infrastructure improvements in the redevelopment area. These improvements may address traffic congestion, parks, streetscapes, beautification efforts, playgrounds or other public improvements. This shall be done with special consideration to the health, safety, and welfare of children residing in the redevelopment area.

- f. Conformance to the Miami-Dade County comprehensive plan and include any appropriate zoning and planning changes, land uses, maximum densities and building requirements.
- g. Provision for affordable housing in the area, or state the reasons for not addressing affordable housing. If the redevelopment area already contains low or moderate income housing, the Plan shall contain a neighborhood impact element which describes in detail the impact of the redevelopment upon the residents of the redevelopment area and the surrounding areas in terms of relocation, traffic circulation, environmental quality, availability of community facilities and services, effect on school population, and any other matters affecting the physical and social quality of the neighborhood.
- h. Provision for an element of residential use in the redevelopment area if such use exists in the area prior to the adoption of the Plan or if the Plan is intended to remedy a shortage of housing affordable to residents of low or moderate income, including the elderly, or if the Plan is not intended to remedy such shortage, the reasons why.
- i. A reasonable method for relocating persons temporarily or permanently displaced from housing facilities within the community redevelopment area without undue hardship to such persons.
- j. Identification of any publicly funded capital projects to be undertaken within the redevelopment area.
- k. A detailed statement of the projected costs of all redevelopment activities, including the amount to be spent on publicly funded capital projects in the redevelopment area and any indebtedness of the community redevelopment agency, Miami-Dade County, or the municipality proposed to be incurred for such redevelopment if such indebtedness is to be repaid with tax increment revenues.
- l. Provision for the retention of controls and the establishment of any restrictions or covenants running with land sold or leased for private use for such periods of time and under such conditions as the governing body deems necessary to effectuate the purposes of this part.
- m. Provision for a time certain for completing all redevelopment financed by tax increment revenues.
- n. Safeguards that the redevelopment work will be carried out pursuant to the Plan.

2.4 **Structure Of Pool**

The County anticipates establishing a Pool of no more than five (5) selected Proposer(s). The CRC Pool will service requests through the County's Project Manager. Selected Proposers will be added into the Pool in the order of their total overall score and ranking (i.e., highest ranked first), as described in Section 4.0. Selected Proposer(s) shall sign an agreement with the County prior to being accepted into the Pool (refer to anticipated Form of Agreement in Section 5.0). The agreement will include general legal and administrative provisions, and may be updated periodically to reflect new County requirements. The agreement will be supplemented, upon project award, by individual Work Orders specifying project scopes, payment and price information. Selection into the CRC Pool does not guarantee work and does not provide for exclusive rights to provide these services to the County.

At the County's discretion, members may be dropped from the CRC Pool for lack of participation, which shall include failure over a reasonable time to propose on Work Order Proposal Requests (WOPRs) offered through the Pool, poor performance on a Work Order, being in arrears in obligations to the County, and any other reason specified by County policies and procedures. Selected Proposer(s) shall maintain the qualifications of the firm and proposed personnel at a standard consistent and equivalent to the qualification submissions submitted in response to this Solicitation.

2.5 Work Order Process

Membership in the CRC Pool is a pre-requisite for obtaining work on potential projects issued through the Pool. Work Orders will be awarded to Pool members on a rotational basis, starting with the highest ranked selected Proposer as noted in Section 2.4 above. Alternatively, Work Order awards will be made competitively, generally based on quality and/or price. The County reserves the right to establish an alternate, streamlined method for awarding Work Orders.

Local Preference and Certified Service-Disabled Veteran's consideration will not apply to individual Work Orders.

2.6 Additional Services

At the County's sole discretion, a Pool member may be requested to provide additional services related to previously awarded Work Orders. These additional services may include the revision of previously submitted FON studies or Plans as required by the County. The County reserves the right to award Additional Services for, and updates to, a previously awarded Work Order to the same Pool member that was awarded the original Work Order.

3.0 RESPONSE REQUIREMENTS**3.1 Submittal Requirements**

In response to this Solicitation, Proposer should **return the entire completed Proposal Submission Package** (see attached). Proposers should carefully follow the format and instructions outlined therein. All documents and information must be fully completed and signed as required.

The proposal shall be written in sufficient detail to permit the County to conduct a meaningful evaluation of the proposed services. However, overly elaborate responses are not requested or desired.

4.0 EVALUATION PROCESS**4.1 Review of Proposals for Responsiveness**

Each proposal will be reviewed to determine if the proposal is responsive to the submission requirements outlined in this Solicitation. A responsive proposal is one which follows the requirements of this Solicitation, includes all documentation, is submitted in the format outlined in this Solicitation, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in the proposal being deemed non-responsive.

4.2 Evaluation Criteria

Proposals will be evaluated by an Evaluation/Selection Committee which will evaluate and rank proposals on criteria listed below. The Evaluation/Selection Committee will be comprised of appropriate County personnel and members of the community, as deemed necessary, with the appropriate experience and/or knowledge, striving to ensure that the Evaluation/Selection Committee is balanced with regard to both ethnicity and gender. The criteria are itemized with their respective weights for a maximum total of one hundred (100) points per Evaluation/Selection Committee member.

<u>Technical Criteria</u>	<u>Points</u>
1. Proposer's relevant experience, qualifications, and past performance	30
2. Relevant experience and qualifications of key personnel, including key personnel of subcontractors, that will be assigned to this project, and experience and qualifications of subcontractors	30
3. Proposer's approach to providing the services	30

requested in this Solicitation

<u>Price Criteria</u>	<u>Points</u>
4. Proposer's proposed hourly rates	10

4.3 Oral Presentations

Upon completion of the technical criteria evaluation indicated above, rating and ranking, the Evaluation/Selection Committee may choose to conduct an oral presentation with the Proposer(s) which the Evaluation/Selection Committee deems to warrant further consideration based on, among other considerations, scores in clusters and/or maintaining competition. (See **Form A-2** regarding registering speakers in the proposal for oral presentations.) Upon completion of the oral presentation(s), the Evaluation/Selection Committee will re-evaluate, re-rate and re-rank the proposals remaining in consideration based upon the written documents combined with the oral presentation.

4.4 Price Evaluation

The price proposal will be evaluated subjectively in combination with the technical proposal, including an evaluation of how well it matches Proposer's understanding of the County's needs described in this Solicitation, the Proposer's assumptions, and the value of the proposed services. The pricing evaluation is used as part of the evaluation process to determine the highest ranked Proposer. The County reserves the right to negotiate the final terms, conditions and pricing of the contract as may be in the best interest of the County.

4.5 Selection Factor

This Solicitation includes a selection factor for Miami-Dade County Certified Small Business Enterprises (SBE's) as follows. A SBE/Micro Business Enterprise is entitled to receive an additional ten percent (10%) of the total technical evaluation points on the technical portion of such Proposer's proposal. An SBE/Micro Business Enterprise must be certified by the Department of Small Business Development for the type of goods and/or services the Proposer provides in accordance with the applicable Commodity Code(s) for this Solicitation. For certification information contact the Department of Small Business Development at (305) 375-3111 or access www.miamidade.gov/sba. The SBE/Micro Business Enterprise must be certified by proposal submission deadline, at contract award, and for the duration of the contract to remain eligible for the preference.

4.6 Local Certified Service-Disabled Veteran's Business Enterprise Preference

This Solicitation includes a preference for Miami-Dade County Local Certified Service-Disabled Veteran Business Enterprises in accordance with Section 2-8.5.1 of the Code of Miami-Dade County. A VBE is entitled to receive an additional five percent (5%) of the total technical evaluation points on the technical portion of such Proposer's proposal. If a Miami-Dade County Certified Small Business Enterprise (SBE) measure is being applied to this Solicitation, a VBE which also qualifies for the SBE measure shall not receive the veteran's preference provided in this section and shall be limited to the applicable SBE preference.

4.7 Local Preference

The evaluation of competitive solicitations is subject to Section 2-8.5 of the Miami-Dade County Code, which, except where contrary to federal or state law, or any other funding source requirements, provides that preference be given to local businesses (see **Form A-4**). If, following the completion of final rankings by the Evaluation/Selection Committee, a non-local Proposer is the highest ranked responsive and responsible Proposer, and the ranking of a responsive and responsible local Proposer is within 5% of the ranking obtained by said non-local Proposer, then the Evaluation/Selection Committee will recommend that a contract be negotiated with said local Proposer.

4.8 Negotiations

The County may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the Proposer's best terms from a monetary and technical standpoint.

The Evaluation/Selection Committee will evaluate, score and rank proposals, and submit the results of their evaluation to the County Manager with their recommendation. The County Manager or designee will determine with which Proposer(s) the County shall negotiate, if any, taking into consideration the Local Preference Section above. In his sole discretion, the County Manager or designee may direct negotiations with the highest ranked Proposer, negotiations with multiple Proposers, or may request best and final offers.

Notwithstanding the foregoing, if the County and said Proposer(s) cannot reach agreement on a contract, the County reserves the right to terminate negotiations and may, at the County Manager's or designee's discretion, begin negotiations with the next highest ranked Proposer(s). This process may continue until a contract acceptable to the County has been executed or all proposals are rejected. No Proposer shall have any rights against the County arising from such negotiations or termination thereof.

Any Proposer recommended for negotiations shall:

- a) Complete a Collusion Affidavit, in accordance with Sections 2-8-1.1 of the Miami-Dade County Code as amended by Ordinance 08-113. (If a Proposer fails to submit the required Collusion Affidavit, said Proposer shall be ineligible for award.)

Any Proposer recommended for negotiations may be required to provide to the County:

- a) Its most recent certified business financial statements as of a date not earlier than the end of the Proposer's preceding official tax accounting period, together with a statement in writing, signed by a duly authorized representative, stating that the present financial condition is materially the same as that shown on the balance sheet and income statement submitted, or with an explanation for a material change in the financial condition. A copy of the most recent business income tax return will be accepted if certified financial statements are unavailable.
- b) Information concerning any prior or pending litigation, either civil or criminal, involving a governmental agency or which may affect the performance of the services to be rendered herein, in which the Proposer, any of its employees or subcontractors is or has been involved within the last three years.

4.9 Contract Award

Any contract, resulting from this Solicitation, will be submitted to the County Manager or designee for approval. All Proposers will be notified in writing when the County Manager or designee makes an award recommendation. The Contract award, if any, shall be made to the Proposer whose proposal shall be deemed by the County to be in the best interest of the County. Notwithstanding the rights of protest listed below, the County's decision of whether to make the award and to which Proposer shall be final.

4.10 Rights of Protest

- A. A recommendation for contract award or rejection of all proposals may be protested by a Proposer in accordance with the procedures contained in Sections 2-8.3 and 2-8.4 of the County Code, as amended, and as established in Implementing Order No. 3-21.
- B. A written intent to protest shall be filed with the Clerk of the Board and mailed to all participants in the competitive process and to the County Attorney within three (3) County workdays of the filing of the County Manager's recommendation. This three day period begins on the County workday after the filing of the County Manager's recommendation. Such written intent to protest shall state the particular grounds on which it is based and shall be accompanied by a filing fee as detailed in Para C below.
- C. The written intent to protest shall be accompanied by a non-refundable filing fee, payable to the Clerk of the Board, in accordance with the schedule provided below:

<u>Award Amount</u>	<u>Filing Fee</u>
\$25,000-\$250,000	\$500
\$250,001-\$500,000	\$1,000
\$500,001-\$5 million	\$3,000
Over \$5 million	\$5,000

- D. For award recommendations greater than \$250,000, the County's recommendation to award or reject will be immediately communicated (via mail, fax or e-mail) to all participants in the competitive process and filed with the Clerk of the Board.
- E. For award recommendations from \$25,000 to \$250,000, recommendations to award or reject will be posted on the Department of Procurement Management website.

Any question, issue, objection or disagreement concerning, generated by, or arising from the published requirements, terms, conditions or processes contained or described in the solicitation document shall be deemed waived by the protester and shall be rejected as a basis for a protest unless it was brought by that Proposer to the attention, in writing, of the procurement agent, buyer, contracting officer or other contact person in the County department that issued the solicitation document, at least two working days (not less than 48 hours) prior to the hour of the due date for proposal submission.
