The Township of Abington is soliciting Statements of Interest from engineering firms interested in and capable of undertaking work for the Township.

Responding engineers must be registered as Pennsylvania Department of Transportation Business Partners, and have on file with them their annual qualifications package and an approved field overhead rate.

References shall be submitted by the engineering firms demonstrating they meet the minimum experience requirement. This includes: having to provide construction, inspection and construction management services for two (2) projects dealing with highway reconstruction, storm water, and traffic signal systems with a minimum construction cost of \$1,000,000 each. Also include the project owner's name, phone number and fax number. Only firms that can meet this minimum requirement will have their qualification statements considered.

The engineering form shall indicate that his/her firm is incorporated in the Commonwealth of Pennsylvania and has the proper professional licenses for performing the services contemplated and shall maintain such licenses during the duration of the project. Include a narrative of personnel and resources available to perform the services requested.

The engineering firm shall also secure and maintain for the duration of the project sufficient insurances, including Errors and Omissions Insurance and/or Professional Liability Insurance that will protect him/her from claims arising from his/her activities on the proposed project.

FEDERAL PROVISIONS – PROJECTS NOTED MUST COMPLY

This project is to be federally funded, and the engineering firm will be required to maintain a minimum certified Disadvantaged Business Enterprise (DBE) goal of 10% of the total contract. The Central Office of Equal Opportunity maintains lists of DBE firms that can be used by the consultant to locate suitable engineering firms.

LOCATION

Inspection and construction management services shall be required at the following locations:

Huntingdon Pike (S.R. 232) Traffic Signal Upgrade – MPMS – 77804

Edge Hill Road (S.R. 2034) – S.R. 611 to Keith Road – MPMS – 77805

Engineering firms interested in submitting Statements of Interest must contact Michael E. Powers, Township Engineer, to obtain the Township's detailed Advertisement and General Requirements and Information for Construction Inspection Agreements.

Qualification statements shall be submitted on or before March 4, 2009, no later than 3:00 PM prevailing time to Michael E. Powers, Township Engineer, 2nd Floor, Township Building, 1176 Old York Road, Abington Pennsylvania, 19001. Questions and clarification statements can be directed to Michael E. Powers, Department of Engineering at 267-536-1041.

BY ORDER of the BOARD OF COMMISSIONERS:

**Burton T. Conway, Secretary
1176 Old York Road
Abington, PA 19001**
