The State reserves the right to limit the Scope of Work prior to award, if deemed in the best interest of the State NRS §333.350(1).

1. OVERVIEW OF PROJECT

The State of Nevada Purchasing Division, on behalf of the Nevada State Board of Medical Examiners, is seeking proposals from providers who can provide assessment, assistance, treatment, monitoring, oversight, and reporting functions for licensees affected by substance abuse and other psychological issues. It is the State's intent to award multiple two year contracts to selected vendors, with an option to extend for one an additional two (2) years upon mutual consent. Proposing vendors may be requested to appear for an interview with the Evaluation Committee August 31-September 4, 2009, as part of the evaluation process.

The Nevada State Board of Medical Examiners is the state agency that licenses physicians, physician assistants, respiratory therapists, and perfusionists. Some of its licensees have substance abuse issues (alcohol, prescription drugs, illicit drugs), narcissistic disorders, or other compulsive/obsessive behaviors that affect their ability to safely and professionally serve their patients. The program will include licensees who are referred by the Board as the result of disciplinary action or referral, and licensees who admit themselves to the program.

For ease in responding, interested vendors may download this document electronically from the Purchasing website by clicking RFP/RFQ/RFI Opportunities and scrolling down to RFQ 1796. Responders may type responses directly on the document in a **visibly different font**. Answers should appear immediately after each question, beginning with Section 3 Scope of Work.

Vendor/Agency Organization/individual submitting a proposal or qualifications in response to this RFQ.

3. **QUALIFICATIONS**

The process by which proposals will be considered for funding under this RFQ consists of two distinct stages. The first stage is a determination of whether or not the vendor qualifies under the set of General Minimum Qualifications. If a vendor is determined not to meet any one of these General Minimum Qualifications, the proposal in its entirety will not be considered for funding.

If the vendor meets all of the General Minimum Qualifications, the proposal will be evaluated to see it meets the Technical Minimum Qualifications. Target population/service proposals that do not meet the minimum Technical Qualifications will not be considered for funding. This will not eliminate other target population/service proposals submitted in the same RFQ from being considered. Each proposal will be reviewed independently in the Technical Minimum Qualification section.

3.1 **General Minimum Qualifications**

NOTE: If the applicant fails to address and/or meet any of the below General Minimum Qualifications, they will not be considered for funding.

3.1.1 All proposing vendors must submit a copy of their current license with the General Minimum Qualifications.

3.1.2 Person(s) who will be working directly with the licensee must be a Nevada-licensed practitioner with at least ten years' experience in one of the following professions:

3.1.2.1 Physician specializing in addiction, obsessive/compulsive disorders, or narcissistic and behavioral disorders;

3.1.2.2 Psychologist specializing in addiction, obsessive/compulsive disorders, or narcissistic and behavioral disorders; or

3.1.2.3 Substance abuse treatment counselor.

3.1.2.4 Proposing vendors must submit Curriculum Vitae for all people who will be dealing with or treating licensees.

3.1.2.5 Proposing vendors shall identify what type(s) of treatment will be provided, and will not be disqualified if only one type of service is offered. For example, a vendor may have expertise, knowledge, training,

or ability related only to substance abuse issues, and may not have experience with obsessive/compulsive or behavioral disorders. In this case, the vendor shall identify that the proposal is only for substance abuse issues. If a vendor is proposing to treat the full range of issues identified by the Board, then this must be indicated in the proposal.

3.2 **Technical Minimum Qualifications**

NOTE: It is mandatory that each component listed below in the Technical Minimum Qualifications be addressed. Failure to address each component may result in disqualification of proposal.

Vendors/agencies proposing to receive funding through this RFQ must provide a detailed description of their proposed service plan, which must include, at a minimum, the following information for each target population for which funding is requested:

- 3.2.1 Proposing vendors must demonstrate ability to accurately assess and diagnose a licensee or applicant upon presentment.
 - 3.2.1.1 An applicant might be referred to the program for assessment before licensure is granted.
 - 3.2.1.2 A licensee might be referred to the program based upon information received from coworkers, after Board discipline, in lieu of further investigation, and on self-referral (either independently or through contacts established by the licensees' attorneys).
 - 3.2.1.3 Regardless of how the applicant or licensee reaches the program, once selected, vendors will be expected to fully assess the applicant's or licensee's circumstances to render a dependable judgment upon which the Board and the applicant or licensee may rely to make decisions regarding whether the applicant or licensee can safely and professionally serve and treat patients.
- 3.2.2 Proposing vendors/agencies must demonstrate working knowledge and capability of placing licensees or applicants with appropriate treatment providers for substance abuse, alcohol abuse, personality disorders (obsessive/compulsive disorders or narcissistic personality), and other behavioral disorders.
 - 3.2.2.1 Proposing vendors shall provide a list identifying all facilities and independent treatment providers with whom vendor has worked and to whom vendor has referred patients.
 - 3.2.2.2 Proposing vendors shall include in the above list the length of time the vendor has worked with or used each treatment provider, and the number of patients referred to each.

 - 3.2.3.1 Whom they use for testing;
 - 3.2.3.2 For what period of time these services have been used;
 - 3.2.3.3 Where these service providers are located; and
 - 3.2.3.4 Whether or not vendor has negotiated a reduced rate for their participating licensees.
- 3.2.4 Proposing vendors shall describe their ability to provide individual and/or group therapy sessions for referred individuals; or, if the proposing vendor does not or cannot provide individual and/or group therapy, vendor must have working knowledge of, and relationships with, others who can provide such services.
- 3.2.5 Vendor shall describe his/her ability to monitor a referred individual's compliance with treatment agreements regardless of the number of individuals that are simultaneously enrolled in the program by detailing how many patients they have treated or monitored, over what period of time, and for which agencies.

 - 3.2.7.1 Monthly status reports on every licensee or applicant in the program as required in 3.2.6.1;
 - 3.2.7.2 Notification within 24 hours of any breach by a referred individual of his or her treatment agreement, including all positive test results from bodily fluid, or other testing for alcohol or other abusable substances;
 - 3.2.7.3 Data and statistics on an as-needed basis as requested by Board staff;
 - 3.2.7.4 An appropriate response within eight (8) working hours to a request from Board staff for oral or written information or other assistance regarding

referred individuals identified by Board staff as posing a potential threat to public or patient safety; and

3.2.7.5 All necessary releases or waivers from referred individuals so Board staff may obtain any and all documents from the program and/or treatment providers with whom the individual is or has been treating, except when the participating licensee or applicant self-refers into the program.

3.2.8 If an individual enters the program who has:

3.2.8.1 Previously been dealt or intervened with; and

3.2.8.2 Notified the program of the Board staff's action related to that individual,

the program shall immediately notify Board staff of that individual's entry into the program, and shall provide immediate notifications of any changes in the individual's treatment or status.

3.2.9 Awarded vendors will be required to appear at Board meetings and committee meetings as needed, either to meet with referred individuals who might be appearing before the Board, or to testify at a hearing regarding the course of treatment and the referred individual's failure to comply with a treatment agreement.

3.2.10 Vendors must possess the ability to work with attorneys, both for the Board and for the referred individual.

3.2.11 Vendors must possess a working knowledge of applicable patient privacy and confidentiality laws.

3.2.12 Vendors shall describe the types of individuals they have served in the past and the types of personality defects (i.e. egotistical, narcissistic, difficult, or disruptive).

3.2.13 Vendors must provide services at no cost to the Board, but shall, instead, receive fees directly from the referred individuals. Emphasis should be concentrated on conformance to the RFQ instructions, responsiveness to the RFQ requirements, and on completeness and clarity of content. Expensive bindings, colored displays, promotional materials, and unnecessarily elaborate responses beyond what is sufficient to present a complete and effective response to this RFQ are not necessary or desired and may be construed as an indication of the proposer's lack of environmental and cost consciousness. Unless specifically requested in this RFQ, elaborate artwork, corporate brochures, lengthy narratives, expensive paper, specialized binding, and other extraneous presentation materials are neither necessary nor desired.

The State of Nevada, in its continuing efforts to reduce solid waste and to further recycling efforts, requests that proposals, to the extent possible and practical:

- Be submitted on recycled paper;
 - Not include pages of unnecessary advertising; and
 - Be made on both sides of each sheet of paper.

When requesting an RFQ via e-mail, vendors should contact the Purchasing Division for assistance. In the event vendors choose to receive the RFQ on CD, the vendor will be responsible for providing a blank CD; unless vendors provide a Federal Express or other shipping account number and appropriate return materials, the CD will be returned by first class U.S. mail.
- 7.13 Vendors utilizing an electronic copy of the RFQ in order to prepare their proposal should place their written response in ***an easily distinguishable font*** immediately following the applicable question.
- 7.14 ***For purposes of addressing questions concerning this RFQ, the sole contact will be the Purchasing Division. Upon issuance of this RFQ, other employees and representatives***

of the agencies identified in the RFQ will not answer questions or otherwise discuss the contents of this RFQ with any prospective vendors or their representatives. Failure to observe this restriction may result in disqualification of any subsequent proposal NAC §333.155(3). This restriction does not preclude discussions between affected parties for the purpose of conducting business unrelated to this procurement.

- 7.15 Vendor who believes proposal requirements or specifications are unnecessarily restrictive or limit competition may submit a request for administrative review, in writing, to the Purchasing Division. To be considered, a request for review must be **received** no later than the deadline for submission of questions.

The Purchasing Division shall promptly respond in writing to each written review request, and where appropriate, issue all revisions, substitutions or clarifications through a written amendment to the RFQ.

Administrative review of technical or contractual requirements shall include the reason for the request, supported by factual information, and any proposed changes to the requirements.

- 7.16 If a vendor changes any material RFQ language, vendor's response may be deemed non-responsive. NRS §333.311.
- 7.17 Vendors are cautioned that some services may contain licensing requirement(s). Vendors shall be proactive in verification of these requirements prior to proposal submittal. Proposals, which do not contain the requisite licensure, may be deemed non-responsive. However, this does not negate any applicable Nevada Revised Statute (NRS) requirements.

8. QUALIFICATION EVALUATIONS AND AWARD PROCESS

- 8.2 The evaluation committee may also contact the references provided in response to the Section identified as Company Background and References; contact any vendor to clarify any response; contact any current users of a vendor's services; solicit information from any available source concerning any aspect of a proposal; and seek and review any other information deemed pertinent to the evaluation process. The evaluation committee shall

not be obligated to accept the lowest priced proposal, but shall make an award in the best interests of the State of Nevada NRS § 333.335(5)

- 8.3 Each vendor must include in its proposal a complete disclosure of any alleged significant prior or ongoing contract failures, contract breaches, any civil or criminal litigation or investigations pending which involves the vendor or in which the vendor has been judged guilty or liable. Failure to comply with the terms of this provision may disqualify any proposal. The State reserves the right to reject any proposal based upon the vendor's prior history with the State or with any other party, which documents, without limitation, unsatisfactory performance, adversarial or contentious demeanor, significant failure(s) to meet contract milestones or other contractual failures. See generally, NRS §333.335.
- 8.4 Clarification discussions may, at the State's sole option, be conducted with vendors who submit proposals determined to be acceptable and competitive NAC §333.165. Such revisions may be permitted after submissions and prior to award for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing vendors.
- 8.5 A Notification of Intent to Award shall be issued in accordance with NAC §333.170. Any award is contingent upon the successful negotiation of final contract terms and upon approval of the Board of Examiners, when required. The Board of Medical Examiners may select one vendor or multiple vendors who may provide some or all of the same services.

- 9.2 In accordance with Nevada Revised Statute 333.336, if a vendor submitting a proposal in response to this solicitation is a resident of another state, and with respect to contracts awarded by that state, applies to vendors who are residents of that state a preference, which is not afforded to vendors or contractors who are residents of the State of Nevada, the State of Nevada, Purchasing Division shall, insofar as is practicable, increase the out of state vendor's proposal by an amount that is substantially equivalent to the preference that the other state of which the vendor is a resident denies to vendors or contractors who are residents of the State of Nevada.
- 9.3 This procurement is being conducted in accordance with NRS chapter 333 and NAC chapter 333.

- 9.4 The State reserves the right to alter, amend, or modify any provisions of this RFQ, or to withdraw this RFQ, at any time prior to the award of a contract pursuant hereto, if it is in the best interest of the State to do so.
- 9.5 The State reserves the right to waive informalities and minor irregularities in proposals received.
- 9.6 The State reserves the right to reject any or all proposals received prior to contract award (NRS §333.350).
- 9.7 The State shall not be obligated to accept the lowest priced proposal, but will make an award in the best interests of the State of Nevada after all factors have been evaluated (NRS §333.335).
- 9.8 Any irregularities or lack of clarity in the RFQ should be brought to the Purchasing Division designee's attention as soon as possible so that corrective addenda may be furnished to prospective vendors.
- 9.9 Proposals must include any and all proposed terms and conditions, including, without limitation, written warranties, maintenance/service agreements, license agreements, lease purchase agreements and the vendor's standard contract language. The omission of these documents renders a proposal non-responsive.
- 9.10 Alterations, modifications or variations to a proposal may not be considered unless authorized by the RFQ or by addendum or amendment.
- 9.11 Proposals which appear unrealistic in the terms of technical commitments, lack of technical competence, or are indicative of failure to comprehend the complexity and risk of this contract, may be rejected.
- 9.12 Proposals from employees of the State of Nevada will be considered in as much as they do not conflict with the State Administrative Manual, NRS Chapter §281 and NRS Chapter §284.
- 9.13 Proposals may be withdrawn by written or facsimile notice received prior to the proposal opening time. Withdrawals received after the proposal opening time will not be considered except as authorized by NRS §333.350(3).
- 9.14 The price and amount of this proposal must have been arrived at independently and without consultation, communication, agreement or disclosure with or to any other contractor, vendor or prospective vendor. Collaboration among competing vendors about potential proposals submitted pursuant to this RFQ is prohibited and may disqualify the vendor.
- 9.15 No attempt may be made at any time to induce any firm or person to refrain from submitting a proposal or to submit any intentionally high or noncompetitive proposal. All proposals must be made in good faith and without collusion.
- 9.16 Prices offered to participating licensees by vendors in their proposals are an irrevocable offer for the term of the contract and any contract extensions. Awarded vendors agree to provide the purchased services at the costs, rates and fees as set forth in their proposal in

response to this RFQ. No other costs, rates or fees shall be payable to the awarded vendor for implementation of their proposal.

- 9.17 The State is not liable for any costs incurred by vendors prior to entering into a formal contract. Costs of developing the proposal or any other such expenses incurred by the vendor in responding to the RFQ, are entirely the responsibility of the vendor, and shall not be reimbursed in any manner by the State.
- 9.18 All proposals submitted become the property of the State, selection or rejection does not affect this right; proposals will be returned only at the State's option and at the vendor's request and expense. The master technical proposal, the master cost proposal and Confidential Information of each response shall be retained for official files. Only the master technical and master cost will become public record after the award of a contract. The failure to separately package and clearly mark Part III – which contains Confidential Information, Trade Secrets and/or Proprietary Information, shall constitute a complete waiver of any and all claims for damages caused by release of the information by the State.
- 9.19 A proposal submitted in response to this RFQ must identify any subcontractors, and outline the contractual relationship between the awarded vendor and each subcontractor. An official of each proposed subcontractor must sign, and include as part of the qualifications submitted in response to this RFQ, a statement to the effect that the subcontractor has read and will agree to abide by the awarded vendor's obligations.
- 9.20 The awarded vendor will be the sole point of contract responsibility. The State will look solely to the awarded vendor for the performance of all contractual obligations which may result from an award based on this RFQ, and the awarded vendor shall not be relieved for the non-performance of any or all subcontractors.
- 9.21 The awarded vendor must maintain, for the duration of its contract, insurance coverages as set forth in the Insurance Schedule of the contract form appended to this RFQ. Work on the contract shall not begin until after the awarded vendor has submitted acceptable evidence of the required insurance coverages. Failure to maintain any required insurance coverage or acceptable alternative method of insurance will be deemed a breach of contract.

Notwithstanding any other requirement of this section, the State reserves the right to consider reasonable alternative methods of insuring the contract in lieu of the insurance policies required by the below-stated Insurance Schedule. It will be the awarded vendor's responsibility to recommend to the State alternative methods of insuring the contract. Any alternatives proposed by a vendor should be accompanied by a detailed explanation regarding the vendor's inability to obtain insurance coverage as described below. The State shall be the sole and final judge as to the adequacy of any substitute form of insurance coverage.

- 9.22 Each vendor must disclose any existing or potential conflict of interest relative to the performance of the contractual services resulting from this RFQ. Any such relationship that might be perceived or represented as a conflict should be disclosed. By submitting qualifications in response to this RFQ, vendors affirm that they have not given, nor intend to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or

- representative of same, in connection with this procurement. Any attempt to intentionally or unintentionally conceal or obfuscate a conflict of interest will automatically result in the disqualification of a vendor's proposal. An award will not be made where a conflict of interest exists. The State will determine whether a conflict of interest exists and whether it may reflect negatively on the State's selection of a vendor. The State reserves the right to disqualify any vendor on the grounds of actual or apparent conflict of interest.
- 9.23 The State will not be liable for Federal, State, or Local excise taxes NRS §372.325.

- 9.25 The State reserves the right to negotiate final contract terms with any vendor selected NAC §333.170. In the event of any conflict or contradiction between or among these documents, the documents shall control in the following order of precedence: the final executed contract, the RFQ, any modifications and clarifications to the awarded vendor's proposal, and the awarded vendor's proposal. Specific exceptions to this general rule may be noted in the final executed contract.
- 9.26 Vendor understands and acknowledges that the representations above are material and important, and will be relied on by the State in evaluation of the proposal. Any vendor misrepresentation shall be treated as fraudulent concealment from the State of the true facts relating to the proposal.
- 9.27 No announcement concerning the award of a contract as a result of this RFQ can be made without the prior written approval of the State.

CONTRACT FOR SERVICES OF INDEPENDENT CONTRACTORA Contract Between the State of Nevada
Acting By and Through Its

(NAME, ADDRESS, PHONE AND FACSIMILE NUMBER OF CONTRACTING AGENCY)

and

(NAME, CONTACT PERSON, ADDRESS, PHONE, FACSIMILE NUMBER OF INDEPENDENT CONTRACTOR)

WHEREAS, NRS 284.173 authorizes elective officers, heads of departments, boards, commissions or institutions to engage, subject to the approval of the Board of Examiners, services of persons as independent contractors; and

WHEREAS, it is deemed that the service of Contractor is both necessary and in the best interests of the State of Nevada;

NOW, THEREFORE, in consideration of the aforesaid premises, the parties mutually agree as follows:

1. **REQUIRED APPROVAL.** This Contract shall not become effective until and unless approved by the Nevada State Board of Examiners.

2. **DEFINITIONS.** "State" means the State of Nevada and any state agency identified herein, its officers, employees and immune contractors as defined in NRS 41.0307. "Independent Contractor" means a person or entity that performs services and/or provides goods for the State under the terms and conditions set forth in this Contract. "Fiscal Year" is defined as the period beginning July 1 and ending June 30 of the following year.

3. **CONTRACT TERM.** This Contract shall be effective from _____ subject to Board of Examiners' approval (anticipated to be _____) to _____, unless sooner terminated by either party as specified in paragraph ten (10).

4. **NOTICE.** Unless otherwise specified, termination shall not be effective until ____ calendar days after a party has served written notice of default, or without cause upon the other party. All notices or other communications required or permitted to be given under this Contract shall be in writing and shall be deemed to have been duly given if delivered personally in hand, by telephonic facsimile with simultaneous regular mail, or mailed certified mail, return receipt requested, postage prepaid on the date posted, and addressed to the other party at the address specified above.

5. **INCORPORATED DOCUMENTS.** The parties agree that the scope of work shall be specifically described. This Contract incorporates the following attachments in descending order of constructive precedence:

ATTACHMENT AA: STATE SOLICITATION OR RFQ # _____ and AMENDMENT(S) # _____;

ATTACHMENT BB: INSURANCE SCHEDULE; AND

ATTACHMENT CC: CONTRACTOR'S RESPONSE

A Contractor's Attachment shall not contradict or supersede any State specifications, terms or conditions without written evidence of mutual assent to such change appearing in this Contract.

6. **CONSIDERATION.** The parties agree that Contractor will provide the services specified in paragraph five (5) at a cost of \$ _____ per _____ (state the exact cost or hourly, daily, or weekly rate exclusive of travel or per diem expenses) with the total Contract or installments payable: _____, not to exceed \$ _____. The State does not agree to reimburse Contractor for expenses unless otherwise specified in the incorporated attachments. Any intervening end to a biennial appropriation period shall be deemed an automatic renewal (not changing the overall Contract term) or a termination as the results of legislative appropriation may require.

7. **ASSENT.** The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.

8. TIMELINESS OF BILLING SUBMISSION. The parties agree that timeliness of billing is of the essence to the contract and recognize that the State is on a fiscal year. All billings for dates of service prior to July 1 must be submitted to the State no later than the first Friday in August of the same year. A billing submitted after the first Friday in August, which forces the State to process the billing as a stale claim pursuant to NRS 353.097, will subject the Contractor to an administrative fee not to exceed one hundred dollars (\$100.00). The parties hereby agree this is a reasonable estimate of the additional costs to the State of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to the Contractor.

9. INSPECTION & AUDIT.

a. Books and Records. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

b. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by the State Auditor, the relevant state agency or its contracted examiners, the Department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the State Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this paragraph.

c. Period of Retention. All books, records, reports, and statements relevant to this Contract must be retained a minimum three (3) years, and for five (5) years if any federal funds are used pursuant to the Contract. The retention period runs from the date of payment for the relevant goods or services by the State, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

10. CONTRACT TERMINATION.

a. Termination Without Cause. Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties, or unilaterally by either party without cause.

b. State Termination for Non-appropriation. The continuation of this Contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the State Legislature and/or federal sources. The State may terminate this Contract, and Contractor waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the Contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.

c. Cause Termination for Default or Breach. A default or breach may be declared with or without termination. This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

i. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or

ii. If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

iii. If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

iv. If the State materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or

v. If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

vi. If it is found by the State that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.

d. Time to Correct. Termination upon a declared default or breach may be exercised only after service of formal written notice as specified in paragraph four (4), and the subsequent failure of the defaulting party within fifteen (15) calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.

- e. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this paragraph survive termination:
- i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
 - ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the Contracting Agency;
 - iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the Contracting Agency;
 - iv. Contractor shall preserve, protect and promptly deliver into State possession all proprietary information in accordance with paragraph twenty-one (21).

11. REMEDIES. Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation one hundred and twenty-five dollars (\$125.00) per hour for State-employed attorneys. The State may set off consideration against any unpaid obligation of Contractor to any State agency in accordance with NRS 353C.190.

12. LIMITED LIABILITY. The State will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any State breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach shall not exceed one hundred and fifty percent (150%) of the contract maximum "not to exceed" value. Contractor's tort liability shall not be limited.

13. FORCE MAJEURE. Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.

14. INDEMNIFICATION. To the fullest extent permitted by law Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, the State from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.

15. INDEPENDENT CONTRACTOR. Contractor is associated with the State only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted services pursuant to this Contract, Contractor is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for the State whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor or any other party. Contractor shall be solely responsible for, and the State shall have no obligation with respect to: (1) withholding of income taxes, FICA or any other taxes or fees; (2) industrial insurance coverage; (3) participation in any group insurance plans available to employees of the State; (4) participation or contributions by either Contractor or the State to the Public Employees Retirement System; (5) accumulation of vacation leave or sick leave; or (6) unemployment compensation coverage provided by the State. Contractor shall indemnify and hold State harmless from, and defend State against, any and all losses, damages, claims, costs, penalties, liabilities, and expenses arising or incurred because of, incident to, or otherwise with respect to any such taxes or fees. Neither Contractor nor its employees, agents, nor representatives shall be considered employees, agents, or representatives of the State. The State and Contractor shall evaluate the nature of services and the term of the Contract negotiated in order to determine "independent contractor" status, and shall monitor the work relationship throughout the term of the Contract to ensure that the independent contractor relationship remains as such. To assist in determining the appropriate status (employee or independent contractor), Contractor represents as follows:

Policies shall meet the terms and conditions as specified within this Contract along with the additional limits and provisions as described in Attachment BB, incorporated hereto by attachment. The State shall have no liability except as specifically provided in the Contract.

The Contractor shall not commence work before:

Unless specifically stated herein or otherwise agreed to by the State, the required insurance shall be in effect prior to the commencement of work by the Contractor and shall continue in force as appropriate until:

Any insurance or self-insurance available to the State shall be in excess of, and non-contributing with, any insurance required from Contractor. Until such time as the insurance is no longer required by the State, Contractor shall provide the State with renewal or replacement evidence of insurance no less than thirty (30) days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the State and immediately replace such insurance or bond with an insurer meeting the requirements.

General Requirements:

- a. **Additional Insured:** By endorsement to the general liability insurance policy evidenced by Contractor, the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307 shall be named as additional insureds for all liability arising from the Contract.
- b. **Waiver of Subrogation:** Each insurance policy shall provide for a waiver of subrogation against the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307 for losses arising from work/materials/equipment performed or provided by or on behalf of the Contractor.
- c. **Cross-Liability:** All required liability policies shall provide cross-liability coverage as would be achieved under the standard ISO separation of insureds clause.
- d. **Deductibles and Self-Insured Retentions:** Insurance maintained by Contractor shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by the State. Such approval

shall not relieve Contractor from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall not exceed fifty thousand dollars (\$50,000.00) per occurrence, unless otherwise approved by the Risk Management Division.

- e. Policy Cancellation: Except for ten (10) days notice for non-payment of premium, each insurance policy shall be endorsed to state that without thirty (30) days prior written notice to the State of Nevada, c/o Contracting Agency, the policy shall not be canceled, non-renewed or coverage and /or limits reduced or materially altered, and shall provide that notices required by this paragraph shall be sent by certified mailed to the address shown on page one (1) of this contract:

The certificate should be signed by a person authorized insurer to bind coverage on its behalf. The state project/contract number; description and contract effective dates shall be noted on the certificate, and upon renewal of the policies listed Contractor shall furnish the State with replacement certificates as described within Insurance Coverage, section noted above.

Mail all required insurance documents to the State Contracting Agency identified on page one of the contract.

- 2) Additional Insured Endorsement: An Additional Insured Endorsement (CG 20 10 11 85 or CG 20 26 11 85) , signed by an authorized insurance company representative, must be submitted to the State to evidence the endorsement of the State as an additional insured per General Requirements, subsection a above.

Review and Approval: Documents specified above must be submitted for review and approval by the State prior to the commencement of work by Contractor. Neither approval by the State nor failure to disapprove the insurance furnished by Contractor shall relieve Contractor of Contractor's full responsibility to provide the insurance required by this Contract. Compliance with the insurance requirements of this Contract shall not limit the liability of Contractor or its sub-contractors, employees or agents to the State or others, and shall be in addition to and not in lieu of any other remedy available to the State under this Contract or otherwise. The State reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

17. COMPLIANCE WITH LEGAL OBLIGATIONS. Contractor shall procure and maintain for the duration of this Contract any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract. 18. WAIVER OF BREACH. Failure to declare a breach or the actual waiver of any particular breach of the Contract or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.

19. SEVERABILITY. If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

20. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by State, such offending portion of the assignment shall be void, and shall be a breach of this Contract. Contractor shall neither assign, transfer nor delegate any rights, obligations nor duties under this Contract without the prior written consent of the State.

21. STATE OWNERSHIP OF PROPRIETARY INFORMATION. Any reports, histories, studies, tests, manuals, instructions, photographs, negatives, blue prints, plans, maps, data, system designs, computer code (which is intended to be consideration under the Contract), or any other documents or drawings, prepared or in the course of preparation by Contractor (or its subcontractors) in performance of its obligations under this Contract shall be the exclusive property of the State and all such materials shall be delivered into State possession by Contractor upon completion, termination, or cancellation of this Contract. 22. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The State has a legal obligation to disclose such information unless a particular record is made confidential by law or a common law balancing of interests. Contractor may label specific parts of an individual document as a "trade secret" or "confidential" in accordance with NRS 333.333, provided that Contractor thereby agrees to indemnify and defend the State for honoring such a designation. The failure to so label any document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

23. CONFIDENTIALITY. Contractor shall keep confidential all information, in whatever form, produced, prepared, observed or received by Contractor to the extent that such information is confidential by law or otherwise required by this Contract.

- a. Any federal, state, county or local agency, legislature, commission, counsel or board;
- b. Any federal, state, county or local legislator, commission member, counsel member, board member, or other elected official; or
