

**CITY OF COLORADO SPRINGS
REQUEST FOR INFORMATION (RFI)**

PROJECT:

**R10-074CD RFI FOR RIGHT- OF- WAY PERMITTING
SYSTEM**

DEPT:

Colorado Springs Department of Information Technology

DESCRIPTION:

The City of Colorado Springs is seeking information from firms interested in providing a Commercial Off-The-Shelf (COTS) Right-Of-Way (ROW) Permitting System. As an initial phase to the procurement, the City of Colorado Springs is issuing this Request for Information (RFI) to seek information from firms that are in a position to identify potential solutions and are capable of delivering and installing a software solution, providing training, as well as providing ongoing technical support as part of maintenance agreement.

DUE DATE:

Thursday July 22, 2010, 3:00 pm
