

NOTICE TO CONTRACTORS
REQUEST FOR PROPOSALS

The Nevada Department of Transportation is soliciting proposals for a qualified Contractor to perform the Reconfiguration of the Nevada Shared Radio System's 800 MHz Radio System, Statewide.

Firms not currently prequalified (or desiring to prequalify) in the 800 MHz Radio System Support discipline will first be reviewed to determine prequalification status. Any proposals submitted that do not meet the prequalification requirements will be returned to the Consultant without further review.

The Request for Proposal may be obtained and examined at the Nevada Department of Transportation, Agreement Services, Room 101, 1263 South Stewart Street, Carson City, Nevada 89712, (775) 888-7070. Contact with NDOT personnel, other than Agreement Services, regarding these services will not be allowed during the advertisement period of this request for proposal. Any questions raised by Contractors must be in writing to Agreement Services, at 1263 South Stewart Street, Room 101, Carson City, Nevada 89712 or faxed to (775) 888-7101 and received by 5:00 p.m., on June 1, 2006. Written responses will be distributed by the NDOT on or before June 8, 2006.

All proposals will be accepted until 5:00 p.m. on June 14, 2006 at the Nevada Department of Transportation, Agreement Services, Room 101, 1263 South Stewart Street, Carson City, Nevada 89712. The right is reserved to reject any or all proposals or to accept the proposal best suited for the interests of the State of Nevada.
