Added: Jul 01, 2011 3:14 pm

The National Park Service (NPS), is soliciting bids from firms having the capability to perform the work described below. This solicitation will be issued electronically on the Department of Interior's National Business Center (NBC) website at <http://ideasec.nbc.gov>. Paper copies of this solicitation will not be made available. Prospective bidders desiring to conduct business with the NPS are requested to register at the National Business Center. All responsible sources may submit a response, which if timely received, the government will consider. Bidders wishing to receive electronic notification of changes will need to register to receive notification of this specific solicitation at <http://ideasec.nbc.gov>. This service is provided for convenience only and does not serve as a guarantee of notification. Subscribers to this service are ultimately responsible for reviewing the <http://ideasec.nbc.gov> site for all information relevant to this solicitation. No other notifications will be sent. The Request for Proposal (RFP) will result in the selection of the contractor whose offer provides the Government with the best value. The Government will identify the evaluation factors other than cost or price that are critical to this procurement if applicable. Interested bidders will be required to submit their responses to the RFP by the due date established therein.

Location: Jefferson National Expansion Memorial, 209 Walnut St, Saint Louis, MO 63102-2499 Issue Date:

Monday July 18, 2011 Closing Date: 1:00 PM local time August 18, 2011 Site Visit: A site visit is scheduled for

Thursday July 21 at 10:00 a.m. local time. It is mandatory that prospective bidders conduct a site visit to inspect

the work site prior to bidding. Solicitation Number: P11PS61850 Title of Project: Replace Sidewalks at Old

Cathedral Description: Remove ~350 SY of existing 8' wide exposed aggregate concrete sections on the interior

park grounds and place ~500 SY of new exposed aggregate concrete in 12' wide sections in accordance with the

Plans and Specifications provided. Included in this scope is minor excavation, grading, and compaction of

subgrade material, placement of a new subbase drainage layer, tree removal, and lighting relocation. Type of

Procurement: A firm fixed price contract will be awarded as a result of this solicitation. Time for Completion: Project

must be completed within 60 calendar days of the issuance of a Notice to Proceed. Set-Aside(s): This requirement

is set-aside for Small Business Enterprises.
