PROJECT DESCRIPTION

Los Angeles Zoo and Botanical Gardens Pachyderm Forest Exhibit – Phase III Work Order No. E170091F

Work Description

The scope of this project consists of expanding the existing elephant exhibit, which includes demolishing the existing elephant exhibit as well as constructing a new elephant barn and viewing structures with interpretive graphics; installing an elevator; and adding more yard space with themed landscaped surfaces, including specialized work such as animal caging, shotcrete, rock work, ponds, and waterfalls

Contractor's License Classification

At the time of award, the contractor must possess a valid State of California Contractor's License Classification of "A", or "B", or a combination of "C" licenses within the field and scope of a majority of the work.

Bid Package

The bid package is available at the following address:

Bureau of Engineering
1149 S. Broadway, Suite B-30
Los Angeles, CA 90015
