

25288 SUNY Delhi**Child Care Center**

SUCF is seeking Statements of Qualifications from consultants to provide design and construction administration services for a new building for the Child Care Center at the State University College of Technology at Delhi. The building will house spaces for rooms and facilities for infants, toddlers, preschool and school age children, offices, kitchen and other program support and related building functions as defined in the project scope. Services include designing for a USGBC LEED New Construction Silver certification, exploring innovative applications of technology that will help conserve the earth's resources. Interested consultant teams should submit similar projects or explain how they would prepare themselves for this project. The consultant team will be required to incorporate and provide financially feasible, technologically and operationally sound strategies for renewable energy source(s) and be capable of satisfying the water, heat and power needed to operate the Child Care Center; explore means to conserve energy, water and other resources, explore reducing consumption of resources; optimize waste management and recycling; and enhance the esthetic quality of the indoor and outdoor environment. Submissions should emphasize the design team's significant past experience in precise communication, creativity, design of similar buildings, familiarity with New York State licensing regulations and NAEYC accreditation requirements, in constructing such design projects for public institutions and in managing such projects for public and institutional clients in an expeditious manner. Construction documents should be ready for bidding by September 2010. Statements of Qualifications must be submitted in the format prescribed by the Fund. If your firm would like to be considered for this project, you must email Dotty Barger (dotty.barger@suny.edu) to request the required SOQ format. Effective 1/1/06, in accordance with State Finance Law Section 139-j, all non-technical inquiries regarding this procurement must be made to Dotty Barger (518) 689-2577 or Joanne Fazioli (518) 689-2577; or for MWBE issues, Lois McLaughlin (518) 689-2581. Contact made to other staff regarding this procurement may disqualify the firm and affect future procurements with government entities in the State of New York. Please refer to the Fund's website (www.sucf.suny.edu/business/ppolicy.htm) or OGS' (www.ogs.state.ny.us/aboutogs/regulations/defaultAdvisoryCouncil.html) for more information on this law. Interested firms must include in their submittal the following forms obtained from our website (www.sucf.suny.edu/design/desfrm.shtml): Offerer Certification of Compliance, Offerer Disclosure of Prior Non-Responsibility Determinations AND Offerer Affirmation of Understanding.
