Each proposer shall submit its proposal(s) in the number, form, and manner, and by the date and time and at the location required in the section, **Introduction and Background** above.

- i. Each Proposer shall provide all information requested in this Request for Proposal. The proposer must organize its proposal package to address each of the elements in this RFP in the order listed in Proposal Contents Section. The proposer should carefully read all instructions and requirements and furnish all information requested. If a Proposal does not comply with all terms, conditions, and requirements for submittal, the City may consider it unacceptable and may reject it without further consideration.
- ii. The City wishes to promote the greatest feasible use of recycled and environmentally sustainable products and to minimize waste in its operations. To that end, all proposals should comply with the following guidelines: Unless absolutely necessary, copies should minimize or eliminate use of non-recyclable or non re-usable materials. Materials should be in a format permitting easy removal and recycling of paper. A proposer should, to the extent possible, use products consisting of or containing recycled content in its

- iii. **Proposal as a Public Record.**

Under the laws of the State of Ohio, all parts of a proposal, other than trade secret or proprietary information and the fee proposal, may be considered a public record which, if properly requested, the City must make available to the requester for inspection and copying. Therefore, to protect trade secret or proprietary information, the Proposer should clearly mark each page - but only that page - of its proposal that contains that information. The City will notify the proposer if such information in its proposal is requested, but cannot, however, guarantee the confidentiality of any proprietary or otherwise sensitive information in or with the proposal. Blanket marking of the entire proposal as

“proprietary” or “trade secret” will not protect an entire proposal and is not acceptable.

Failure to Comply. When determining the contractor’s future eligibility for a City contract, the City shall consider a contractor’s failure to comply with the representations of its proposal and the requirements under the *Code* as a failure to faithfully perform a contract.

- a. Under the *Cleveland Area Business Code*, the City of Cleveland is firmly committed to assisting Minority Business Enterprises (MBEs), Female Business Enterprises (FBEs), and Cleveland- area small businesses (CSBs) by providing and enhancing economic opportunities to participate in City contracts. The successful proposer for a contract will be a firm that shares that commitment. Accordingly, a proposer

is strongly encouraged to utilize the services of qualified MBE/FBE/CSB sub-consultants that are certified by the Mayor's Office of Equal Opportunity (the "OEO") in its proposal.

The Proposer shall submit the completed forms with its proposal and they will be forwarded to the City's Office of Equal Opportunity for evaluation. Failure to submit complete schedules may result in the rejection of a proposal

Proposers may obtain a listing of firms certified by the OEO as CSBs, MBEs and FBEs by checking the City's website at <http://www.city.cleveland.oh.us>. On the home page, select "Office of Equal Opportunity" from the drop-down menu of City departments. On the Office of Equal Opportunity page, you will find a selection in the left-hand column for "CSB/MBE/FBE Registry".

Proposers are responsible for obtaining the most current list and for contacting potential CSB/MBE/FBE sub-consultants. The City assumes no responsibility for matching prime consultants with qualified, certified MBE, FBE, and/or CSB sub-consultants.

The City Office of Equal Opportunity will monitor participation of MBE, FBE, and/or CSB sub-consultants throughout the duration of the engagement or project. The successful proposer, as contractor, will be responsible for

providing the OEO with all information necessary to facilitate this monitoring.

The *Cleveland Area Business Code*, any *Regulations* promulgated under the *Code*, and the *OEO Notice to Bidders & Schedules* are, by this reference, incorporated in and made part of this solicitation and any resulting contract as fully as if written in it or attached.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and

- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules regarding partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

2. The United States or any of its agencies or instrumentalities,

3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or

5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

7. A foreign central bank of issue,

8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,

9. A futures commission merchant registered with the Commodity Futures Trading Commission,

10. A real estate investment trust,

11. An entity registered at all times during the tax year under the Investment Company Act of 1940,

12. A common trust fund operated by a bank under section 584(a),

13. A financial institution,

14. A middleman known in the investment community as a nominee or custodian, or

15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt recipients 1 through 7 ²

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.socialsecurity.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

3. Required OEO Schedules:

The following documents must be completed, signed and submitted as part of the Contractor's bid or proposal for any City of Cleveland contract over \$10,000.

Schedule 1: PROJECT CONTACT INFORMATION FORM

Each Bidder or Proposer must complete, sign and submit Schedule 1, the PROJECT CONTACT INFORMATION FORM. Schedule 1 provides the Office of Equal Opportunity with the necessary contact information to conduct its monitoring responsibilities.

Schedule 2: SCHEDULE OF SUBCONTRACTOR PARTICIPATION

Each Bidder or Proposer must complete, sign and submit Schedule 2, the SCHEDULE OF SUBCONTRACTOR PARTICIPATION. List all prospective subcontractors, including all CSB, MBE, and/or FBE subcontractors, that will participate on the contract. **Be sure to use the full legal name of each subcontractor.** Also include the contract specification item number(s) on which the subcontractor will participate (Part 1), the work or supplies/materials the subcontractor will provide (Part 2), and the total dollar amount of the subcontract (Part 3). The total dollar amount in Part 3 must be an actual dollar amount, and may not be a range of values or a percentage of the contract.

Schedule 3: STATEMENT OF INTENT TO PERFORM AS A SUBCONTRACTOR

Each prospective subcontractor must complete, sign and submit Schedule 3, the STATEMENT OF INTENT TO PERFORM AS A SUBCONTRACTOR. Parts 1 through 3 on each Schedule 3 must correspond with Parts 1 through 4 on Schedule 2 for the appropriate subcontractor. No CSB, MBE, or FBE participation credit will be considered for any subcontractor listed on Schedule 2 that does not have a corresponding, accurate Schedule 3. Schedule 3 should be completed by the subcontractor, returned to the Bidder or Proposer, and submitted as part of the bid or proposal.

Schedule 4: CSB/MBE/FBE UNAVAILABILITY/IMPRACTICALITY CERTIFICATION

Each Bidder or Proposer must make a good faith effort to achieve the CSB, MBE, and/or FBE subcontracting goals that are established in the bid documents. These subcontracting goals are not quotas, and no bid will be disqualified simply because the Bidder or Proposer fails to meet the goals. If a Bidder or Proposer does not meet the CSB, MBE and/or FBE subcontracting goals, the Bidder or Proposer **must provide an explanation for the failure to meet the goals in Schedule 4**, the Subcontractor Unavailability/Impacticality Certification.

Schedule 4 allows Bidders and Proposers to demonstrate their good faith efforts in finding and soliciting CSBs, MBEs and FBEs to work on City of Cleveland contracts. Failure to complete this schedule fully and completely may impact the evaluation of the bid or proposal.

Failure to submit and accurately complete each OEO Schedule 1-4 may result in the rejection of all or part of the bid or proposal. If a Schedule is not applicable, the Bidder or Proposer should indicate "NA" on the schedule, and **still must sign and submit** the Schedule. Submission of incomplete, inaccurate, or inconsistent data in the Schedules may lead to a formal investigation, decertification of the Bidder or Proposer, decertification of the subcontractor, and a rejection of all or part of the bid. The City of Cleveland reserves the right to waive any informality or immaterial irregularity, and reserves the right to reject any or all bids.

4. Equal Employment Certification:

No Contractor shall discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status. Contractors shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status. As used in this chapter, "treated" means and includes without limitation the following: recruited whether by

advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for training, including apprenticeship, promoted, upgraded, demoted, transferred, laid off and terminated. Contractors shall post in conspicuous places available to employees and applicants for employment, notices to be provided by the hiring representative of contractors setting forth the provisions of this nondiscrimination clause.

Within 60 days after entering into a Contract, each Contractor shall file a written affirmative action program containing standards and procedures ensuring that the contractor affords all qualified employees and applicants for employment equal opportunities in the contractor's recruitment, selection, and advancement processes.

Each contractor's affirmative action program shall contain the following components:

- (1) A diagnostic component that includes quantitative analyses comparing the composition of the Contractor's workforce to the composition of the Cleveland Contracting Market employment pool according to the most current census data available, grouped by EEO occupations.
- (2) Each affirmative action program shall contain placement goals as follows:
 - (i) For each non-construction contract, placement goals equal to the availability percentage for women or minorities where the percentage of women or minorities employed by the contractor in a particular job group is less than would reasonably be expected given their percentage availabilities in the corresponding Cleveland Contracting Market employment pool. Placement goals are objective targets reasonably attainable by applying a good-faith effort to implement all aspects of the affirmative action program; they are not inflexible quotas. Placement goals do not authorize or require a Contractor to grant a preference to any individual or adversely affect an individual's employment status for an unlawful discriminatory reason.
 - (ii) For each construction contract, establish placement goals for minorities and women for each trade involved in the performance of the contract equal to the goals established by the Director. Placement goals are objective targets reasonably attainable by applying a good-faith effort to implement all aspects of the affirmative action program; they are not inflexible quotas. Placement goals do not authorize or require a contractor to grant a preference to any individual or adversely affect an individual's employment status for an unlawful discriminatory reason.
- (3) Identification of problem areas through analysis of the contractor's employment process to determine if it affords or incorporates, or contains impediments to, equal employment opportunities.
- (4) Action-oriented programs consisting of practical steps the contractor will implement to address any identified problem areas or the underutilization of women or minorities in relation to their availability in the relevant labor pool.
- (5) Internal auditing and reporting systems that monitor and examine the impact the contractor's employment decisions and compensation systems have on women and minorities and their progress toward achieving a workforce that would be expected in the absence of discrimination.
- (6) Policies, practices, and procedures that the contractor will implement to ensure that all qualified applicants and employees enjoy equal opportunity in recruitment, selection, advancement, and every other term and privilege associated with employment.
- (7) Any additional requirements the Administrator may require through the Regulations or on a case-by-case review of a contractor's proposed affirmative action program.

If, 60 days after entering into a Contract, a contractor has not filed an affirmative action program, has deviated substantially from an approved affirmative action program, or has discriminated against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status, the Office of Equal Opportunity may take immediate enforcement action.

5. CSB Certification:

Each Bidder, Proposer or subcontractor representing itself as a Cleveland Area Small Business (CSB) within the OEO Schedules must be certified with the Office of Equal Opportunity as a CSB prior to the bid opening. Certification applications are available through the Office of Equal Opportunity, and at <http://www.city.cleveland.oh.us/government/departments/o eo/oeoind.html>.

There are two classifications of CSBs:

A City of Cleveland Small Business (CCSB) is a CSB located within the City of Cleveland.

A Regional Cleveland Small Business (RCSB) is a CSB located within Cuyahoga County, but not within the City itself.

A business is eligible for certification as a Cleveland Area Small Business (CSB) if it meets the following criteria:

- (1) It is a Small Business Enterprise;
- (2) It has its principal office located physically in the Cleveland Contracting Market; and
- (3) Its chief executive officer and highest level managers maintain their offices and perform their managerial functions in the Cleveland Contracting Market.

A business qualifies as a Small Business Enterprise if it meets size requirements of the US Small Business Administration, which are as follows:

- 500 employees for manufacturing industries
- 100 employees for wholesale trade industries
- \$6 million for retail and service industries
- \$28.5 million for most general and heavy construction industries
- \$12 million for special trade contractors
- \$0.75 million for agriculture industries
- \$4 million for architectural/engineering firms
- \$6 million for law firms and consultants

6. CSB Contract Participation

In an effort to promote the participation of Cleveland-area Small Businesses (CSBs) in City contracts, each Contracting Department of the City will use its best efforts to contract with CSB Bidders and Proposers, and Bidders and Proposers that have committed to subcontracting with certified CSBs.

The CSB subcontractor participation goals are:

Construction Contracts:	30% CSB Subcontractor Participation
Professional Services Contracts:	10% CSB Subcontractor Participation
All Other Contracts:	20% CSB Subcontractor Participation

The Contracting Departments may, in consultation with the Director, increase or decrease these participation goals for a particular contract. When the goals are changed, the change will be noted in the bid or proposal documents.

Each Bidder or Proposer is expected to make a good faith effort to subcontract with certified CSBs in accord with the goals prescribed above. If the goals are not met, the Bidder or Proposer must demonstrate its good faith effort to meet the goals on Schedule 4, the Subcontractor Unavailability/Impracticality Certification. The CSB participation goals are goals, not mandates, but the good faith effort to meet the CSB goals will be considered in awarding the contract.

7. MBE/FBE Certification:

Each Bidder, Proposer or subcontractor representing itself as a Minority Business Enterprise (MBE) or Female Business Enterprise (FBE) within the OEO Schedules must be certified with the Office of Equal Opportunity as an MBE and/or FBE prior to the bid opening.

A business is eligible for certification as a Minority Business Enterprise (MBE) if:

- (1) The Business Enterprise is owned, operated and controlled by one or more Minority Persons who have at least 51% ownership;
- (2) The Minority Persons who own the Business Enterprise have operational and managerial control, interest in capital, and earnings commensurate with the percentage of ownership; and
- (3) The Business Enterprise is located and doing business in the Cleveland Contracting Market.

A business is eligible for certification as a Female Business Enterprise (FBE) if:

- (1) The Business Enterprise is owned, operated and controlled by one or more Females who have at least 51% ownership;
- (2) The Female owners have operational and managerial control, interest in capital, and earnings commensurate with the percentage of ownership; and
- (3) The Business Enterprise is located and doing business in the Cleveland Contracting Market.

8. MBE and FBE Contract Participation

The City of Cleveland is firmly committed to assisting Minority Business Enterprises (MBEs) and Female Business Enterprises (FBEs) through its contracting activities, and the City intends to Contract with firms that shares that commitment. Under this policy, each Contracting Department will use its best efforts to promote the participation of MBEs and FBEs as both prime contractors and subcontractors in all City Contracts. In turn, Bidders and Proposers shall make every effort to use MBEs and FBEs as subcontractors where available and practical.

Some City contracts will have specific MBE and/or FBE subcontractor participation goals. **These goals will be expressly stated in the Invitation to Bid (ITB) or Request for Proposal (RFP) in each contract where the goals are applicable.** When specific MBE and/or FBE goals are set forth in the ITB or RFP, the Bidder or Proposer must make a good faith effort to meet them. If the goals are not met, the Bidder or Proposer must demonstrate its good faith efforts in Schedule 4, the Subcontractor Unavailability/Impracticality Certification. Specific MBE and/or FBE participation goals are goals, not mandates, but the City will consider the contractor's good faith effort to meet the MBE and/or FBE goals in approving a contract.

Only those Certified MBEs and/or FBEs that have been designated as eligible to provide participation credit by the Office of Equal Opportunity for a particular type of contract will be counted towards meeting a Bidder

or Proposer's MBE and/or FBE Subcontractor participation goal. The Office of Equal Opportunity establishes eligibility for participation credit where the City has developed or obtained a legally sufficient basis in evidence to demonstrate past or present discrimination. The CSB/MBE/FBE Registry identifies which MBEs and FBEs are eligible for subcontractor participation credit. In some circumstances, the participation credit MBE and/or FBE subcontractors will be limited to those MBEs and FBEs that are identified on this list. Bidders or Proposers should carefully examine the ITB or RFP to determine the appropriate subcontracting goals, and the eligible MBE and FBEs.

If an MBE or FBE plans to re-subcontract any of its work, it must indicate that on Schedule 3, the Statement of Intent to Perform as a Subcontractor. Any work re-subcontracted to a non-MBE/non-FBE will reduce the Bidder or Proposer's participation credit to the extent of the re-subcontracting.

9. CSB Participation Goals When MBE/FBE Goals Are in Effect:

When there are specific MBE and/or FBE goals on a City contract, those goals will be considered in lieu of an equivalent portion of the CSB goals for the contract.

For example, public improvement contracts have a standard 30% CSB subcontractor participation goal. If, however, a public improvement contract also has a goal of 20% MBE subcontractor participation, the CSB goal for the contract will be reduced by an equal amount, going down from 30% to 10%.

Standard CSB Goal	30%
MBE/FBE Goal	- 20%
New CSB Goal	10%

In this example, the final subcontracting goals would be 20% MBE/FBE subcontractor participation, and 10% CSB subcontractor participation, equaling the standard 30% overall subcontractor participation goal for public improvement contracts.

10. MBE/FBE Bid Discounts:

Contracting Departments may apply a Bid Discount of five percent (5%) for bids received from certified MBE and FBE Bidders to remediate past or present discrimination, where the City has developed or obtained a legally sufficient basis in evidence to demonstrate past or present discrimination. The CSB/MBE/FBE Registry denotes which MBEs and FBEs are eligible for Bid Discounts.

11. MBE/FBE Evaluation Credits:

Contracting Departments may apply an Evaluation Credit of five percent (5%) of the total points awarded for proposals received from MBE and FBE Proposers to remediate past or present discrimination, where evidence of contracting disparity has been adequately demonstrated. The CSB/MBE/FBE Registry denotes which MBEs and FBEs are eligible for Evaluation Credits.

12. MBE/FBE Subcontracting Bid Discounts and Additional Retainage:

Contracting departments may apply a bid discount for bids received for public improvement contracts in the amount of five percent (5%) of the portion of the total amount of the goods, labor, and materials that the bidder represents it will subcontract to one or more MBEs and FBEs, where the City has developed or obtained a legally sufficient basis in evidence to demonstrate past or present discrimination.

(1) If a Contracting Department applies the MBE/FBE subcontracting Bid Discount to the bid of a Bidder that would not have otherwise been the lowest and the Bidder is awarded the Public Improvement Contract, the City shall retain as Additional Retainage an amount equal to the total dollar amount by which the bid was adjusted for bid comparison in addition to the contract retainage required under Section 185.41C.O.

(2) If a Contractor uses MBE and FBE subcontractors in the performance of a Public Improvement Contract in an amount equal to or greater than offered in the bid, the City shall pay the Contractor any Additional Retainage retained under division (1) of this section upon the Contracting Department director's acceptance of the contract work. If a Contractor uses MBE and FBE subcontractors in the performance of a Public Improvement Contract in an amount less than represented in its bid, the Contractor shall forfeit the amount of Additional Retainage equal to the amount of shortfall in its total MBE and FBE usage, in addition to any other sanctions or penalties applicable under the Contract or the Cleveland Area Business Code.

(3) If a Contracting Department applies the MBE/FBE subcontracting Bid Discount to a bid that would not have otherwise been the lowest and the Bidder is awarded the Public Improvement Contract, the Contract terms shall prohibit the Contractor from deducting the amount of the Additional Retainage from progress payments to the MBE and FBE subcontractors.

13. CSB Bid Discounts:

If a Contracting Department *does not apply an MBE or FBE Bid Discount* to one or more bids for the award of a Contract, the Contracting Department may apply a Bid Discount in the following amounts for bids received from CSB prime contractors:

A Bid Discount of five percent (5%) for bids received from CCSBs.

A Bid Discount of five percent (5%) for bids received from RCSBs, provided no bids are received from CCSB's.

14. CSB Evaluation Credits:

If a Contracting Department *does not apply an MBE or FBE Evaluation Credit* to one or more proposals for the award of a Contract, the Contracting Department may apply Evaluation Credits as follows for proposals received from CSB prime contractors:

(1) An Evaluation Credit of five percent (5%) of the total points awarded for proposals received from CCSBs.

(2) An Evaluation Credit of five percent (5%) of the total points awarded for proposals received from RCSBs, provided no proposals are received from CCSBs.

15. CSB Subcontracting Bid Discounts and Additional Retainage:

Contracting Departments may apply a Bid Discount to bids received for a Public Improvement Contract in the amount of five percent (5%) of the portion of the total amount of labor and materials that the Bidder represents it will subcontract to one or more CSBs. This provision does not apply, however, if a Bid Discount has been applied for MBE or FBE subcontractor participation,

If a Contracting Department applies the CSB subcontracting Bid Discount to the bid of a Bidder that would not have otherwise been the lowest and the Bidder is awarded the Public Improvement Contract, the City shall retain as Additional Retainage an amount equal to the total dollar amount by which the bid was adjusted for bid comparison in addition to the retainage required under Section 185.41 of the Codified Ordinances.

If a Contractor uses CSB subcontractors in the performance of the Public Improvement Contract in an amount equal to or greater than offered in the Contractor's bid, the City shall pay the Contractor any Additional Retainage retained under division (d)(1) of this section upon the Contracting Department director's acceptance of the contract work under division (d) of Section 185.41. If a Contractor uses CSB subcontractors in the performance of a Public Improvement Contract in an amount less than represented in its bid, the Contractor shall forfeit the amount of the Additional Retainage equal to the amount of shortfall in its CSB usage, in addition to any other sanctions or penalties applicable under this Chapter or the Contract.

If a Contracting Department applies the CSB subcontracting Bid Discount to the bid of a Bidder that would not have otherwise been the lowest and the Bidder is awarded the Public Improvement Contract, the Contract terms shall prohibit the Contractor from deducting the amount of the Additional Retainage from progress payments to the CSB subcontractors.

16. Maximum Annual Subcontracting Program Benefit:

In an effort to encourage wide participation in the CSB, MBE and FBE subcontracting programs, the City of Cleveland has adopted a policy which may limit the amount of subcontracting credit that a single CSB, MBE and/or FBE subcontractor can provide in a single year. When the CSB, MBE and/or FBE subcontractor has reached this maximum subcontracting dollar value, its participation in future contracts will not be counted towards a Bidder or Proposer's CSB, MBE and/or FBE participation goals.

The Director may apply credit toward the CSB, MBE and/or FBE subcontractor participation goals upon written request of a Bidder or Proposer attesting that no other certified CSBs, MBEs or FBEs are available to perform the work or supply the materials required for the Contract, or in an emergency, or for such other reasons that the Director determines require use of that CSB, MBE or FBE.

Nothing prohibits a Bidder or Proposer from subcontracting to a CSB, MBE or FBE that has reached the cap, or prohibits the CSB, MBE or FBE from performing work or supplying materials under any contract. But that participation will not count towards the Bidder or Proposer's subcontracting goals.

17. CSB/MBE/FBE Manufacturer and Supplier Participation:

Under the Cleveland Area Business Code, the entire amount of expenditures to certified CSB, MBE, or FBE manufacturers will be counted towards CSB, MBE or FBE participation goals on the contract. A manufacturer is an enterprise that produces goods from raw materials or adds value by substantially altering them before resale. In contrast, sixty percent (60%) of expenditures to certified CSB, MBE or FBE suppliers that are not manufacturers will be counted towards CSB, MBE or FBE participation goals on the contract, provided that the CSB, MBE or FBE supplier performs a "commercially useful function in the supply process." A business enterprise is a supplier performing a "commercially useful function in the supply process" when it:

- (1) Assumes the actual and contractual responsibility for furnishing the supplies or materials; and
- (2) Is recognized as a supplier, distributor or reseller by the manufacturer or producer of the contracted supplies and materials; and
- (3) Owns or leases a warehouse, yard, building or other facilities or uses such as means as are customary in the industry for the purpose of maintaining an inventory of or supplying such supplies or materials from which it supplies its customers; and
- (4) Distributes, delivers, and/or services products primarily with its own staff and/or equipment.

If a CSB, MBE or FBE supplier is not a manufacturer and is not performing a "commercially useful function" in the supply process, the supplier's participation will not be counted towards the CSB, MBE or FBE participation on the contract.

18. Joint Ventures:

Participation of CSBs, MBEs and FBEs in joint ventures is encouraged. To receive credit for CSB, MBE and/or FBE participation in a joint venture, the joint venture must be certified by the Office of Equal Opportunity. The CSB/MBE/FBE Joint Venture Certification Application is available from the Office of Equal Opportunity, and applications for joint venture certification must be received by the Office of Equal Opportunity no later than 10 days prior to the bid opening.

19. Use of General Contractors as Subcontractors for CSB/ MBE/FBE Prohibited:

Consistent with the U.S. Bureau of Census Standard Industrial Classifications, the City considers that a "general contractor" assumes responsibility for an entire construction contract, although it may subcontract part or all of the actual work to special trades or other contractors. The City does not consider that certification as a "general contractor" assumes or includes certification for any other trade or work. In order to qualify as a CSB, MBE or FBE Subcontractor, the CSB, MBE or FBE must be certified for the specific type of work indicated on Schedule 1, the Schedule of Subcontractor Participation.

For example:

	<u>Area of Certification</u>	<u>Type of Work Subcontracted</u>	<u>Credit Given</u>
Firm 1	General Contracting	Plumbing	None
Firm 2	General Contracting and Plumbing	Plumbing	Full

Questions about the certification process or the OEO Schedules should be directed to the Office of Equal Opportunity (OEO) at (216) 664-4152. Detailed Regulations and additional copies of these Schedules are available upon request.

There may be instances, however, where Prime Contractors will not be able to achieve the prescribed CSB, MBE and/or FBE participation goals for a particular contract. This Schedule 4 allows Prime Contractors to demonstrate their good faith efforts in finding and soliciting CSBs, MBEs and FBEs to work on the contract. If the subcontracting goals for this contract are not met, failure to complete this schedule fully and completely may impact the evaluation of this bid or proposal.

City of Cleveland
Professional Services Contracts
Reimbursables Policy
5/24/2002

The following constitutes the City of Cleveland's Reimbursables policies to be used in the City's Professional Services Contracts.

1. Direct Labor vs. Reimbursables

All expenditures in Professional Service Contracts shall fall into one of two categories: Direct Labor, and Reimbursables. Direct Labor shall mean the hourly work (billed by the appropriate hourly rates and multipliers) of the Prime Consultant and all identified Professional Subconsultants. Any expenditure that is not the Direct Labor of the Prime Consultant nor the Subconsultants shall be considered a Reimbursable expenditure.

2. Labor Multipliers

In order to be considered responsive, the Prime Consultant and each Subconsultant shall submit with its proposal the labor multipliers to be used on this project. Each Prime Consultant and Subconsultant shall acknowledge that the following items are included in their multipliers:

2.1 Direct Labor

100.00%

The portions of the items designated by an asterisk (*) above that are not dedicated to this project shall be included in the Consultant's multipliers. The Project portion of the asterisked items (*) shall be subject to the other conditions enumerated in this policy. The Consultant shall ensure that all portions of all other items listed above are included in its multipliers, and not include portions in the reimbursables submittal. The Consultant shall also ensure that all of the following indirect labor is included in the multiplier and not in the direct labor fees: executives; business development staff; accountants; overtime, except where required by law; and time devoted to contract preparation.

3. Reimbursables List

The Consultant shall submit with its Proposal an extensive and detailed list of all expected reimbursable items, with estimated cost. This list shall be finalized, in a format approved by the City, during contract negotiation. No other reimbursable expenses will be allowed on the project, unless pre-authorized by the City in writing.

Each quarter, the Consultant shall submit, for the City's review and approval, an updated projection of the reimbursables list. This projection shall indicate each item in the reimbursables list, and for each item, the original budget amount, the most recently approved budget amount, the amount spent to date, the estimated amount still needing to be expended, and the new, requested budget amount, if needed. The Consultant will be allowed to recommend moving funds between items, but the City must grant such approval in writing. The Consultant shall not be allowed to expend funds on any line item in excess of the approved budget amount for that line item, until the City approves a modification to the budget amounts that would allow for such expenditures.

4. Invoicing

The Consultant shall submit monthly a separate invoice for reimbursable expenditures. Each invoice shall be delivered to the City in less than 30 calendar days after the end of the month being billed for, and normally with the monthly labor invoice. Such reimbursable invoices shall be in a format approved by the City, and shall include all necessary supporting documentation as called for elsewhere in this policy. Such supporting documents shall be properly dated, legible and reproducible.

5. General Qualifications for Reimbursables

In general, items procured that are not Direct Labor must be devoted at least 50% of the time to the project during the duration of the project in order to be considered for direct cost reimbursement. Expenses on items (including Class 2 travel) devoted more than 50% but less than 100% to this project shall be pro-rated, with only that portion devoted to the project being billed for. Items devoted less than 50% to this project shall be included in the Consultant's multiplier. Use of items previously owned or leased by the Consultant (such as computer or CAD workstations), regardless of how much devoted to this project, shall be included in the multiplier and not be billed as a direct cost reimbursable. Assets purchased as a reimbursable for this project shall be turned over to the City when the Consultant no longer has need for them on this project. All reimbursables shall be paid on actual costs, supported by actual receipts, unless otherwise indicated. **Direct cost reimbursable items shall have no markup or multiplier applied to them.**

No expenditures for individual reimbursable items over \$10,000 shall be made without prior written approval of the City. The City reserves the right to direct the Consultant to terminate making reimbursable expenditures on any and all categories and expenses.

6. Office Expenses

In some cases the City will allow and even expects the Consultant to establish a Project Office

dedicated solely to a project and from which no other business shall be conducted. In such cases, the Consultant can include the following expenses generated by the Project Office either in the multipliers, or in the reimbursables provided actual invoices are submitted:

- Equipment maintenance
- Recurring communication expenses (including leased lines, cellular phones, pagers, telephones)
- Office Supplies
- External reproduction/binding
- Film developing
- Postage
- Office rent

It must be clear in the Consultant's proposal whether all such and similar expenses are accounted for in the reimbursables or in the multipliers.

For a Consultant with a dedicated Project Office, those office expenses generated by other offices (the Prime's other offices, Subconsultants' offices) can be paid as a direct cost reimbursable only if the item is 100% devoted to this project (e.g. postage and long distance phone calls made on behalf of this project), and only if backed up by actual invoices. Otherwise, all non-Project Office expenses (e.g. rent for other offices) must be included in the Consultant's or Subconsultants' multipliers.

For projects in which there is no dedicated Project Office, the Consultant can include as reimbursables only those office expenses devoted 100% to this project (like postage and long distance calls made on behalf of this project,) and only when supported by actual invoices. Office expenses less than 100% devoted to this project (like rent, utilities, use of Consultant's computer workstations) must be included in the Consultant's multiplier. Smaller items, such as office supplies and hand calculators, even if 100% dedicated to the project, shall be included in the Consultant's multiplier.

It is anticipated that any necessary trailer space for the Consultant at the project/construction site will be provided by the construction contractor.

7. Equipment

Equipment to be purchased or leased that will be at least 50% dedicated to this project, and meeting the other qualifications above, including computer hardware and software, fax machines, copying equipment, plotters, printers, communication equipment, cameras/camcorders, overhead projectors, and walky talkies, can be included with the direct cost reimbursables for this project. It is expected that virtually all equipment needing to be acquired, especially computer hardware, shall be leased as opposed to purchased. Only in special cases (such as specialty software like Primavera) and only with the prior approval of the City, shall a Consultant be allowed to purchase equipment for this project. The Consultant shall provide copies of the lease agreements and shall include with its invoices copies of its invoices from the supplying vendor.

8. Vehicles and Local Travel

In some cases the City will allow the Consultant to obtain Project Vehicles, dedicated solely to this project. Project Vehicles shall be leased only, not purchased. Copies of the leasing agreement and vendor invoices must be submitted for direct cost reimbursement. Related Project Vehicle costs, such as fuel, parking, maintenance, and insurance shall be included in direct cost reimbursables, and shall be paid on actual costs, supported by actual invoices.

For the use of personal (i.e. non-Project) vehicles, the Consultant shall be paid at the per mile rate (in effect at the time of the travel, currently \$.325 per mile) that the City pays internally to its staff for mileage. For such vehicle use, the Consultant shall be paid out of direct cost reimbursables, but only if the travel is work related, outside of the Division of Water's Service area, and non-routine. Only that portion of the trip that is outside of the Division of Water's Service Area shall be eligible for reimbursement. The Consultant shall submit to the City an approved mileage log with its monthly invoices. Expenses related to all other use of personal vehicles (travel within the Division of Water's Service Area, parking, tolls, etc.) shall be included in the Consultant's multipliers.

9. Markup on Subconsultants

Indirect costs related to the Subconsultants, like the liability/risk of hiring Subconsultants, Subconsultant oversight, cost of negotiations/business procurement, and interest on cash flow, shall be included in the Consultant's multipliers. Any other actual direct cost shall be billed as a reimbursable expense supported by actual invoices. Effort expended on managing Subconsultants shall be billed as a direct labor charge. **The Consultant shall not include in the direct cost reimbursables any indirect costs or markups on Subconsultants' labor or reimbursables.**

10. Special Services

Special Services, used solely for the benefit of this project and not performed by the Prime Consultant or by the Subconsultants, such as electrical testing, hazardous material testing, training, deliveries, diving services, office and field office setups and maintenance, and telephone and network installations and maintenance, shall be included in the direct cost reimbursables. All such services must receive prior written permission from the City. **No markups or other indirect handling costs on these Special Services shall be included in the direct cost reimbursables.** The Consultant shall include any such indirect costs or markups in its multipliers. Any direct labor involvement by the Prime Consultant or Subconsultants in managing these services shall be billed in the labor charges.

11. Personal Allowances

Reimbursement on all items in this category shall be from the direct cost reimbursables, supported by actual receipts and invoices, except as noted. All regulations in this category shall apply to the Prime Consultant, all Subconsultants, and Special Services staff. Consultant's staff shall be classified into four classes:

Class 1. Staff Already Living in the Greater Cleveland Area.

Class 2. Infrequent Travelers to Cleveland. Those staff coming to Cleveland for less than a

two week stay. Staff hired by the Consultant after the Notice To Proceed has been issued and assigned to this project can only be classified as Class 1 or Class 2.

Class 3. Staff with Extended Stays in Cleveland. Out of towners who will work in Cleveland for stretches longer than two weeks, but less than one year.

Class 4. Relocated Staff. Key, full time project staff (e.g. project manager) who relocate from out of town to work full time for the duration of the project, and for a minimum of one year's time.

- **11.1 Class 1:** Such staff qualify for no reimbursement expenses (travel, lodging, meal, per diem, etc...) whatsoever.
- **11.2 Class 2 Travel:** Actually incurred expenses (air, bus, rail, car rental, taxi, etc...) shall be paid for Class 2 staff. However, the charges shall not exceed Federal guidelines (as the guidelines were at the time the expenditure was made; regular economy class fares for air travel.) Class 2 travel shall require prior City approval. Rental car optional insurance is not reimbursable.
- **11.3 Class 2 Per Diem Expenses:** Class 2 daily expenses for meals, telephone, etc. shall be paid out of direct cost reimbursables, based on actual costs, with actual receipts submitted with invoices. Reimbursement shall not be made for alcohol, private phone calls, nor for meals for guests or associates of Class 2 staff. Gratuities of up to 15% on meals shall be allowed, but no other gratuity of any type shall be allowed. If a weekend or other non-workday occurs in the middle (but not at either end) of a Class 2 person's stay, that person shall be entitled to per diem and lodging expenses for those non-work days.
- **11.4 Class 2 Lodgings and Related Services:** Direct cost reimbursement shall be made, based on actual expenses, for apartments or hotels. The charges shall not exceed Federal guidelines (as the guidelines were at the time the expenditure was made - currently \$86/day for Cleveland area hotels), and shall be supported by actual receipts. The City shall also reimburse for any City/County Hotel Taxes over and above the Federal guideline.
- **11.5 Class 2 Commute Time:** Class 2 travelers shall be allowed to bill their time commuting between Cleveland and home as a labor expense, if such travel occurs during normal working hours. No other Class shall be allowed to bill any commute time as a labor expense.
- **11.6 Class 3 Travel:** Class 3 staff shall be allowed intermittent travel back home. Consultant shall remain within the initial contract budget for this item. Additionally, the City will only pay actual invoiced amounts, and in no case more than a cap of \$800.00 per month for such travel for each Class 3 staff member. Only Class 3 staff shall qualify for this allowance. Travel expenses for Class 3 staff's initial trip to and final trip from Cleveland

shall be paid on an actual basis, and shall not apply against any month's cap. These expenses shall be included in the direct cost reimbursables.

- **11.7 Class 3 Per Diem Expenses:** Class 3 staff shall be given an allowance for each full calendar day (including non-working days) spent in the Cleveland area, to be included in the direct cost reimbursables. The Consultant shall submit with its monthly invoices a log for each Class 3 person, indicating the date in town and the allowance being requested. In no case shall the allowance exceed Federal guidelines (as the guidelines were at the time the expenditure was - currently \$42/day per individual in the Cleveland area.) This allowance shall cover daily meals, telephone, television, laundry, local travel, etc. Actual receipts for this particular item are not required.
- **11.8 Class 3 Lodgings:** Class 3 staff are expected to secure apartments in the Cleveland area. Direct cost reimbursements shall be made for actual rental costs, supported by actual receipts. Rental for weekend and other non-working days shall be reimbursable. In no case shall rent exceed a cap of \$ 1,000/month per person.
- **11.9 Class 3 Inflation:** Inflation shall be measured by the Consumer Price Index for Urban Wage Earners and Clerical Workers for the Midwest Region, as tracked by the Federal Bureau of Labor Statistics. The amount of inflation shall be determined each year, beginning one year after Notice to Proceed, and shall be re-determined on each anniversary of Notice to Proceed. The \$800 per month cap for Class 3 Travel, and the \$1000 per month cap for Class 3 Lodgings, will be allowed to increase annually by the amount of inflation so determined.
- **11.10 Class 4 Relocation Expenses:** Reasonable relocation to Cleveland expenses (including transportation of household items and two cars, incidentals, temporary lodging and meals for family [not to exceed one month in duration], and one, 3-day spousal trip to Cleveland) shall be allowed based on actual expenditure, with an upper limit of \$20,000 per individual. Only Class 4 staff qualify for relocation expenses. Class 4 staff qualify for relocation expenses, but for no other Personal Allowance expenses.
- **11.11 Travel to a Work Site Other than Cleveland:** Travel to a site outside of Cuyahoga County and outside of the Division of Water's Service Area that is for a project related purpose (such as witnessing a pump test) shall be allowed. Consultants shall propose such travel in their project proposal. Each specific trip must be approved in advance by the City. Class 2 regulations as listed above shall govern this type of travel. The time spent traveling, and the time spent at the alternate site, are billable as a labor expense, provided such time occurs during normal business hours.

12. Taxes

Purchases for this project are exempt from state and local sales taxes. The Consultant shall use the City's tax exempt number (available as necessary) for such purposes.
