1. The selected firm will be expected to provide required professional services to prepare plans, specifications and estimates ("PS&E") for implementing the Project.

The Project is made possible by federal funding through the U.S. Department of Housing & Urban Development ("HUD"). The City of Palm Springs is a direct recipient of Community Development Block Grant ("CDBG") funds from HUD. The CDBG Program was adopted by Congress 36 years ago to provide a flexible funding source for local governments to meet the community development needs of their low and moderate income residents. As a part of the City's Fiscal Year 2010/2011 CDBG Program, the Public Works and Engineering Department requested funding to install a new sewer system within Tract No. 13257, a residential subdivision located west of Gene Autry Trail and south of Via Escuela.

2. BACKGROUND: On March 17, 2010, the City Council of the City of Palm Springs adopted the Fiscal Year 2010/2011 CDBG Program. The CDBG Program includes a project sponsored by the Public Works and Engineering Department to extend public sewers to a residential subdivision currently serviced by private septic systems.

The residential subdivision (identified as Tract No. 13257) is located immediately west of Gene Autry Trail and south of Via Escuela, and was annexed from Riverside County to the City of Palm Springs in 1991. Tract No. 13257 was developed during the 1980's by Riverside County, and at the time, Riverside County did not require a public sewer system for the subdivision. The subdivision includes 87 single family homes, all of which have private septic systems; some of these septic systems have begun to fail.

Tract No. 13257 includes Arnico Street, Norloti Street, Via Escuela (between Arnico Street and Gene Autry Trail), Jason Court, Marni Court, and Zachary Court. Tract No. 13257 is the only residential area within the City of Palm Springs, not located in a hillside area, which does not have a public sewer system. This project proposes to install approximately 3,800 feet of 8" VCP public sewer line and 4" VCP sewer laterals to each lot. The existing on-site septic tanks will be disconnected and abandoned in accordance with the City's Building Department requirements.

The total estimated cost to provide public sewer to Tract 13257 is approximately \$1,200,000. For this reason, construction of the project will be phased into four separate projects subject to future CDBG funding approved by the City. The four phases are generally described as follows:

Phase 1: Norloti Street and Arnico Street (Zachary Court to Norloti Street); 21 homes

Phase 2: Marni Court, Zachary Court, and Arnico Street (Jason Court to Zachary Court); 26 homes

Phase 3: Via Escuela and Jason Court; 19 homes

Phase 4: Arnico Street (Via Escuela to Jason Court); 21 homes

Design of the entire sewer system within Tract No. 13257 (excluding Via Escuela) is included in the CDBG funding for the first phase of this project, and is requested by this RFP. The City's budget for the design phase of this project is \$40,000.

A sewer improvement plan has already been designed and approved by the City for Via Escuela, as part of a residential development located north of Via Escuela that has not been constructed. Therefore, design of approximately 1,000 feet of sewer line in Via Escuela will not be necessary or included as part of this Project.

The point of connection to the City's public sewer is from Gene Autry Trail, between Lots 28 and 29 through a public easement extending from the intersection of Arnico Street and Norloti Street to Gene Autry Trail. The City has previously constructed a sewer line extension to the east property line of Lots 28 and 29 for future connection to a sewer system for Tract No. 13257. All public sewers in Tract No. 13257 will be designed as gravity sewers in accordance with the City's established sewer design guidelines.

3. SCOPE OF WORK:

The scope of work will consist of preparation of Plans, Specifications and Estimates (PS&E) for the Project.

The General Scope of Work for the Project consists of:

General Scope: Prepare plans, specifications and estimate (PS&E) for construction of a sanitary sewer system within Tract No. 13257 (all four phases).

- **Topographic Survey** – Provide necessary aerial and/or field topography as necessary to prepare PS&E.
- **Utility Coordination** – Provide all necessary coordination with public utilities to identify location of public utilities within the project area, identify all potential utility conflicts, provide utility clearance for project.

- **Design** – Prepare plans, specifications, and estimates (PS&E) for implementing all four phases of the Project, subject to review and approval by the City Engineer.

4. PROPOSAL REQUIREMENTS:

Special Note: Although this project is federally funded through the CDBG Program, administered by the U.S. Department of Housing & Urban Development (“HUD”), federal funds provided by HUD are not subject to U.S. Department of Transportation (DOT) requirements related to the Disadvantaged Business Enterprise (DBE) Program, pursuant to 49 CFR, Part 26 regulations. Therefore, there are no DBE requirements, goals or good faith efforts required as part of this Project. However, firms submitting a proposal in reply to this RFP are encouraged to ensure that DBE's and other small businesses have the opportunity to participate in the performance of the work that is the subject of this solicitation, and to not discriminate on the basis of race, color, national origin, or sex in the award and performance of its subcontracts.

The firm's proposal should describe the methodology to be used to accomplish each of the project tasks. The proposal should also describe the work which shall be necessary in order to satisfactorily complete the task requirements.

Please note: this RFP cannot identify each specific, individual task required to successfully and completely implement this project. The City of Palm Springs relies on the professionalism and competence of the selected firm to be knowledgeable of the general areas identified in the scope of work and to include in its proposal all required tasks and subtasks, personnel commitments, man-hours, direct and indirect costs, etc. The City of Palm Springs will not approve addenda to the selected firm's agreement which do not involve a substantial change from the general scope of work identified in this RFP.

5. SELECTION PROCESS: The City of Palm Springs is utilizing a Qualifications Based Selection process to select a firm to provide the services requested by this RFP. The City shall review the proposals submitted in reply to this RFP, and a limited number of firms may be invited to make a formal presentation at a future date. The format, selection criteria and date of the presentation will be established at the time of short listing. Preparation of proposals in reply to this RFP, and participation in any future presentation is at the sole expense of the firms responding to this RFP.

6. PROPOSAL EVALUATION CRITERIA: This solicitation has been developed in the “Request for Proposals” (RFP) format. Accordingly, firms should take note that the City will consider multiple criteria in selecting the most qualified firm. Price is NOT evaluated as part of the evaluation criteria. Cost proposals submitted in separate envelopes are not opened, nor considered during proposal evaluations. Upon selection of the most qualified firm, the associated cost proposal will be used as a basis for contract negotiations. A contract shall be negotiated on the basis of the submitted Cost Proposal, and in consideration of reasonable and mutually agreed project costs and time requirements.

An Evaluation Committee, using the following evaluation criteria for this RFP, will evaluate all responsive submittals to this RFP. The Evaluation Committee may request formal presentations/interviews from the short listed firms at a future date of which the format and presentation evaluation criteria shall be provided at the time of short listing. **Participation in any phase of this RFP process, including the interview phase is at the sole expense of the firms replying to this RFP.** The City shall NOT be responsible for any costs incurred by any firm in response to, or participation in, this RFP.

A. Project Understanding (25 POINTS):

The firm's proposal adequately demonstrates an understanding of the Project and familiarity with the project area; familiarity with sanitary sewer projects.

B. Scope of Work (25 POINTS):

Proposed approach to the Project including the expected time commitment of key personnel, technical approach to the Project, and the emphasis placed on project phases.

Note: As this RFP has identified a General Scope of Work, evaluation criteria requires that the proposal identify a detailed scope of work to successfully implement the Project. The detailed scope of work must be identical to the format in which the Cost Proposal has been submitted – each sub-task must be identified in the firm's separately sealed Cost Proposal with a corresponding fee.

C. Staff Qualifications (25 POINTS):

Qualifications of the staff assigned to manage and provide services related to the Project; experience with sanitary sewer projects.

Note: This evaluation criteria requires that the proposal identify specific experience with sanitary sewer projects. Relevant experience must be demonstrated.

Past experience with projects related to the outlined Scope of Work; experience with sanitary sewer projects.

E. Project Schedule (10 POINTS):

Thoroughness and reasonableness of the project schedule; ability to maintain the project within the selected time frame.

If the City's maximum payment obligation is reached before the Consultant's Services under this Agreement are completed, consultant shall nevertheless complete the Work without liability on the City's part for further payment beyond the Maximum Contract Amount.

2.2 Method of Payment. Unless some other method of payment is specified in the Schedule of Compensation (Exhibit "E"), in any month in which Consultant wishes to receive payment, no later than the tenth (10) working day of such month, Consultant shall submit to the City, in a form approved by the City's Finance Director, an invoice for services rendered prior to the date of the invoice. Such requests shall be based upon the amount and value of the services performed by Consultant and accompanied by such reporting data including an itemized breakdown of all costs incurred and tasks performed during the period covered by the invoice, as may be required by the City. City shall use reasonable efforts to make payments to Consultant within forty-five (45) days after receipt of the invoice or a soon thereafter as is reasonably practical. There shall be a maximum of one payment per month.

2.3 Changes in Scope. In the event any change or changes in the Scope of Services is requested by the City, the Parties shall execute a written amendment to this Agreement, setting forth with particularity all terms of such amendment, including, but not limited to, any additional professional fees. An amendment may be entered into: (a) to provide for revisions or modifications to documents or other work product or work when documents or other work product or work is required by the enactment or revision of law subsequent to the preparation of any documents, other work product, or work; and/or (b) to provide for additional services not included in this Agreement or not customarily furnished in accordance with generally accepted practice in Consultant's profession.

2.4 Appropriations. This Agreement is subject to and contingent upon funds being appropriated therefore by the Palm Springs City Council for each fiscal year covered by the Agreement. If such appropriations are not made, this Agreement shall automatically terminate without penalty to the City.

3. SCHEDULE OF PERFORMANCE

3.1 Time of Essence. Time is of the essence in the performance of this Agreement. The time for completion of the services to be performed by Consultant is an essential condition of this Agreement. Consultant shall prosecute regularly and diligently the Work of this Agreement according to the agreed upon Schedule of Performance (Exhibit "F").

3.2 Schedule of Performance. Consultant shall commence the Services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all Services within the time period(s) established in the Schedule of Performance, which is attached hereto as Exhibit "F" and is incorporated herein by reference. When requested by Consultant, extensions to the time period(s) specified in the Schedule of Performance may be approved in

writing by the Contract Officer, but such extensions shall not exceed one hundred eighty (180) days cumulatively; however, the City shall not be obligated to grant such an extension.

3.3 Force Majeure. The time period(s) specified in the Schedule of Performance for performance of the Services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Consultant (financial inability excepted), including, but not limited to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, and/or acts of any governmental agency, including the City, if Consultant, within ten (10) days of the commencement of such delay, notifies the City Manager in writing of the causes of the delay. The City Manager shall ascertain the facts and the extent of delay, and extend the time for performing the Services for the period of the enforced delay when and if in the judgment of the City Manager such delay is justified. The City Manager's determination shall be final and conclusive upon the Parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of the Agreement pursuant to this section.

3.4 Term. Unless earlier terminated as provided elsewhere in this Agreement, this Agreement shall commence upon the effective date of this Agreement and continue in full force and effect until completion of the Services but not exceeding three (3) years from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit "F") and pursuant to Section 3.2 above, unless extended by mutual written agreement of the Parties.

4. COORDINATION OF WORK

4.1 Representative of Consultant. The following principal of Consultant is hereby designated as being the principal and representative of Consultant authorized to act in its behalf with respect to the Services to be performed under this Agreement and make all decisions in connection therewith: _____. It is expressly understood that the experience, knowledge, education, capability, expertise, and reputation of the foregoing principal is a substantial inducement for City to enter into this Agreement. Therefore, the foregoing principal shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the services performed hereunder. The foregoing principal may not be changed by Consultant without prior written approval of the Contract Officer.

4.2 Contract Officer. The Contract Officer shall be such person as may be designated by the City Manager of City, and is subject to change by the City Manager. It shall be the Consultant's responsibility to ensure that the Contract Officer is kept fully informed of the progress of the performance of the Services, and the Consultant shall refer any decisions which must be made by City to the Contract Officer. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Contract Officer. The Contract Officer shall have authority to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.3 Prohibition Against Subcontracting or Assignments. The experience, knowledge, capability, expertise, and reputation of Consultant, its principals and employees, were a substantial inducement for City to enter into this Agreement. Therefore, Consultant shall not assign the performance of this Agreement, nor any part thereof, nor any monies due hereunder, voluntarily or by operation of law, without the prior written consent of City. Consultant shall not contract with any other entity to perform the Services required under this Agreement without the prior written consent of City. If Consultant is permitted to subcontract any part of this Agreement by City, Consultant shall be responsible to City for the acts and omissions of its subcontractor(s) in the same manner as it is for persons directly employed. Nothing contained in this Agreement shall create any contractual relationships between any subcontractor and City. All persons engaged in the Work will be considered employees of Consultant. City will deal directly with and will make all payments to Consultant. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated, or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written consent of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release Consultant or any surety of Consultant from any liability hereunder without the express written consent of City.

4.4 Independent Contractor.

A. The legal relationship between the Parties is that of an independent contractor, and nothing herein shall be deemed to make Consultant a City employee. During the performance of this Agreement, Consultant and its officers, employees, and agents shall act in an independent capacity and shall not act as City officers or employees. The personnel performing the Services under this Agreement on behalf of Consultant shall at all times be under Consultant's exclusive direction and control. Neither City nor any of its officers, employees, or agents shall have control over the conduct of Consultant or any of its officers, employees, or agents, except as set forth in this Agreement. Consultant, its officers, employees, or agents shall not maintain an office or any other type of fixed business location at City's offices. City shall have no voice in the selection, discharge, supervision, or control of Consultant's employees, servants, representatives, or agents, or in fixing their number, compensation, or hours of service. Consultant shall pay all wages, salaries, and other amounts due its employees in connection with this Agreement and shall be responsible for all reports and obligations respecting them, including but not limited to social security income tax withholding, unemployment compensation, workers' compensation, and other similar matters. City shall not in any way or for any purpose be deemed to be a partner of Consultant in its business or otherwise a joint venturer or a member of any joint enterprise with Consultant.

B. Consultant shall not incur or have the power to incur any debt, obligation, or liability against City, or bind City in any manner.

C. No City benefits shall be available to Consultant, its officers, employees, or agents in connection with any performance under this Agreement. Except for professional

fees paid to Consultant as provided for in this Agreement, City shall not pay salaries, wages, or other compensation to Consultant for the performance of Services under this Agreement. City shall not be liable for compensation or indemnification to Consultant, its officers, employees, or agents, for injury or sickness arising out of performing Services hereunder. If for any reason any court or governmental agency determines that the City has financial obligations, other than pursuant to Section 2 and Subsection 1.8 herein, of any nature relating to salary, taxes, or benefits of Consultant's officers, employees, servants, representatives, subcontractors, or agents, Consultant shall indemnify City for all such financial obligations.

5. INSURANCE

5.1 Types of Insurance. Consultant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, the insurance described herein for the duration of this Agreement, including any extension thereof, or as otherwise specified herein, against claims which may arise from or in connection with the performance of the Work hereunder by Consultant, its agents, representatives, or employees. In the event the City Manager determines that the Work or Services to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Consultant agrees that the minimum limits of the insurance policies may be changed accordingly upon receipt of written notice from the City Manager or his designee. Consultant shall immediately substitute any insurer whose A.M. Best rating drops below the levels specified herein. Except as otherwise authorized below for professional liability (errors and omissions) insurance, all insurance provided pursuant to this Agreement shall be on an occurrence basis. The minimum amount of insurance required hereunder shall be as follows:

A. **Errors and Omissions Insurance.** Consultant shall obtain and maintain in full force and effect throughout the term of this Agreement, standard industry form professional liability (errors and omissions) insurance coverage in an amount of not less than one million dollars (\$1,000,000.00) per occurrence and two-million dollars (\$2,000,000.00) annual aggregate, in accordance with the provisions of this section.

(1) Consultant shall either: (a) certify in writing to the City that Consultant is unaware of any professional liability claims made against Consultant and is unaware of any facts which may lead to such a claim against Consultant; or (b) if Consultant does not provide the certification pursuant to (a), Consultant shall procure from the professional liability insurer an endorsement providing that the required limits of the policy shall apply separately to claims arising from errors and omissions in the rendition of services pursuant to this Agreement.

(2) If the policy of insurance is written on a "claims made" basis, the policy shall be continued in full force and effect at all times during the term of this Agreement, and for a period of three (3) years from the date of the completion of the Services provided hereunder. In the event of termination of the policy during this period, Consultant shall obtain continuing insurance coverage for the prior acts or omissions of Consultant during the course of performing Services under the terms of this Agreement. The coverage shall be evidenced by either a new policy evidencing no gap in coverage, or by obtaining separate extended "tail" coverage with the present or new carrier or other insurance arrangements providing for complete coverage, either of which shall be subject to the written approval by the City

Manager.

(3) In the event the policy of insurance is written on an “occurrence” basis, the policy shall be continued in full force and effect during the term of this Agreement, or until completion of the Services provided for in this Agreement, whichever is later. In the event of termination of the policy during this period, new coverage shall immediately be obtained to ensure coverage during the entire course of performing the Services under the terms of this Agreement.

B. Workers’ Compensation Insurance. Consultant shall obtain and maintain, in full force and effect throughout the term of this Agreement, workers’ compensation insurance in at least the minimum statutory amounts, and in compliance with all other statutory requirements, as required by the State of California. Consultant agrees to waive and obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies. If Consultant has no employees, Consultant shall complete the City’s Request for Waiver of Workers’ Compensation Insurance Requirement form.

C. Commercial General Liability Insurance. Consultant shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of commercial general liability insurance written on a per occurrence basis with a combined single limit of at least one million dollars (\$1,000,000.00) and two million dollars (\$2,000,000.00) general aggregate for bodily injury and property damage including coverages for contractual liability, personal injury, independent contractors, broad form property damage, products and completed operations.

D. Business Automobile Insurance. Consultant shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of business automobile liability insurance written on a per occurrence basis with a single limit liability in the amount of one million dollars (\$1,000,000.00) bodily injury and property damage. The policy shall include coverage for owned, non-owned, leased, and hired cars.

E. Employer Liability Insurance. Consultant shall obtain and maintain, in full force and effect throughout the term of this Agreement, a policy of employer liability insurance written on a per occurrence basis with a policy limit of at least one million dollars (\$1,000,000.00) for bodily injury or disease.

5.2 Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City Manager prior to commencing any work or services under this Agreement. Consultant guarantees payment of all deductibles and self-insured retentions. City reserves the right to reject deductibles or self-insured retentions in excess of \$10,000, and the City Manager may require evidence of pending claims and claims history as well as evidence of Consultant’s ability to pay claims for all deductible amounts and self-insured retentions proposed in excess of \$10,000.

5.3 Other Insurance Requirements. The following provisions shall apply to the

insurance policies required of Consultant pursuant to this Agreement:

- 5.3.1 For any claims related to this Agreement, Consultant's coverage shall be primary insurance as respects City and its officers, council members, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the City and its officers, council members, officials, employees, agents, and volunteers shall be in excess of Consultant's insurance and shall not contribute with it.
- 5.3.2 Any failure to comply with reporting or other provisions of the policies, including breaches of warranties, shall not affect coverage provided to City and its officers, council members, officials, employees, agents, and volunteers.
- 5.3.3 All insurance coverage and limits provided by Consultant and available or applicable to this Agreement are intended to apply to each insured, including additional insureds, against whom a claim is made or suit is brought to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the City or its operations shall limit the application of such insurance coverage.
- 5.3.4 None of the insurance coverages required herein will be in compliance with these requirements if they include any limiting endorsement which substantially impairs the coverages set forth herein (e.g., elimination of contractual liability or reduction of discovery period), unless the endorsement has first been submitted to the City Manager and approved in writing.
- 5.3.5 Consultant agrees to require its insurer to modify insurance endorsements to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation imposes no obligation, or that any party will "endeavor" (as opposed to being required) to comply with the requirements of the endorsements. Certificates of insurance will not be accepted in lieu of required endorsements, and submittal of certificates without required endorsements may delay commencement of the Project. It is Consultant's obligation to ensure timely compliance with all insurance submittal requirements as provided herein.
- 5.3.6 Consultant agrees to ensure that subcontractors, and any other parties involved with the Project who are brought onto or involved in the Project by Consultant, provide the same minimum insurance coverage required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with subcontractors and others engaged in the Project will be submitted to the City for review.
- 5.3.7 Consultant acknowledges and agrees that any actual or alleged failure on the part of the City to inform Consultant of non-compliance with any insurance requirement in no way imposes any additional obligations on the City nor does it

waive any rights hereunder in this or any other regard.

- 5.3.8 Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Proof that such coverage has been ordered shall be submitted prior to expiration. Endorsements as required in this Agreement applicable to the renewing or new coverage shall be provided to City no later than ten (10) days prior to expiration of the lapsing coverage.
- 5.3.9 Requirements of specific insurance coverage features or limits contained in this section are not intended as limitations on coverage, limits, or other requirements nor as a waiver of any coverage normally provided by any given policy. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue, and is not intended by any party or insured to be limiting or all-inclusive.
- 5.3.10 The requirements in this section supersede all other sections and provisions of this Agreement to the extent that any other section or provision conflicts with or impairs the provisions of this section.
- 5.3.11 Consultant agrees to provide immediate notice to City of any claim or loss against Consultant arising out of the Work performed under this Agreement and for any other claim or loss which may reduce the insurance available to pay claims arising out of this Agreement. City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City, or to reduce or dilute insurance available for payment of potential claims.
- 5.3.12 Consultant agrees that the provisions of this section shall not be construed as limiting in any way the extent to which the Consultant may be held responsible for the payment of damages resulting from the Consultant's activities or the activities of any person or person for which the Consultant is otherwise responsible.

5.4 Sufficiency of Insurers. Insurance required herein shall be provided by authorized insurers in good standing with the State of California. Coverage shall be provided by insurers admitted in the State of California with an A.M. Best's Key Rating of B++, Class VII, or better, unless such requirements are waived in writing by the City Manager or his designee due to unique circumstances.

5.5 Verification of Coverage. Consultant shall furnish City with both certificates of insurance and endorsements, including additional insured endorsements, affecting all of the coverages required by this Agreement. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All proof of insurance is to be received and approved by the City before work commences. City reserves the right to require Consultant's insurers to provide complete, certified copies of all required insurance policies at any time. Additional insured endorsements are not required for Errors and

Omissions and Workers' Compensation policies.

Verification of Insurance coverage may be provided by: (1) an approved General and/or Auto Liability Endorsement Form for the City of Palm Springs or (2) an acceptable Certificate of Liability Insurance Coverage with an approved Additional Insured Endorsement with the following endorsements stated on the certificate:

1. *"The City of Palm Springs, its officials, employees, and agents are named as an additional insured..." ("as respects City of Palm Springs Contract No.____" or "for any and all work performed with the City" may be included in this statement).*

2. *"This insurance is primary and non-contributory over any insurance or self-insurance the City may have..." ("as respects City of Palm Springs Contract No.____" or "for any and all work performed with the City" may be included in this statement).*

3. *"Should any of the above described policies be canceled before the expiration date thereof, the issuing company will mail 30 days written notice to the Certificate Holder named." Language such as, "endeavor to" mail and "but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents or representative" is not acceptable and must be crossed out.*

4. Both the Workers' Compensation and Employers' Liability policies shall contain the insurer's waiver of subrogation in favor of City, its elected officials, officers, employees, agents, and volunteers.

In addition to the endorsements listed above, the City of Palm Springs shall be named the certificate holder on the policies. All certificates of insurance and endorsements are to be received and approved by the City before work commences. All certificates of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter. Failure to obtain the required documents prior to the commencement of work shall not waive the Consultant's obligation to provide them.

6. INDEMNIFICATION

To the fullest extent permitted by law, Consultant shall indemnify, defend (at Consultant's sole cost and expense), protect and hold harmless City and its officers, council members, officials, employees, agents and volunteers and all other public agencies whose approval of the Project is required, (individually "Indemnified Party"; collectively "Indemnified Parties") against any and all liabilities, claims, judgments, arbitration awards, settlements, costs, demands, orders, and penalties (collectively "Claims"), including but not limited to Claims arising from injuries or death of persons (Consultant's employees included) and damage to property, which Claims arise out of, pertain to, or are related to the negligence, recklessness, or willful misconduct of Consultant, its agents, employees, or subcontractors, or arise from Consultant's negligent, reckless, or willful performance of or failure to perform any term, provision, covenant, or condition of this Agreement ("Indemnified Claims"), but Consultant's liability for Indemnified Claims shall be reduced to the extent such Claims arise from the negligence, recklessness, or willful misconduct of the City, its officers, council

members, officials, employees, or agents.

Consultant shall reimburse the Indemnified Parties for any reasonable expenditures, including reasonable attorneys' fees, expert fees, litigation costs, and expenses that each Indemnified Party may incur by reason of Indemnified Claims. Upon request by an Indemnified Party, Consultant shall defend with legal counsel reasonably acceptable to the Indemnified Party all Claims against the Indemnified Party that may arise out of, pertain to, or relate to Indemnified Claims, whether or not Consultant is named as a party to the Claim proceeding. The determination whether a Claim "may arise out of, pertain to, or relate to Indemnified Claims" shall be based on the allegations made in the Claim and the facts known or subsequently discovered by the Parties. In the event a final judgment, arbitration award, order, settlement, or other final resolution expressly determines that Claims did not arise out of, pertain to, nor relate to the negligence, recklessness, or willful misconduct of Consultant to any extent, then City shall reimburse Consultant for the reasonable costs of defending the Indemnified Parties against such Claims, except City shall not reimburse Consultant for attorneys' fees, expert fees, litigation costs, and expenses that were incurred defending Consultant or any parties other than Indemnified Parties against such Claims.

Consultant's indemnification obligation hereunder shall survive the expiration or earlier termination of this Agreement until all actions against the Indemnified Parties for such matters indemnified hereunder are fully and finally barred by the applicable statute of limitations or, if an action is timely filed, until such action is final. This provision is intended for the benefit of third party Indemnified Parties not otherwise a party to this Agreement.

7. REPORTS AND RECORDS

7.1 Accounting Records. Consultant shall keep complete, accurate, and detailed accounts of all time, costs, expenses, and expenditures pertaining in any way to this Agreement. Consultant shall keep such books and records as shall be necessary to properly perform the Services required by this Agreement and to enable the Contract Officer to evaluate the performance of such Services. The Contract Officer shall have full and free access to such books and records at all reasonable times, including the right to inspect, copy, audit, and make records and transcripts from such records.

7.2 Reports. Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the Services required by this Agreement as the Contract Officer shall require. Consultant hereby acknowledges that the City is greatly concerned about the cost of the Work and Services to be performed pursuant to this Agreement. For this reason, Consultant agrees that if Consultant becomes aware of any facts, circumstances, techniques, or events that may or will materially increase or decrease the cost of the Work or Services contemplated herein or, if Consultant is providing design services, the cost of the project being designed, Consultant shall promptly notify the Contract Officer of such fact, circumstance, technique, or event and the estimated increased or decreased cost related thereto and, if Consultant is providing design services, the estimated increased or decreased cost estimate for the project being designed.

7.3 Ownership of Documents. All drawings, specifications, reports, records, documents, memoranda, correspondence, computations, and other materials prepared by Consultant, its employees, subcontractors, and agents in the performance of this Agreement shall be the property of City and shall be promptly delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership of the documents and materials hereunder. Any use of such completed documents for other projects and/or use of incomplete documents without specific written authorization by the Consultant will be at the City's sole risk and without liability to Consultant, and the City shall indemnify the Consultant for all damages resulting therefrom. Consultant may retain copies of such documents for its own use. Consultant shall have an unrestricted right to use the concepts embodied therein. Consultant shall ensure that all its subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom.

7.4 Release of Documents. All drawings, specifications, reports, records, documents, and other materials prepared by Consultant in the performance of services under this Agreement shall not be released publicly without the prior written approval of the Contract Officer. All information gained by Consultant in the performance of this Agreement shall be considered confidential and shall not be released by Consultant without City's prior written authorization.

7.5 Audit and Inspection of Records. After receipt of reasonable notice and during the regular business hours of City, Consultant shall provide City, or other agents of City, such access to Consultant's books, records, payroll documents, and facilities as City deems necessary to examine, copy, audit, and inspect all accounting books, records, work data, documents, and activities directly related to Consultant's performance under this Agreement. Consultant shall maintain such books, records, data, and documents in accordance with generally accepted accounting principles and shall clearly identify and make such items readily accessible to such parties during the term of this Agreement and for a period of three (3) years from the date of final payment by City hereunder.

8. ENFORCEMENT OF AGREEMENT

8.1 California Law and Venue. This Agreement shall be construed and interpreted both as to validity and as to performance of the Parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim, or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Riverside, State of California, or any other appropriate court in such County, and Consultant covenants and agrees to submit to the personal jurisdiction of such court in the event of such action.

8.2 Interpretation. This Agreement shall be construed as a whole according to its fair language and common meaning to achieve the objectives and purposes of the Parties. The terms of this Agreement are contractual and the result of negotiation between the Parties. Accordingly, any rule of construction of contracts (including, without limitation, California Civil Code Section 1654) that ambiguities are to be construed against the drafting party, shall not be

employed in the interpretation of this Agreement. The caption headings of the various sections and paragraphs of this Agreement are for convenience and identification purposes only and shall not be deemed to limit, expand, or define the contents of the respective sections or paragraphs.

8.3 Termination. City may terminate this Agreement for its convenience at any time, without cause, in whole or in part, upon giving Consultant thirty (30) days written notice. Upon such notice, City shall pay Consultant for Services performed through the date of termination. Upon receipt of such notice, Consultant shall immediately cease all work under this Agreement, unless the notice provides otherwise. Thereafter, Consultant shall have no further claims against the City under this Agreement. Upon termination of the Agreement pursuant to this section, Consultant shall submit to the City an invoice for work and services performed prior to the date of termination. In addition, the Consultant reserves the right to terminate this Agreement at any time, with or without cause, upon sixty (60) days written notice to the City, except that where termination is due to material default by the City, the period of notice may be such shorter time as the Consultant may determine.

8.4 Default of Consultant.

A. Consultant's failure to comply with any provision of this Agreement shall constitute a default.

B. If the City Manager, or his designee, determines that Consultant is in default in the performance of any of the terms or conditions of this Agreement, he/she shall notify Consultant in writing of such default. Consultant shall have ten (10) days, or such longer period as City may designate, to cure the default by rendering satisfactory performance. In the event Consultant fails to cure its default within such period of time, City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice of any remedy to which City may be entitled at law, in equity, or under this Agreement. Consultant shall be liable for any and all reasonable costs incurred by City as a result of such default. Compliance with the provisions of this section shall not constitute a waiver of any City right to take legal action in the event that the dispute is not cured, provided that nothing herein shall limit City's right to terminate this Agreement without cause pursuant to Section 8.3.

C. If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 8.4.B, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the Services required hereunder exceeds the Maximum Contract Amount (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City as previously stated. The withholding or failure to withhold payments to Consultant shall not limit Consultant's liability for completion of the Services as provided herein.

8.5 Waiver. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the Party against whom enforcement

of a waiver is sought. Any waiver by the Parties of any default or breach of any covenant, condition, or term contained in this Agreement, shall not be construed to be a waiver of any subsequent or other default or breach, nor shall failure by the Parties to require exact, full, and complete compliance with any of the covenants, conditions, or terms contained in this Agreement be construed as changing the terms of this Agreement in any manner or preventing the Parties from enforcing the full provisions hereof.

8.6 Rights and Remedies Cumulative. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the Parties are cumulative and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

8.7 Legal Action. In addition to any other rights or remedies, either Party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement.

8.8 Attorney Fees. In the event any dispute between the Parties with respect to this Agreement results in litigation or any non-judicial proceeding, the prevailing Party shall be entitled, in addition to such other relief as may be granted, to recover from the non-prevailing Party all reasonable costs and expenses, including but not limited to reasonable attorney fees, expert consultant fees, court costs and all fees, costs, and expenses incurred in any appeal or in collection of any judgment entered in such proceeding. To the extent authorized by law, in the event of a dismissal by the plaintiff or petitioner of the litigation or non-judicial proceeding within thirty (30) days of the date set for trial or hearing, the other Party shall be deemed to be the prevailing Party in such litigation or proceeding.

9. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

9.1 Non-liability of City Officers and Employees. No officer or employee of the City shall be personally liable to the Consultant, or any successor-in-interest, in the event of any default or breach by the City or for any amount which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

9.2 Conflict of Interest. No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to the Agreement which effects his financial interest or the financial interest of any corporation, partnership, or association in which he/she is, directly or indirectly, interested in violation of any state statute or regulation. Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration in exchange for obtaining this Agreement.

9.3 Covenant Against Discrimination. In connection with its performance under this Agreement, Consultant shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, marital status, ancestry, or national origin. Consultant shall ensure that applicants are employed, and that employees are treated

during their employment, without regard to their race, religion, color, sex, age, marital status, ancestry, or national origin. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

10. MISCELLANEOUS PROVISIONS

10.1 Patent and Copyright Infringement.

A. To the fullest extent permissible under law, and in lieu of any other warranty by City or Consultant against patent or copyright infringement, statutory or otherwise, it is agreed that Consultant shall defend at its expense any claim or suit against City on account of any allegation that any item furnished under this Agreement, or the normal use or sale thereof arising out of the performance of this Agreement, infringes upon any presently existing U.S. letters patent or copyright and Consultant shall pay all costs and damages finally awarded in any such suit or claim, provided that Consultant is promptly notified in writing of the suit or claim and given authority, information and assistance at Consultant's expense for the defense of same, and provided such suit or claim arises out of, pertains to, or is related to the negligence, recklessness or willful misconduct of Consultant. However, Consultant will not indemnify City if the suit or claim results from: (1) City's alteration of a deliverable, such that City's alteration of such deliverable created the infringement upon any presently existing U.S. letters patent or copyright; or (2) the use of a deliverable in combination with other material not provided by Consultant when it is such use in combination which infringes upon an existing U.S. letters patent or copyright.

B. Consultant shall have sole control of the defense of any such claim or suit and all negotiations for settlement thereof, Consultant shall not be obligated to indemnify City under any settlement made without Consultant's consent or in the event City fails to cooperate in the defense of any suit or claim, provided, however, that such defense shall be at Consultant's expense. If the use or sale of such item is enjoined as a result of the suit or claim, Consultant, at no expense to City, shall obtain for City the right to use and sell the item, or shall substitute an equivalent item acceptable to City and extend this patent and copyright indemnity thereto.

10.2 Notices. All notices or other communications required or permitted hereunder shall be in writing, and shall be personally delivered, sent by pre-paid First Class U.S. Mail, registered or certified mail, postage prepaid, return receipt requested, or delivered or sent by facsimile with attached evidence of completed transmission, and shall be deemed received upon the earlier of (i) the date of delivery to the address of the person to receive such notice if delivered personally or by messenger or overnight courier; (ii) five (5) business days after the date of posting by the United States Post Office if by mail; or (iii) when sent if given by facsimile. Any notice, request, demand, direction, or other communication sent by facsimile must be confirmed within forty-eight (48) hours by letter mailed or delivered. Other forms of electronic transmission such as e-mails, text messages, instant messages are not acceptable manners of notice required hereunder.
