Request for Proposal: Storage Area Network (SAN)

First published Friday, February 27, 2009

Sealed proposals will be accepted at the address below until 2:00 PM, Monday March 16, 2009:

Purchasing Department
One University Parkway
University Park, IL 60466

This Request for Proposal (RFP) seeks responses from vendor(s), manufacturer(s), or reseller(s) to provide an affordable, enterprise-class, modular storage area network (SAN) for Governors State University.

The SAN must provide unlimited growth and technology independence through a single, easy-to-use management interface and allow GSU to buy storage on demand, quickly recover from data hazards, implement a tiered storage solution and achieve better utilization of disk resources.

Bidders must include a system diagram and include all of the components in their technical response.

Specifications will be available for download on Monday, March 2, 2009.

For additional information, contact:

Lisa Carra
Phone: (708) 534-4990 Ext: 3018

Submit 3 copies of the response as defined in the specifications. The University reserves the right to accept or reject any and all responses or parts thereof. [Illinois Department of Human Rights](#) (IDHR) eligibility number is required on all proposals.

This transaction is subject to the State Board of Elections registration and certification requirements of Public Act 095-0971.
