**December 3, 2009**

**Notice of Bid**  
**North Fork Peachtree Creek Stream Restoration and Stormwater Wetland Project**  
**BL002-10**

The Gwinnett County Board of Commissioners is soliciting competitive sealed bids from qualified contractors for the **North Fork Peachtree Creek Stream Restoration and Stormwater Wetland Project**. Sealed bids will be received by the Gwinnett County Purchasing Office, 75 Langley Drive, Lawrenceville, Georgia 30046 until **2:50 P.M. local time on Wednesday, January 27, 2010** and then publicly opened and read aloud at 3:00 P.M. Any bid received after 2:50 P.M. will not be accepted. Bid envelope should be marked on the outside with Bid Number, name of Bidder, date, and time of opening. Contractor providing the utility work must have a current valid Utility Contractors License.

The North Fork Peachtree Creek Stream Restoration and Stormwater Wetland Project is located in a residential subdivision in Norcross, Georgia. The proposed 1,400-foot stream restoration extends from Jennings Way to Greenwood Drive and includes stream grading, installation of rock and log structures, soil bioengineering, and planting of native vegetation. The project includes the installation of a new 6' x 8' box culvert under Jennings Way and storm drainage infrastructure to convey roadway runoff to a stormwater treatment wetland located adjacent to the proposed stream restoration. A diversion structure will also be constructed within North Fork Peachtree Creek to convey stormwater to the 1 acre wetland area during storm events. The proposed stormwater wetland will include grading, rock control structures, and planting of aquatic vegetation. Other project elements include slope stabilization, retaining walls, and pedestrian access trails. The total project area is approximately 7.3 acres.

Construction Drawings and Specifications are available for viewing at:

Gwinnett County Purchasing Office  
75 Langley Drive, 2<sup>nd</sup> Floor  
Lawrenceville, GA. 30046

Gwinnett County Dept. of Water Resources  
684 Winder Highway  
Lawrenceville, GA. 30046  
**Contact: Ligia Negru @ 678-376-6765**

Specifications may be **purchased from the Gwinnett County Department of Water Resources** at the above address for a **non-refundable fee of \$50.00**. Only complete sets will be issued.

Special Conditions: The Gwinnett County Department of Water Resources shall comply with O.C.G.A § 36-91-20 as amended for **mandatory pre-qualification** of prospective bidders. Therefore, interested bidders should obtain a Pre-Qualification Application for this specific project from the Gwinnett County Purchasing Office, 75 Langley Drive, 2<sup>nd</sup> Floor, Lawrenceville, Georgia 30046 or download from our website [www.gwinnettcounty.com](http://www.gwinnettcounty.com). In order to download, please select **"BL002-10 Notice of Bid"** and the pre-qualification application is attached. **Sealed pre-qualification applications will be received by the Gwinnett County Purchasing Office, 75 Langley Drive, Lawrenceville, Georgia 30046 until 2:00 P.M. local time on Tuesday, December 29, 2009.** Any pre-qualification application received after this date and time will not be accepted. A list of **pre-qualified bidders** should be available by 4:00 P.M. local time, **Thursday, January 7, 2010.**

**NOTICE OF BID-Page 2**

**North Fork Peachtree Creek Stream Restoration and Stormwater Wetland Project**

**BID DATE: January 27, 2010**

**Bid Number: BL002-10**

A **pre-bid conference** is scheduled for **10:00 A.M. on Thursday, January 14, 2010** at the Gwinnett County Purchasing Division, above address. **All pre-qualified bidders are strongly urged to attend.**

Questions regarding bids should be submitted to Janice Bradshaw, Purchasing Associate III, at fax 770-822-8728, or e-mail [Janice.bradshaw@gwinnettcountry.com](mailto:Janice.bradshaw@gwinnettcountry.com) no later than 3:00 P.M. local time, Friday, January 15, 2010. Bids are legal and binding upon the bidder when submitted.

**This project is expected to be funded by the Federally Assisted State Revolving Loan Fund in the State of Georgia and as stated in the bid documents shall comply with all applicable federal requirements as outlined in the Georgia Department of Natural Resources Environmental Protection Division Supplemental General Conditions for Federally Assisted State Revolving Loan Fund Construction Contracts.**

Bids in the case of Corporations not chartered in Georgia, must be accompanied by proper certification stating that said Corporation is authorized to do business in the State of Georgia.

No Bidder may withdraw his Bid within sixty (60) days after the actual date of the opening thereof.

Bidder agrees to complete the Contract awarded within the "allowable calendar days for completion" from the date of the "Notice to Proceed" and he further agrees that the Owner may retain from the monies which may become due the amount of **\$1,000** per day for each and every day that the completion of the work may be delayed.

All Bidders are required to submit a Bid Bond or a certified check made payable to the Gwinnett County Board of Commissioners in the amount of five percent (5%) of the total amount bid. The Bid Bond or certified check must be enclosed in the envelope with the sealed bid. The successful bidder will be required to furnish a contract Performance Bond and Payment Bond, each in the sum of 100% of the total amount bid and provide insurance coverage as required by the contract documents.

Bonding Company must be licensed to do business in Georgia, licensed to do business by the Georgia Secretary of State, authorized to do business in Georgia by the Georgia Insurance Department, listed in the Department of the Treasury's Publication of Companies Holding Certificates of Authority as Acceptable Surety on Federal Bonds and as Acceptable Reinsuring Companies and have an A.M. Best rating of A-V or higher.

All bonds must be submitted on forms provided by Gwinnett County and agencies providing bonds and insurance should provide proof that they meet the criteria outlined in the bid and contract documents.

The County will award the Contract to the lowest "qualified" bidder, subject with the Owner's right to reject any or all bids, to waive technicalities, and to make an award deemed in its best interests. With limited response, Gwinnett County reserves the right to extend the solicitation opening date as appropriate in order to assure a competitive procurement process.

Project Name: North Fork Peachtree Creek Stream Restoration and Stormwater Wetland  
Bid #: BL002-10 Project

Type of Project: Restore 1,400 feet of degraded stream channel through channel grading, installation of rock and log structures, soil bioengineering, and revegetation with native species. Construct a 1 acre stormwater treatment wetland, wetland control structures, and stream channel diversion structure. Install 6'x 8' box culvert and storm drainage infrastructure. Stabilize steep slopes, construct retaining walls, and install a seepage collection system on the wetland embankment. Revegetate entire site following a detailed planting plan using native vegetation.

Description: Work shall include grading, stormwater wetland construction (grading, planting, control structures), stream channel excavation, construction of in-stream structures, culverts, storm drains, planting, applicable permits, and erosion control measures.

Owner Name: Gwinnett County, Department of Water Resources

Applicant Name: \_\_\_\_\_

Note: Gwinnett County reserves the right to approve all personnel provided by the Contractor including but not limited to Project Managers, Project Superintendents and subcontractors for any portion of work resulting from this pre-qualification process.

GWINNETT COUNTY DEPARTMENT OF WATER RESOURCES USE ONLY

**COMPANY NAME \_\_\_\_\_**  
**APPLICATION FOR PREQUALIFICATION**  
**BID # BL002-10**

**I. INSTRUCTIONS**

- A. Applicant SHALL NOT attach information in lieu of completion of the application document. All information requested by the County SHALL be provided within the application document, however, additional pages may be attached if more space is required or as otherwise instructed within the application document. All additional pages SHOULD be clearly labeled with the applicant's name, section, name item number and page number.
- B. Applicant's qualification WILL be determined based upon the information presented. All questions must be answered in full, without exception. Failure to do so may result in the applicant being deemed non-responsive and therefore may not be considered for qualification.
- C. Only complete and accurate information shall be provided by the Applicant. The Applicant hereby warrants that, to the best of its knowledge and belief, the responses contained herein are true, accurate, and complete. The applicant SHALL complete the applicant certification on page PQ 19. The Applicant also acknowledges that the Owner is relying on the truth and accuracy of the responses contained herein. If it is later discovered that any material information given in response to a question was provided by the Applicant, knowing it was false, it shall constitute grounds for immediate disqualification and termination or rescission by the Owner of any subsequent agreement between the Owner and the Applicant. The Owner shall also have and retain any other remedies provided by law.
- D. If there are any questions concerning the completion of this form, the Applicant is encouraged to contact the Owner's representative, Janice Bradshaw, Purchasing Associate III, at the Gwinnett County Purchasing Division, telephone 770-822-8731 or e-mail [Janice.bradshaw@gwinnettcounty.com](mailto:Janice.bradshaw@gwinnettcounty.com). One (1) original and one (1) copy of the completed form must be completed and date stamped into the Gwinnett County Purchasing Office no later than 2:00 P.M. local time on Tuesday, December 29, 2009.

## II. MINIMUM PREQUALIFICATION CRITERIA

### IMPORTANT MINIMUM PREQUALIFICATION CRITERIA

- A. Bonding Company must be licensed to do business in Georgia, licensed to do business by the Georgia Secretary of State, authorized to do business in Georgia by the Georgia Insurance Department; listed in the Department of the Treasury's Publication of Companies Holding Certificates of Authority as Acceptable Surety on Federal Bonds and as Acceptable Reinsuring Companies and have **A.M. BEST Rating of A-, FSC V or higher**. Applicant must list name of Bond or Surety Company providing bond - not just the name of Bonding Agent.
- B. Regarding section V, Company Experience – Similar Projects – The applicant must demonstrate the satisfactory construction of at least two (2) stream restoration and (2) stormwater wetland or wetland restoration projects at least \$300,000.00 final contract, within the past five (5) years.  
  
Projects submitted as references for this project shall be of similar size and scope as described herein and within the technical specification and drawings referenced herein. Gwinnett County reserves the right to reject a referenced project if the owner or engineer is dissatisfied within the performance of the applicant. A poor reference is grounds for disqualification.
- C. At least 50 percent of the work will be performed by personnel directly employed by the applicant.
- D. Corporations (including principal/corporate officers), Partners and/or Individuals interested in being considered for prequalification with Gwinnett County shall not be currently under indictment for criminal misconduct involving any local, state, or federal government entity.
- E. Prospective bidder must have restored a minimum of 1,000 feet of perennial stream and installed in-stream rock structures including J-hooks, cross vanes, wing deflectors or other similar structures.
- F. Prospective bidder must have installed at least 2 stormwater wetland, wet-detention facilities, or restored wetland projects.
- G. Prospective bidder must have successfully completed at least two (2) projects requiring work involving dewatering, by-pass pumping and uses and construction of coffer dams.
- H. Prospective bidder must have successfully completed at least two (2) culvert replacement projects of a similar size and scope to this project.
- I. Prospective bidder must have successfully completed at least two (2) projects requiring revegetation of disturbed sites during construction, primarily using native vegetation.

**COMPANY NAME** \_\_\_\_\_  
**APPLICATION FOR PREQUALIFICATION**  
**BID # BL002-10**

- J. Prospective bidder must have successfully obtained a “State of Georgia Utility Contractors License” and submit a copy with this application.
- K. Prospective bidder must demonstrate that it currently has the equipment, either owned or rent/lease agreement, and manpower required to perform the work under this contract.
- L. The applicant must have been the primary contractor for all of the projects listed in this section.

**COMPANY NAME** \_\_\_\_\_  
**APPLICATION FOR PREQUALIFICATION**  
**BID # BL002-10**

**III. GENERAL BACKGROUND**

i. Current name and address of Applicant:

1. Applicant Name: \_\_\_\_\_  
Mailing Address: \_\_\_\_\_  
City: \_\_\_\_\_  
State and Zip: \_\_\_\_\_  
Business Address: \_\_\_\_\_  
City: \_\_\_\_\_  
State and Zip: \_\_\_\_\_  
Contact Person: \_\_\_\_\_  
Telephone and Fax: \_\_\_\_\_

2. Applicant is:  
Corporation \_\_\_\_\_  
Partnership \_\_\_\_\_  
Individual \_\_\_\_\_

(Complete appropriate Affidavit on pages PQ16, 17 & 18 of this Application)

3. Applicant is: Licensed to conduct utility business in the State of Georgia?

Yes \_\_\_\_\_

No \_\_\_\_\_

If Yes, Provide State of Georgia Utility Applicants

License Number: \_\_\_\_\_

ii. Principals/Officers/Individuals authorized to sign contracts:

Name and Title: \_\_\_\_\_  
Name and Title: \_\_\_\_\_  
Name and Title: \_\_\_\_\_  
Name and Title: \_\_\_\_\_  
Name and Title: \_\_\_\_\_

What percentage of the work will the Applicant perform with its own employees? \_\_\_\_\_%

Is Applicant currently under indictment for criminal misconduct involving any local, state, or federal government entity? \_\_\_\_\_

Has Applicant ever been indicted involving any local, state, or federal government entity? \_\_\_\_\_

If so, what was the disposition of the charges? \_\_\_\_\_

List equipment (either owned or rent/lease) and manpower to demonstrate your company can perform the work under this contract (list on separate sheet).

**COMPANY NAME** \_\_\_\_\_  
**APPLICATION FOR PREQUALIFICATION**  
**BID # BL002-10**

**IV. BONDING**

i. Bonding Capacities:

1. What is the Applicant's current total bonding capacity with a contract surety company?

\$ Maximum \_\_\_\_\_

2. What is the Applicant's current single contract bonding capacity with a contract surety company?

\$ Single \_\_\_\_\_

ii. Please identify the Applicant's surety company and the current line of bonding credit that company has extended to the Applicant.

1. Bond Surety Company (Bid)

Name: \_\_\_\_\_  
Mailing Address: \_\_\_\_\_  
City: \_\_\_\_\_  
State and Zip: \_\_\_\_\_  
Contact Person: \_\_\_\_\_  
Telephone and Fax: \_\_\_\_\_  
Bonding Credit: \_\_\_\_\_

2. Bond Surety Company (Payment and Performance)

Name: \_\_\_\_\_  
Mailing Address: \_\_\_\_\_  
City: \_\_\_\_\_  
State and Zip: \_\_\_\_\_  
Contact Person: \_\_\_\_\_  
Telephone and Fax: \_\_\_\_\_  
Bonding Credit: \_\_\_\_\_

iii. Please give the name, address, and telephone number of your current surety agent or underwriting contact:

Name: \_\_\_\_\_  
Mailing Address: \_\_\_\_\_  
City: \_\_\_\_\_  
State and Zip: \_\_\_\_\_  
Telephone and Fax: \_\_\_\_\_

**V. COMPANY EXPERIENCE – SIMILAR PROJECTS**

Projects submitted as references for this project shall be of similar size and scope as described on PQ1 and within the technical specification and drawings referenced herein. Submit a minimum of three projects meeting the criteria listed above. Provide additional project summaries to demonstrate overall experience. Describe projects in terms of degree of difficulty, problems encountered, etc., or any pertinent information that might be used to evaluate your request for prequalification. Gwinnett County reserves the right to reject a referenced project if the owner or engineer is dissatisfied within the performance of the applicant. A poor reference is grounds for disqualification. Gwinnett County may request additional references rather than disqualifying the applicant.
