GENERAL TERMS AND CONDITIONS

Definitions: “Seller” means Sunshine Coast Regional District and “Buyer” is the individual, firm or corporation who is purchasing Seller’s property.

Entire agreement: All sales will be subject to the provisions of this Agreement, including prices or other terms specifically incorporated by reference and NO OTHERS. This Agreement is the entire agreement between Buyer and Seller and supersedes all prior or concurrent oral or written representations and agreements relating to this sale, including Buyers purchase order, which have not been incorporated and made a part of this Agreement by specific written reference. No modification of this Agreement shall be binding on Seller unless agreed to in a writing signed by an authorized representative of Seller.

Condition, Warranty and Location: Unless otherwise specifically provided, all property is offered for sale “AS IS” and “WHERE IS.” The description of property for sale is based on the best available information; however, no warranties or representations, express or implied, whether promissory or imposed by law, are made by seller as to the quantity, kind, character, merchantability or fitness for any use of purpose, except that Seller does warrant validity of title.

Payment: Prior to removal, payment must be made in full in cash, check (current, certified check or cashier’s check), credit card (Visa and Master Card only), or bank debit card and must include GST and provincial sales tax applicable to the sale hereunder, unless an appropriate tax exemption certificate is furnished. Payment must be received within five business days of notice or sale will be considered cancelled—customer may be disqualified. In the event of default or breach of any payment provisions of this Agreement, Buyer agrees to reimburse the Regional District for any collection costs incurred, including attorney fees and court costs.

Delivery and Removal: All Sales are where the merchandise is located at time of sale. Equipment not removed by date specified may be charged a storage rate.

Title: Title to the items of property sold hereunder shall vest in the Buyer as and when full and final payment is made.

Risk of Loss: All risk of loss, damage, or destruction from any cause, whatsoever, shall be borne by the Buyer.

Use of Seller’s Name: Buyer agrees not to advertise in any manner the property hereby sold as being, Seller’s surplus property or to use in any other manner.

Release of Liability: Buyer hereby indemnities and holds harmless the Seller, its Board members, officers, agents and employees from and against any claim or liability, whatsoever, for loss of, damage to disposal, removal, resale or loss of use of any property whether purchased from Seller or owned or controlled by Buyer or for or on account of any personal injury, including death, arising out of or in any manner connected with the sale, disposal, removal, resale or use of said property and further any acts or omissions of Seller, its officers, Board members, agents and employees.

Non-Waiver: Buyer understands that the Property is purchased and accepted “AS IS” and “WHERE IS” and “WITH ALL FAULTS”, and that the price has been established in consideration of this fact and the provisions of this Agreement, specifically including this Paragraph. Any description of the Property by Seller is solely for identification and does not create warranty that the Property shall conform to such description.

Except for seller’s warranty of title, there are no warranties by seller whatsoever (whether express or implied arising by law, course or performance of dealing or usage of trade) including, but not limited to any implied warranties or merchantability fitness for purpose, quantity kind, character, quality, durability, reliability, safety, lack of defects, weight or size of or against infringement or the like by the property. Buyer waives and renounces all such warranties, all liabilities and obligations or seller and all rights. Claims and remedies or buyer against seller (whether arising by law or otherwise) with respect to any non-conformance or defect in the property, including, but not limited to: (1) any obligations, liability right, claim or remedy in tort, whether or not arising from strict liability or the negligence, actual or imputed, or seller; and (2) any obligation, liability right, claim or remedy for loss of or damage to the property or any other property, for loss of use.
