PART I OVERVIEW

UNIVERSITY OF CONNECTICUT Jorgensen Center for the Performing Arts Ticketing/Patron Management System

The University of Connecticut is soliciting bids for a box office ticketing/patron management system for Jorgensen Center for the Performing Arts. Since 2006 Jorgensen Center has used Tickets.com ProVenue Max as its ticketing system.

The successful vendor's application must meet specific criteria incorporating ticketing, marketing and fundraising components accessing one database with provision for secure PCI DSS compliant credit card processing. The successful vendor will provide for robust customer relationship management and include conversion of all pertinent data, a comprehensive staff training and support plan for ticketing, reporting and e-marketing. A smooth, well planned conversion is essential, beginning December 2011.

Background

Jorgensen is looking to enhance current software capabilities by providing options such as online pick-a-seat ticketing and upgrades to reporting functionalities. Onsite software based systems as well as web-based ticketing solutions will be considered.

The Jorgensen Box Office sells tickets not only for Jorgensen events but also for events presented by three other University departments' on-campus events as well. This requires the division of box office proceeds for all in-house and online ticket sales. Additionally, there are several venues and within these venues, several seating configurations. In some cases a subscription series will involve several theater spaces with different seating options.

Scope of the Project

The purpose of this RFP is to solicit bids from ticketing companies interested in providing a ticketing package which would include support, maintenance and training of all components.

The essential needs of the system include:

- Must offer conversion of all house configurations, patron and event data including flags and codes
- Provide Integrated PCI DSS compliant credit card processing (Protobase Software System or like system)
- Have the potential for online student ticket sales/deals using student ID numbers
- Must offer online ticket sales with pick-a-seat option
- Must be able to access and manage web orders, including cancellations, refunds, and exchanges in-house.
- Must be able to separate and identify funds earned by each organization in the End of Day procedure
- Must accommodate multiple venue and seating configurations for performances
- Must be able to sell flex and fixed ticket subscriptions in-house and online including fixed packages to multiple venues and renewals
- The system must have or be compatible with 3rd party applications for enhanced marketing, i.e. Patron Mail and Campaign Creator
- Must offer customized Web design of online ticket order page to maintain the University of Connecticut/ Jorgensen brand
- Must be able to process in-house and online donations tied to patron database and reporting tools

- Must provide a comprehensive list of box office, marketing and donor reports using flag and code (or other) combinations. Reports must be easily modifiable in-house and exportable.
- A comprehensive training and support plan
- All future upgrades included

NOTE: Please note that the University of Connecticut is a tax exempt entity and therefore will not be collecting any taxes.

Receipt of addenda must be acknowledged by each Proposer, and the failure of a Proposer to acknowledge any addendum shall not relieve the Proposer of the responsibility for complying with the terms thereof. All addenda must be signed by an authorized Respondent representative and returned with the proposal on or before the proposal opening date. Failure to sign and return any and all addendum acknowledgements shall be grounds for rejection of the proposal response. (See Section X, Form of Proposal.)

PART IV TERMS AND CONDITIONS

The following terms and conditions will govern in the submission and evaluation of proposals and the award of a contract. Vendors are requested to carefully review the terms and conditions, as they will become part of any subsequent agreement and award.

 - 4.7.1 **RFP Acceptance/Rejection:** The University reserves the right to cancel this Bid, to reject any or all proposals received, or any part thereof without penalty, to waive informalities or irregularities and to award a contract not based solely on the lowest cost, but based on an offer which, in the sole opinion of the University, best fulfills or exceeds the requirements of this RFP and is deemed in the best interest of the School. Non-acceptance of a proposal shall mean that another proposal was deemed more advantageous to the School or that all proposals were rejected. Firms whose

proposals are not accepted shall be notified after a binding contractual agreement between the University and the selected bidder exists or after the University has rejected all proposals.

- 4.7.2 **RFP Submittals:** Any exceptions and/or alternates must be stated in the response to the RFP. Failure to provide required data to allow for evaluation of the RFP or failure to complete the accompanying documents may be grounds for rejecting the RFP.

- 4.7.4 **Minor Defects:** If, during the evaluation process, the University determines that a particular mandatory requirement may be modified or waived and still allow the School to obtain goods/services that substantially meet the intent of this RFP, the mandatory requirement will be modified or waived for all bidders, and all proposals will be re-evaluated in light of the change.

- 4.7.5 **Withdrawal of Proposals:** A proposal shall not be modified, withdrawn or canceled by the bidder for a period of one hundred twenty (120) days following the date and time assigned for the receipt of proposals.

Prior to the time and date assigned for receipt, proposals submitted early shall be modified or withdrawn only by written notice to the University. The Coordinator, as identified in paragraph 3.7, shall receive such written notice.

Modified proposals may be submitted up to the time designated for receipt of the proposals as noted in paragraph 3.8.1 provided they are then fully in conformance with these terms and conditions.

Further, the University assumes no liability for any damage to the property, or for personal injuries, illness, disabilities or deaths the contractor, contractor's employees and any other person subject to the contractor's control, or any other person including members of the general public, caused in whole or in part, by a) contractor's breach of any term or provision of the awarded contract; or b) any negligent or willful act or omission of the contractor, its employees or subcontractors in the performance of the awarded contract.

The contractor agrees to indemnify, save harmless and defend the University from and against any and all liabilities, claims, penalties, forfeitures, suits and the costs and expenses incident thereto (including the cost of defense, settlement and reasonable attorney's fees) which may hereafter incur, become responsible for, or pay out as a result of acts or omissions covered herein.

CONTRACT COMPLIANCE REGULATIONS
NOTIFICATION TO BIDDERS

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

The discount period will be computed from the date delivery is accepted at destination or from date correct invoice is received by the consignee, whichever is the later date.
3. ACCEPTANCE OF A BID BY THE UNIVERSITY IS NOT AN ORDER TO SHIP.
4. Each bid is received with the understanding that the acceptance in writing by the University of the offer to furnish any or all of the commodities and/or services described therein, shall constitute a contract between the bidder and the University, which shall bind the bidder on his part to furnish and deliver the articles quoted on at the prices stated and in accordance with the conditions of said accepted bid; and the University on its part to order from such contractor, except for causes beyond reasonable control; and to pay for , at the agreed prices, all articles specified and delivered.

M. JODI RELL
GOVERNOR

STATE OF CONNECTICUT
EXECUTIVE CHAMBERS

MEMORANDUM

To: Vendors Conducting Business with the State of Connecticut

From: M. Jodi Rell, Governor *[Signature]*

Subject: State Ethics Policy

Date: September 28, 2004

As you are undoubtedly aware, state government is striving to improve how it conducts its business. The task force charged with analyzing the state contracting process recently recommended to me several areas which require improvement. I expect to implement a number of those recommendations. Your assistance is needed in order to facilitate change.

While the state ethics code does not prohibit gifts to state employees altogether—for example, the law permits employees to accept a gift in celebration of a major life event and up to \$50 per calendar year in food and beverage—the intent of the code is clear. State employees should not just avoid impropriety, but even the mere appearance of impropriety, and should forego accepting gifts from those with whom the state does business.

I would also call your attention to section 1-84(m) of the Connecticut General Statutes, which prohibits state employees from accepting gifts from those who do business, or seek to do business, with the employee's agency or department. Vendors and prospective vendors are also prohibited from knowingly giving gifts to state employees in violation of this section.

My request to you is this, no matter how well-intentioned or appreciative you may be of an employee's assistance, I would ask that you refrain from offering a state employee a gift of any kind, including, but not limited to, meals and beverages. Offering a gift to an employee puts the employee in the rather uncomfortable position of having to decline the gift or ascertain its monetary value and consult with an attorney and/or the state Ethics Commission.

I expect—and indeed the residents of this state deserve—state government employees to adhere to the highest ethical standards, which may entail more stringent practices than even the ethics code provides. With your assistance, the state should be well on its way to restoring the public's faith in state government.

I would appreciate it if you would communicate this message to your employees. Thank you for your cooperation and understanding.

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

Additional information and the entire text of P.A 07-1 may be found on the website of the State Elections Enforcement Commission, www.ct.gov/seec. Click on the link to "State Contractor Contribution Ban."

(a) The following subsections are set forth here as required by section 4a-60 of the Connecticut General Statutes:

(1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, mental disability or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or of the state of Connecticut. The contractor further agrees to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, mental disability or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved; (2) the contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the contractor, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the commission; (3) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the commission advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (4) the contractor agrees to comply with each provision of this section and sections 46a-68e and 46a-68f and with each regulation or relevant order issued by said commission pursuant to sections 46a-56, 46a-68e and 46a-68f; (5) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor as relate to the provisions of this section and section 46a-56.

- (g) The following subsections are set forth here as required by section 4a-60a of the Connecticut General Statutes: (1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of sexual orientation, in any manner prohibited by the laws of the United States or of the state of Connecticut, and that employees are treated when employed without regard to their sexual orientation; (2) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the Commission on Human Rights and Opportunities advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (3) the contractor agrees to comply with each provision of this section and with each regulation or relevant order issued by said commission pursuant to section 46a-56; and (4) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor which relate to the provisions of this section and section 46a-56.

The contractor shall take such action with respect to any such subcontract or purchase order as the commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with section 46a-56; provided, if such contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the commission, the contractor may request the state of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.

The Contractor shall have ten (10) days to reply to the Notice to Cure and indicate why the contract should not be terminated and recommend remedies to be taken.

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
