SECTION 1: BACKGROUND, NEED AND PURPOSE, STATEMENT OF WORK, AND TERMS OF AGREEMENT

NOTE: The grantee must apply for the grant during a quarter having a proposal submission deadline of a minimum of six months before the event. *(To determine the deadline date to apply, Step 1. Determine the date of proposed event or date of first in multiple events. Step 2. Determine date six months before that date. Step 3. Determine the quarterly deadlines for submitting proposal in Section 7 of this RFP. The proposal must be submitted in the quarter in which the date in step 3 falls or an earlier quarter.)*

1.1 Background

The Florida Developmental Disabilities Council, Inc. (FDDC), also known as the "Council", a non-profit corporation organized pursuant Chapter 617, Florida Statutes, was authorized by Section 393.002 Florida Statutes, and Executive Order of the Governor (E.O. 95-478), empowered the Council to act as the "state designated agency" to administer the funds under Part B of the Developmental Disabilities Assistance and Bill of Rights Act (Public Law 106-402).

The administrative service provisions for the Council are found in federal regulations Office of Management and Budget (OMB) Circular A-110 and 45 Code of Federal Regulations (CFR) 74.

The developmental disabilities formula grant funds come from the U.S. Department of Health and Human Services (DHHS) and are administered by the Administration for Children and Families (ACF). Funds are authorized by P.L. 106-402: Developmental Disabilities Assistance and Bill of Rights Act of 2000, and are cited in 42 U.S.C. 6000, et. seq., as amended. Funds are made available to the states to be used for improving the quality, extent, and scope of the broad range of community services needed by persons with developmental disabilities. Priority is given to those persons whose needs are not otherwise met under the Individuals with Disabilities Education Act, the Rehabilitation Act of 1973, or other health, education, or welfare programs.

In accordance with the federal Developmental Disabilities Assistance and Bill of Rights Act, 42 U.S.C. s. 6001(8), developmental disabilities is defined as a severe, chronic disability of an individual which: A) is attributable to mental or physical impairment or combination of mental and physical impairments; B) is manifested before the person turns age twenty-two; C) is likely to continue indefinitely; D) results in substantial functional limitations in three or more of the following areas of major life activity --self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency; and E) reflects the person's need for a combination and sequence of special, interdisciplinary, or generic care, treatment, or other services which are of lifelong or extended duration and are individually planned and coordinated; except that such term, when applied to infants and young children means individuals from birth to age nine, inclusive, who have substantial developmental delay or specific congenital or acquired conditions, may be considered to have a developmental disability described above, if, without services and supports, they have high probability of meeting those criteria later in life.

1.2 Need and Purpose

This Request for Proposal (RFP) is being issued by the Florida Developmental Disabilities Council to provide opportunities for public and private sector agencies, organizations, and other interested individuals to conduct local, regional, or statewide workshops, training sessions, and conferences that are directed at enhancing the quality of life for families and individuals with developmental disabilities in their community and reflect the Council's mission and goals. This RFP is in response to the need

demonstrated by the numerous requests received by the Council for funds to support workshops, training sessions and conferences. The Council believes that individuals with developmental disabilities should be included in all aspects of life – school, community, work, and play. Appropriate supports and services are needed to ensure full participation in the community. Successful inclusion and attainment of services and supports requires advocacy by individuals with developmental disabilities and their families. Such advocacy necessitates knowledge of disabilities, available supports and services, program requirements, best practices, federal and state laws, and numerous other aspects of the issues and systems for disability services. Advocates who are more informed are better equipped to obtain the supports they need to live successful lives in the community. Advocates need training and access to information to help them navigate the complex disability system and empower them to obtain the support they need.

1.3 Statement of Work

This RFP is being issued by the Florida Developmental Disabilities Council to provide funding for organizations, agencies, and other interested parties to conduct trainings, conferences, and other events that benefit individuals with developmental disabilities and their family members.

Respondents should submit proposals not exceeding \$12,500.00 in requested funds. Awardees of RFP100 funding can receive funding two years in a row, but then will not be eligible for additional funds under this RFP for a period of twenty-four (24) months from the end date of the last award.

The specifications for conducting this project are as follows:

1. The project to be funded under this RFP must be a local, regional, or statewide training, conference, or other such event to benefit individuals with developmental disabilities and family members.
2. The grantee must ensure the full participation of individuals with developmental disabilities and family members in the project. This may include provision for accommodations and financial assistance for individuals to attend.
3. The grantee must involve individuals with developmental disabilities and/or family members in the planning and execution of the training, conference, or other such event.
4. The grantee must actively market the conference, training, or event to individuals with developmental disabilities and/or their families, with a particular emphasis on outreach to the rural areas, individuals from diverse ethnic backgrounds, and traditionally underserved groups.
5. The grantee must apply for the grant during a quarter having a proposal submission deadline of a minimum of six months before the event. *(NOTE: To determine the deadline date to apply, Step 1. Determine the date of proposed event or date of first in multiple events. Step 2. Determine date six months before that date. Step 3. Determine the quarterly deadlines for submitting proposal in Section 7 of this RFP. The proposal must be submitted in the quarter in which the date in step 3 falls or an earlier quarter.)*
6. The grantee must evaluate the project. This evaluation must include, but is not limited to, the effectiveness of the outreach/marketing strategies; the extent to which the purposes of the grant were met; and the outcomes/results of the project.
7. A limit of one grant will be awarded each quarter unless no grant was awarded during a previous quarter of the current federal fiscal year (October 1 through September 30).
6. The grantee must report the expenditure of funds to the council on a periodic basis, including, but not limited to, the individuals for whom the funds were used, when, and the event. Additional deliverables will be required to document provision of the services of the grant.
7. The grantee must provide documentation of the required match for project related expenses. Volunteer time used as match must be limited to 5% of the total match amount.
8. The grantee must provide a copy of the latest Uniform Business Report filed with the Department of State, if the grantee is a Florida Corporation.
9. The grantee must identify any tangible product resulting from the project (advertising, workbooks, video tapes, etc.)

10. The grantee must receive Council approval for each product prior to duplication or publishing of such and acknowledge that any and all materials developed as a result of the proposed project will be the property of the Council and the U.S. Department of Health and Human Services unless the material was previously copyrighted.

1.4 Terms of Agreement

The contract resulting from this RFP will be in effect between approximately six and 12 months. Each approved proposal will normally be awarded no more than \$12,500.00 from FDDC. The total of all awarded proposals may not exceed \$53,000.00 allocated this year for this RFP. Proposals will be reviewed according to quarterly dates found in Section 4 of this RFP, until funding has been depleted. The type of contract and funding amount will be developed during contract negotiations. Generally, contracts will be cost reimbursement.

A Match requirement is required in each proposal of not less than 33% of the total project costs, to be finalized as part of the negotiations process. Grantees must match \$1 for every \$3 requested to reach a 33% match of the total approved cost of the project. Documentation of 33% match of project expenses must be maintained. The match requirement may be satisfied by values placed on in-kind contributions or through grantee-incurred costs, or by a combination of the two. Not more than 50% of said Match requirement shall be "In Kind" match and not more than 5% of said Match requirement shall be volunteer time of individuals who are not grantee employees. Costs paid by other federal grants may not be used for match. The match must fund activities directly related to the project. Indirect cost is calculated on and cannot exceed ten percent (10%) of total salary and fringe benefits. *Note: To calculate the match share for the 33% required match, divide the amount of your request by three. Then, to calculate the total grant amount, combine the one-third figure with the dollars requested. (i.e., funds requested \$10,000 divide by 3 = match amount of \$3,333.33. \$10,000+\$3,333.33 =total project cost of \$13,333.33)*

SECTION 2: REQUEST FOR PROPOSAL PROCESS

The process involved in soliciting proposals, evaluation proposals, and selecting the offeror for contract negotiation leading to the award of a contract is a multi-step process:

- Step 1: RFP release by FDDC
- Step 2: Letter of Intent submitted in accordance with the Proposal Schedule of Events and Deadlines listed in Section 7
- Step 3: Written Questions submitted in accordance with the Proposal Schedule of Events and Deadlines listed in Section 7
- Step 4: Response to Written Questions in Accordance with the Proposal Schedule of Events and Deadlines listed in Section 7
- Step 5: Offerors' RFP proposals submitted in Accordance with the Proposal Schedule of Events and Deadlines listed in Section 7
- Step 6: Mandatory Criteria Evaluation
- Step 7: Proposal scoring
- Step 8: Contract negotiations

2.1 Contact Person

This RFP is issued by FDDC. It is advertised within the Florida Administrative Weekly publication and on the FDDC web site at fddc.org. The sole point of contact is:

Lisa Taylor, Chief Financial Officer
Florida Developmental Disabilities Council, Inc.
124 Marriott Drive, Suite 203
Tallahassee, Florida 32301 - 2981
Phone: 850 / 488-4180
Fax: 850 / 922-6702
TDD: 850 / 488-8633

2.2 Offeror Disqualification

To be disqualified as an offeror under this provision, the offeror must have: (1) had a contract terminated by FDDC for cause; or (2) developed or drafted specifications, requirements, statements of work, invitations for bids and/or requests for proposals contained within this RFP before its publication in the Florida Administrative Weekly and/or the FDDC web site.

2.3 Provider Performance

The provider's performance will be assessed and documented throughout the life of the contract by the contract manager. This assessment of the provider will be based upon the following: the quality of the deliverables and products produced; the implementation of provision of services as stipulated in the contract; compliance with all provisions of the contract; and the general performance of the provider in meeting the expectations of the contract manager and the Council, as well as the end result of the project.

At the conclusion of the contract, an overall assessment of the provider's performance relative to the contract will be conducted. If the performance assessment identifies serious inadequacies in adherence to contract requirements or in meeting performance expectations listed in the contract, the contract manager will notify the provider in writing and stipulate the improvements or corrective action(s) that need to be exhibited or accomplished in any subsequent contracts with the Council. This information will become a part of the provider's performance profile for use by other Council contract managers when assessing RFP proposals and when developing and implementing subsequent contracts with this provider.

Agencies, organizations and/or consultants who exhibit the same inadequacies in subsequent contracts with the Council, risk the Council invoking its right to prohibit sole sourcing with said provider for up to three years. A prohibition from sole sourcing and the documented provider performance assessment that led to this prohibition will be considered sufficient evidence of the provider's inability or unwillingness to perform and, in turn, exclude that provider from being awarded a contract through a Council RFP process, again for up to three years.

2.4 Limitations on Contacting FDDC Personnel, Board Members and Committee Members

Prospective offerors are prohibited from contacting FDDC personnel, FDDC board members, or any member of the final Selection Committee other than the person named in Section 2.1. Violation of this limitation may result in disqualification of the prospective offeror. However, FDDC will conduct regularly scheduled business with offerors currently under contract with FDDC.

FDDC reserves the right to reject any and all proposals or to waive minor irregularities when to do so would be in the best interest of FDDC. Minor irregularities are defined as a variation from the RFP terms and conditions which does not affect the price of the proposal, or give the prospective offeror an advantage or benefit not enjoyed by other prospective offerors, or does not adversely impact the interest of the agency. At its opinion, FDDC may correct minor irregularities but is under no obligation to do so whatsoever.

2.7 Withdrawal of Proposal

A written request for withdrawal, signed by the offeror, may be considered if received by FDDC within 72 hours after the proposal opening time and date indicated in the Schedule of Events. The description should include an explanation of how the QA/QI System for this project is integrated into the provider organization's QA/QI System. The provider should propose measurable outcomes against which their overall progress is determined. Some basic evaluation needs to be completed such as regularly updated work plan, identification of any barriers to meeting objectives, time lines and outcomes, as well as completion of the Council's Exhibits I, Data Collection Form, and J, Consumer Satisfaction Survey.

3.7 Budget and Budget Narrative

Offerors will include in this section a proposed line item budget, accompanied by a detailed budget narrative, using the format provided. The offeror shall not engage, on a full- or part-time basis, anyone employed by the FDDC.

5.9 Standard Contract

FDDC's Standard Contract (Attachment VII) contains all administrative, financial and nonprogrammatic terms and conditions usually mandated by federal or state statute and policy of FDDC. Use of this document is mandatory for contracts as it contains the basic clauses required in all contracts. The terms and conditions contained in the Standard Contract are non-negotiable.

SECTION 6: PROPOSAL EVALUATION CRITERIA AND SCORING

6.1 Description of Ranking

Ranking of proposals will be based on the scoring by the Selection Committee with the proposal scoring

the highest being ranked first. A final site visit to the offeror with the highest ranking may be conducted prior to final contract negotiations.

6.2 Selection Committee

A Selection Committee of not less than three people will be used to read, evaluate, and rank properly submitted proposals. The Selection Committee will be comprised of members of FDDC and, if necessary, others with pertinent backgrounds.

6.3 Selection Committee Evaluation

The maximum possible score for any proposal is 100 points. **Proposals that score less than 85 are ineligible for award under this RFP.** While developing the proposal, please refer to the scoring criteria below for assuring completion.

The selection committee will consist of a minimum of three members. Each member will read and score each proposal independently, discuss each proposal jointly, and then submit final results for tabulation. The quantitative score from each member will be averaged and a final score will be assigned to the proposal. Scores will be ranked in numerical order and submitted to the Council's Chief Financial Officer.

The highest ranked proposal will be funded through this RFP. If negotiations with the highest ranked contractor are unsuccessful, the proposal will no longer be considered, and the next highest ranked proposal may be contacted for negotiation. This process will continue until a contract is awarded, or until the selection committee recommends otherwise. All proposals will remain with the Council and will not be returned to the offeror after the RFP process is completed. Scored criteria are grouped into the following categories and weighting:

1.0 Response to Need and Purpose (15 Maximum points)

The proposal contains sufficient information to determine that the offeror understands the need for and purpose of this project.

2.0 Description of Plan to Perform Tasks (35 Maximum points)

The proposal contains a narrative description of the activities to be performed, including a detailed work plan, that is adequate and sufficient to accomplish the requirements of the RFP and reflects the values and mission of the Council.

3.0 Description of Staffing (20 Maximum points)

Person(s) engaged to complete the activities of this project are qualified to perform the required duties, including relevant experience in the area of training or conferences and are organized to meet the time frames established.

4.0 Description of Quality Assurance/Quality Improvement System (10 Maximum points)

The proposal contains a description of the measurable outcomes that are consistent with the actions in the work plan and will serve to evaluate the provider's performance and the overall effectiveness of the project.

5.0 Budget and Budget Narrative (15 Maximum points)

The proposal includes a proposed line item budget, accompanied by a detailed budget narrative, on a separate sheet of paper. The budget narrative must explain and demonstrate that each entry on the line item budget sheet is allowable, reasonable and necessary. The budget and budget narrative must present a

cost-effective funding level for achieving the purpose of the project.

6.0 References (5 Maximum points)

At a minimum, two references will be contacted to obtain recommendations of the provider's current and/or past performance. For providers who have a history of contracting with FDDC, one of those references will be the FDDC assessment of performance.

TOTAL MAXIMUM POINTS 100

6.4 Identical Tie Bid

When evaluating proposals, if the Council is confronted with identical pricing or scoring from multiple providers, the Council will invite the proposers with the tie bids to each make an oral presentation. Following the presentation and a question and answer period, the committee will select the proposal deemed in the best interest of the Council.

C. Federal Laws and Regulations.

1. Because this contract contains federal funds, the Provider shall comply with the provisions of each federal regulation included within the list provided as Attachment III to this agreement, to the extent applicable.
2. Because this contract contains federal funds, the Provider shall comply with the provisions of Office of Management and Budget (OMB) Circular No. A-21, as revised, "Cost Principles for Educational Institutions;" OMB Circular No. A-87, as revised, "Cost Principles for State, Local and Indian Tribal Governments;" or OMB Circular No. A-122, as revised, "Cost Principles for Non-Profit Organizations;" as applicable.

4. Where applicable, to include these aforementioned audit and record-keeping requirements in all approved subcontracts and assignments.
5. To maintain and file with the Council's contract manager such progress, fiscal and inventory reports as specified in Attachment I, and other reports as the Council may require within the period of this contract. Such reporting requirements must be reasonable given the scope and purpose of this contract.

E. Records and Documentation.

1. The provider shall protect the confidential records from disclosure and protect participants' confidentiality in accordance with state and federal laws.
2. Not to use or disclose any information concerning a recipient of services under this contract for any purpose not in conformity with state regulations and federal law or regulations (45 CFR s. 205.50), except upon written consent of the recipient, or the responsible parent or guardian when authorized by law.

4. To retain all records of individuals receiving services, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this contract for a period of five (5) years after termination of the contract, or if any audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings. The Provider will cooperate with the Council to facilitate the duplication and transfer of any said records or documents during the required retention period.

1. Persons duly authorized by the Council and state and federal auditors, pursuant to 45 CFR, s. 92.36(i)(10), shall have full access to and the right to examine any of said records and documents at all reasonable times during the period of this contract, during said retention period, or as long as records are retained, whichever is later. Those persons authorized to do so shall be entitled to inspect any records, papers, documents, facilities, or goods and services of the Provider relevant to this contract, and may interview any recipients of services and employees of the provider to be assured of satisfactory performance of the terms and conditions of this contract. Following such inspection the Council will deliver to the Provider a list of its comments, including specifically any noted deficiencies with regard to the manner in which said goods or services are being provided. The Provider will rectify all noted deficiencies provided by the Council within the specified period of time set forth in the comments or provide the Council with a reasonable and acceptable justification for not correcting the noted shortcomings. The Provider's failure to correct or justify within a reasonable time as specified by the Council may result in any one or a combination of the following: the withholding of payments; being deemed in breach or default of this contract; and termination of this contract for cause.

G. Indemnification.

1. Provider agrees that it will indemnify, defend, and hold harmless the Council and all Council's officers, agents and employees from any claim, loss, damage, cost, charge, or expense arising out of any act, action, neglect or omission by Provider, its agents, employees, or subcontractors during the performance of the contract, whether direct or indirect, and whether to any person or property to which Council or said parties may be subject, except that neither Provider nor any of its subcontractors will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of the Council, its officers, agents, or employees.
2. Provider's obligation to indemnify, defend, and pay for defense or at the Council's option, to participate and associate with the Council in the defense and trial of any claim and any related settlement negotiations, shall be triggered by the Council's notice of claim for indemnification to Provider. Provider's inability to evaluate liability or its evaluation of liability shall not excuse Provider's duty to defend and indemnify within seven (7) days after receipt of such notice by the Council, given by certified mail, return receipt requested. Only an adjudication or judgment after the highest appeal is exhausted specifically finding the Council solely negligent shall excuse performance of this provision by Provider. Provider shall pay all costs and fees, including attorney's fees, related to this obligation and its enforcement by the Council, and the venue for any such enforcement action or other proceeding, if separately filed, shall be Leon County, Florida.

3. If the Provider is a state agency or subdivision as defined by s. 768.28, Fla. Stat., this entire indemnification clause shall be deemed inapplicable and without force or effect, pursuant to the mandate of s. 768.28(19), Fla. Stat.

H. Insurance.

1. To provide adequate property and personal liability insurance coverage on a comprehensive basis, to name the Council as a co-insured, and to hold such liability insurance at all times during the existence of this contract and any renewal(s) or extensions(s), such that coverage will be provided for incidents occurring during the term of this agreement even if asserted after its termination. The Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider, the individuals receiving services under this contract, and the Council. At the time of the execution of this contract and the Insurance Certification Form, DDC Form 00-01 (Exhibit C), the Provider shall furnish the Council's contract manager written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Council reserves the right to require additional insurance as specified in Attachment II, where appropriate.

2. If the Provider is a state agency or subdivision as defined by s. 768.28, Fla. Stat., the Provider shall furnish the Council's contract manager, upon request, written verification of liability protection and scopes of coverage as provided in Ch. 284, Parts I and II, and s. 768.28, Fla. Stat. Nothing herein shall be construed to extend any party's liability beyond that authorized in s. 768.28, Fla. Stat.

I. Staffing Requirements.

1. Staffing Levels

The provider shall maintain staffing levels sufficient to fulfill the obligations of this contract.

2. Professional Qualifications

The Council will approve and be provided with a copy of the professional credentials, certifications and resumes of the provider's project managers, trainers, and conference presenters.

3. Staffing Changes

The provider shall notify the Council's program manager, in writing, of any staffing changes. Prior to replacing the director of the contracted project, the provider must notify in writing and obtain approval from the Council for the replacement. If the Council is not satisfied that this replacement can carry out the requirements of the contract, the contract will be terminated.

4. Hiring Individuals with Disabilities

The provider is encouraged by the Council to hire qualified individuals with disabilities to work on projects funded by this Council.

J. Subcontracts and Assignments.

1. The provider will neither assign the responsibility of this contract to another party nor subcontract for any of the work contemplated under this contract without prior written approval of the Council.

2. The provider will be responsible for all work performed and all expenses incurred with the project. If the Council permits the Provider to subcontract all or part of the work contemplated under this contract, including entering into subcontracts with vendors for services and commodities, it is understood by the Provider that all such subcontract arrangements shall be evidenced by written document subject to prior review and comment by the Council. Such review of the written subcontract document by the Council will be limited to a determination of whether or not subcontracting is permissible, whether the offered subcontractor is acceptable to the Council, and the inclusion of applicable terms and conditions of this contract. The Provider further agrees that the Council shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and the Provider shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The Provider, at its expense, will defend the Council against such claims.

3. The Council shall at all times be entitled to assign or transfer its rights duties, or obligations under this contract to another entity, upon giving prior written notice to the Provider. In the event the Council approves transfer of the Provider's obligations, the Provider remains responsible for all work performed and all expenses incurred in connection with the contract. In addition, this contract shall bind the successors, assigns, and legal representatives of the Provider and of any entity that succeeds to the obligations of the Council.

4. Unless otherwise stated in the contract between the Provider and subcontractor, payments made by the Provider to the subcontractor must be within ten (10) working days after receipt of full or partial payment from the Council. Failure to pay within ten (10) working days will result in a penalty charged against the Provider and paid to the subcontractor in the amount of one-half (1/2) percent of the amount due, per day, from the expiration of the period allowed for payment until such time as payment is made. Such penalty shall be in addition to actual payments owed and, notwithstanding the foregoing, shall not exceed fifteen (15) percent of the outstanding balance due.

K. Return of Funds.

1. To return to the Council any overpayments due to unearned funds or funds disallowed pursuant to the terms of this contract that were disbursed to the Provider by the Council.
