PROJECT DESCRIPTION

Trap Maintenance Hole Modification and Upgrade Phase 1 Work Order No. SZC12154

WORK DESCRIPTION

An exemption from the prohibition of work during peak hours on City streets will be requested for this project.

The scope of this project consists of remodeling 29 sewer maintenance hole bases and replacing twenty 8-inch gas traps, two 10-inch gas traps, five 12-inch gas traps, and two 15-inch gas traps in these sewer maintenance holes with new gas traps to be provided by the City of Los Angeles so as to eliminate sewer odors in the nearby area. This work will also require some sewer bypassing, odor control, traffic control, and possibly some sewer pipe repair.

CONTRACTOR'S LICENSE CLASSIFICATION

At the time of bid the contractor must possess a valid State of California Contractor's License Classification of "A" or a combination of "C" licenses within the field and scope of a majority of the work.
