The Authority's annual travel purchases are approximately as follows, 300 airline tickets and less than 100 bookings for both hotel reservations and car rentals. II. BACKGROUND

The Chicago Transit Authority (CTA) is the nation's second largest public transportation system.

The CTA, which was created by state legislation, began operation on October 1, 1947, after acquiring the properties of the Chicago Rapid Transit Company and the Chicago Surface Lines. The CTA expanded again on October 1, 1952 when it purchased the Chicago Motor Coach system.

The CTA provides bus and rail service to the city of Chicago and 40 surrounding suburbs. CTA trains and buses provide 1.7 million rides on an average weekday over eight rail lines and 150 bus routes.

There are approximately 2,000 buses operating over 154 routes totaling 2,517 route miles. Buses make over 25,000 trips daily, and serve nearly 12,000 bus stops throughout the region.

CTA's fleet of 1,190 rapid transit cars operate over eight rapid transit routes and 144 stations over approximately 242.2 miles of track. Rail cars provide approximately 500,000 customer trips each day.

B. Oral Presentations

The CTA reserves the right to require oral presentations from any or all of the firms in contention for negotiations or award of this contract. Failure of a Proposer to report for an oral presentation will be cause to dismiss that Proposer from further consideration. The CTA, however, shall not be obligated to hear oral presentations from any Proposer or conduct negotiations with any Proposer.

C. Best and Final Offer

Should negotiations occur, the CTA will issue an invitation to submit a **BEST AND FINAL OFFER** to those proposers in the competitive range. At the conclusion of negotiations, and following receipt of any and all additional materials requested, CTA may determine a relative ranking of Proposers based on an all-inclusive evaluation.

Contract Number:
Contract \$ Value:

This Contract is made and entered into as of the _____, day of _____ 20____ by and between _____, a corporation/partnership/company having its principal place of business at _____ (hereinafter referred to as the "Consultant"), and Chicago Transit Authority, a political sub-division, body politic and separate municipal corporation having its principal place of business at 567 West Lake Street, Chicago, Illinois 60661-1498 (hereinafter referred to as the "Authority").

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties agree as follows:

PART A, ARTICLE 1. RECITALS AND DEFINITIONS

1.1 Incorporation of Recitals.

The above recitals are hereby expressly incorporated herein and made a part of this Contract.

Partial or incomplete Deliverables may be provided to the Authority only when required for a specific and well-defined purpose and when consented to in advance by the Authority. In no event will partial or incomplete Deliverables be considered as satisfying the specific submittal requirements set forth

herein. The delivery of Partial or incomplete Deliverables to the Authority will in no way relieve the Consultant of its schedule or cost commitments hereunder.

Because the Scope of Services is not intended to cover every detail of the Services and Deliverables, the Consultant will furnish all labor, materials, equipment, and incidentals as well as all additional, collateral, and incidental work, as required and necessary to complete the Scope of Services, whether or not these details are specified in this Contract, all at no additional cost to the Authority.

In the event the Consultant fails to comply with the standards specified in the Contract, the Consultant will perform again, at its own expense, any and all of the Scope of Services, which were directly or indirectly affected by such failure. Notwithstanding any review, approval, acceptance, or payment for any or all of the Scope of Services by the Authority, the Consultant will be and remain responsible for the professional and technical accuracy of the full Scope of Services required under this Contract. This provision will in no way be considered as limiting the rights of the Authority against the Consultant either under this Contract, in law, or in equity.

2.2 Delivery Schedule.

All Scope of Services must be delivered in a timely manner consistent with the established time requirements set forth in PART C, Exhibit 1.3 of this Contract, Project Schedule/Contract Time.

2.3 Site.

The Location(s) for delivery of the Scope of Services under this Contract are as identified in PART C, Exhibit 1.1.

2.4 Meetings.

The Consultant will meet with the Authority's representatives via teleconference, videoconference, or in person, on a regular basis throughout the term of the Contract, to inform the Project Manager of the status of performance, including without limitation, resolved and unresolved issues, schedules, costs, recommendations and any other appropriate items.

The Consultant will prepare written progress reports on a _____ basis, or as otherwise required by the Project Manager, ("Reporting Period") throughout the term of the Contract. All reports will be submitted by the Consultant to the Authority within _____ days after the close of the Reporting Period. Included within each written report will be the following:

1. Summary of the Scope of Services provided within the Reporting Period.
2. Scope of Services planned for the next Reporting Period.
3. Problems encountered, solutions proposed and assistance required.
4. Status of the budget indicating the amount invoiced to date, the amount remaining, and a discussion of problems anticipated completing the Scope of Services on budget.

2.6 Term.

The term of this Contract will commence as of date on which both parties have executed this Contract and continue for a period of three years (the "Term"). The Consultant will commence its performance of the Scope of Services under the Contract as of the first day of the Term hereof unless the Authority notifies the Consultant that it elects to issue a Notice-to-Proceed, in which case the Consultant will commence its performance on the date set forth in the Notice-to-Proceed and Consultant must complete its performance by the last day of the Term (the "Contract Time").

PART B, ARTICLE 3. PROFESSIONAL STANDARDS AND CORRECTIONS

3.1 Standard of Performance.

The Consultant will perform the full Scope of Services required under the terms and conditions of this Contract with the degree of skill, care, and diligence normally exercised by professionals performing similar types of services in projects of a scope and magnitude comparable to Scope of Services described herein. The Consultant must at all times act in the best interest of the Authority, consistent with the professional and fiduciary obligations assumed by it in entering into this Contract. The Consultant must perform the full Scope of Services under this Contract in accordance with the terms and conditions of this Contract and to the reasonable satisfaction of the Authority.

All Services to be performed or Deliverables to be prepared by the Consultant which require the exercise of professional skills or judgment, must be accomplished by professionals holding all training, education, certificates, and licenses required to practice in the applicable professional discipline(s) in the State of Illinois.

3.2 Errors and Omissions.

The Consultant will be responsible for the professional quality, technical accuracy, and coordination of all Scope of Services under this Contract. The Consultant will be liable for the Authority's costs resulting from errors or deficiencies in the Scope of Services furnished under this Contract. If at any point the Authority determines that the Consultant is reasonably liable for any error or deficiency, the General

Manager, Purchasing will notify the Consultant in writing of the liability. Within 30 days of said notification, the Consultant will remit the amount of the liability to the Authority or notify the Authority of its disagreement. Any disagreement must be resolved pursuant to PART B, Article 7.

3.3 Correction of Services.

The Consultant will promptly correct or re-perform all Scope of Services identified by the Authority as failing to conform to the Contract requirements at no additional expense to the Authority. If the Consultant fails or refuses to correct or re-execute the Scope of Services identified as failing to conform to Contract requirements, the Authority may correct or re-execute with similar Scope of Services and charge the Consultant for any cost to the Authority or make an equitable adjustment to the Contract Price.

Neither final payment nor any provision in the Contract will relieve the Consultant of responsibility for deficiencies in Scope of Services and, unless otherwise specified in the Contract, the Consultant must remedy any such deficiencies at no additional expense to the Authority. All questions arising under this Section 3.3 shall be decided by the General Manager, Purchasing subject to PART B, Article 7.

PART B, ARTICLE 4. PAYMENTS

4.1 Payment.

The Consultant must submit appropriate invoices to the Authority on forms furnished or approved by the Authority. The invoice will only be for Scope of Services completed during the invoice period including all Subconsultants' fees. Unless specified otherwise in PART C, Exhibit 2, Payment Schedule or PART C, Exhibit 7, Special Conditions, payment will be made net 30 days after approval of submitted invoice.

Payment will be made on the basis of invoices and supporting documentation, approved by the Authority. Unless expressly provided in PART A, Article 3, neither Consultant nor any Subconsultant will be entitled to reimbursement of costs or expenses.

At the time the Consultant reaches 80% of the value of the Contract Price, it will submit to the Project Manager along with the invoice a "detailed progress report" and a statement whether the Scope of Service will be completed for the full Contract Price.

4.2 Criteria for Payment.

1. Progress Payments. Upon receipt of an invoice from the Consultant, the Authority will pay the Consultant the applicable fee for the Scope of Services deemed satisfactorily performed. A progress payment, or partial or entire use of the Scope of Services by the Authority, will not constitute acceptance of the Scope of Services. Acceptance can only occur at Contract completion.
2. Final Payment. Final payment will be made by the Authority only after the Scope of Services has been accepted and the Consultant has furnished the Authority all warranties required under the Contract. The acceptance of final payment by the Consultant will operate as, and will be, a release to the Authority, its employees, and agents from all claims or liability under this Contract, for anything done or furnished or relating to the Scope of Services under this Contract, or for any act or neglect of the Authority relating to or connected with this Contract. Final payment will not, however, relieve the Consultant and its Subconsultants from the requirements of this Contract.

4.3 Prompt Payment to Subconsultants.

1. The Consultant is required to pay all Subconsultants, for all work that the Subconsultant has satisfactorily completed, no later than 5 working days after the Consultant has received payment from the Authority.

2. In addition, all retainage amounts, if any, must be paid by the Consultant to the Subconsultant no later than 14 working days after the Subconsultant has satisfactorily completed its portion of the Scope of Services whether or not the Authority has paid the Consultant for that portion of the Scope of Services.
3. A delay in or postponement of payment to the Subconsultant by Consultant requires good cause and prior written approval of the General Manager, Purchasing.
4. The Consultant is required to include, in each subcontract, a clause requiring the use of appropriate arbitration mechanisms to resolve all payment disputes.
5. The Authority will not pay the Consultant for Services performed or Deliverables submitted unless and until the Consultant certifies that the Subconsultants have been promptly paid for the work or Services they have performed under all previous payment requests, as evidenced by the filing with the Authority of lien waivers, canceled checks, and the Consultant's sworn statement that it has complied with the prompt payment requirements.
6. Failure to comply with prompt payment requirements is a breach of the Contract, which may lead to any remedies permitted under law, including, but not limited to Consultant debarment.

4.4 Overpayment.

If, at any point, the Authority determines that the Consultant has been overpaid, the General Manager, Purchasing will provide written notice to the Consultant of the overpayment. The Consultant must remit the amount of overpayment to the Authority within 30 days of said notification or notify the Authority of its disagreement. Any disagreement will be resolved pursuant to the Disputes provision in PART B, Article 7.

4.5 Taxes.

Federal Excise Tax does not apply to materials purchased for the Authority by virtue of Exemption Certificate No. 36-73-0234K. Illinois Retailers Occupation Tax, Use Tax, and Municipal Retailers' Occupational Tax do not apply to materials or services purchased by the Authority by virtue of Chapter 70 Illinois Compiled Statutes Section 3605, 33 as amended. These taxes must not be included in any of the prices quoted in the Consultant's Proposal. The Authority's Illinois Tax Exemption Identification number is E9978-2987-04.

4.6 Disputed Invoices or Charges.

In the event of a dispute between the Consultant and the Authority as to whether any particular invoice or charge will be paid, or as to whether the amount of such charge is reasonable, allocable, or allowable under this Contract, the Authority and the Consultant will, jointly or individually, refer such dispute to the General Manager, Purchasing for resolution in accordance with PART B, Article 7.

4.7 Payment for Changes.

Any revisions to the Contract Price made necessary by Changed Services will be made in accordance with PART B, Article 5.

PART B, ARTICLE 5. CHANGES IN THE SERVICES OR DELIVERABLES

5.1 Right to Change Services.

The Authority may at any time or from time to time, order additions, deletions, or revisions to the Scope of Services ("Changed Services"). If the Consultant does not have written authorization from the Authority

to proceed with Changed Services, as specified in PART B, Section 5.3 or 5.4, then the Consultant will not be compensated for any Changed Services.

All Changed Services must be executed under applicable Conditions of the Contract. It is agreed by the Consultant that any Change resulting in Changed Services will be paid at the applicable rates set forth in the compensation provisions of this Contract for equivalent items as determined by the General Manager, Purchasing or as otherwise agreed to by the parties and set forth in the terms of the Change Order.

In the event of a decrease in the Scope of Services, the Authority will not pay for lost or anticipated profits resulting from partial or complete deletions of the Scope of Services and an equitable decrease of the Contract Price and Delivery Schedule will be made to reflect the terms of the Change Order as determined by the Authority.

5.2 Proposed Changes in Service.

The process for Changed Services is as follows. The Project Manager will request the Consultant to submit a proposal for Changed Services. The Consultant shall submit a proposal within fourteen (14) days after receipt of the Project Manager's request or such shorter time as the Project Manager may set forth in the request for Changed Services.

In the alternative, if the Consultant chooses to propose Changed Services, the Consultant must submit notice of such request to the Authority for its prior written approval. The Authority may choose to request Consultant to submit a Proposal within a specified time period after receiving Consultant's notice.

The Consultant's proposal shall set forth any changes to the Contract Price or the Contract Time required, in the opinion of the Consultant, to perform the Changed Services. The Authority may or may not choose to authorize the Consultant to perform the Changed Services as identified in the Proposal.

5.3 Proceed Orders and Change Orders.

1. **Proceed Order** - If the Authority orders Changed Services, and the Consultant and the Authority agree on an adjustment, if any, to the Contract Price and/or Contract Time, the Authority will issue a Proceed Order or Change Order. The General Manager, Purchasing's agreement as to a price or time adjustment is subject to final approval as required by the Authority's ordinances, regulations, and rules. The General Manager, Purchasing may issue a Proceed Order to direct the Consultant to proceed with the Changed Services for which the Consultant and the General Manager, Purchasing propose in writing a price and time adjustment, if applicable. Proceed Orders will not entitle the Consultant to compensation or an adjustment to the Contract Time until the Proceed Order is incorporated into a Change Order(s).
2. **Change Order** - The Authority may issue a Change Order as authorization for the Changed Services and/or for payment or time extension, or both. The Authority may also issue a Change Order to modify the terms of the Contract. A Change Order may include future Scope of Services to be performed under the Contract or Scope of Services performed in accordance with previously authorized Proceed Orders. The Consultant cannot be compensated for any Scope of Services authorized through a Proceed Order until a Change Order is executed.

5.4 Directive Order.

If the Authority orders Changed Services, and the Consultant and the Authority have not agreed on an adjustment to the Contract Price and/or Contract Time, the General Manager, Purchasing will issue a Directive Order directing Consultant to perform the Changed Services. The General Manager, Purchasing, may determine an adjustment to Contract Price and/or Contract Time for the Changed Services. The decision of the General Manager, Purchasing, will be final and binding, subject only to PART B, Article 7, Disputes. The Consultant shall perform the Changed Services as directed in the Directive Order. The Consultant's refusal or failure to proceed promptly with the Changed Services as directed shall constitute an event of default.

5.5 Claims by Consultant.

1. All claims made by Consultant under this Contract shall be made in accordance with the requirements stated below. The Consultant shall provide immediate oral notification to the Project Manager upon discovering any conditions or circumstances that may require an adjustment to the Contract Price and/or Contract Time. Upon notification, the Project Manager will attempt to resolve the identified issue as promptly as possible. The Consultant shall deliver written notice of such Claim to the Project Manager and the General Manager, Purchasing within fourteen (14) days of oral notice. All additional correspondence from the Consultant concerning the Claim must be sent to both the Project Manager and the General Manager, Purchasing. The written notice shall include the following information:
 - a. Documents to substantiate Consultant's proposed cost for Changed Services. The Consultant's proposed cost for Changed Services must meet the limitations and requirements set forth in PART B, Section 5.1.
 - b. Accounting records and statements and any other applicable documentation to support the claimed costs.
 - c. Data and information used to assemble the Proposal, if Proposal preparation is relevant to the disputed issue.
 - d. Each Claim shall include a sworn certification signed by the Consultant. The Consultant must certify that it has fully reviewed the Claim and has determined that the supporting data is current, accurate, and complete and, to the best of the Consultant's knowledge and belief, the amount requested reflects the Contract adjustment for which the Consultant believes the Authority to be responsible under the terms of the Contract. In addition, the certification must include a statement that the signatory is authorized to certify the Claim on behalf of the Consultant and must be signed by the Consultant's president, vice-president, or other officer who is authorized to bind the Consultant.
2. The Project Manager or the General Manager, Purchasing will respond to the Claim in writing within thirty (30) days of receipt. The response will be either a determination of the Claim or a determination that additional time or documentation is needed to evaluate the Claim. If the Project Manager or General Manager, Purchasing determines that additional documentation is required to evaluate the Claim, he or she will advise the Consultant of claimed costs for which insufficient documentation has been provided to support the claimed costs, and will state the time for providing additional documentation. If the Project Manager or General Manager, Purchasing requires additional time to evaluate the Claim, the Consultant will be advised in writing of the additional time that will be required. Failure to provide any of the required information may result in denial of the Claim. The determination of the Claim will be sent to the Consultant in writing by the General Manager, Purchasing. If the determination of the Claim requires an adjustment to Contract Price or Contract Time, a Change Order must be issued in accordance with PART B, Section 5.3 before that change becomes effective.
3. If the Consultant accepts the Authority's determination of the Claim, then the Claim will be handled in accordance with PART B, Section 5.3. If the Consultant does not accept the decision with respect to the Claim, then the Consultant may submit a dispute to the General Manager, Purchasing in accordance with PART B, Article 7, within thirty (30) days after receipt of the response to the Claim unless the General Manager, Purchasing extends the time, in writing. By failing to meet the time limits specified in this PART B, Section 5.5, the Consultant waives the right to seek an adjustment to Contract Price or Contract Time. The Consultant's compliance with this process is a condition precedent to filing suit.
4. The Consultant further understands and agrees that, regardless of any case law decision to the contrary, the notice requirements of this PART B, Section 5.5, shall not be subject to or diminished by any claim on the part of the Consultant that the Authority or any person acting on behalf of the Authority, directed the Consultant to make changes in the Scope of Services or had

actual or constructive knowledge of any changes in the Scope of Services. The Consultant further acknowledges that the time requirements and notice content requirements of this Section have the purpose, among others, of allowing the Project Manager and the General Manager, Purchasing, to evaluate claims related to changes in the Scope of Services contemporaneously with the Scope of Services that is the subject of the Claim and to be able to make decisions that may mitigate the cost of such changes.

PART B, ARTICLE 6. ACCESS AND RECORDS

6.1 Right of Entry.

1. Both the Consultant and the Authority will, upon reasonable notice, permit access to the other's facilities in connection with the performance under the Contract. Each party agrees to remove any of its representatives from the other's premises immediately upon request. Each party's representatives will, while on the premises of the other, comply with all of the other party's security and facility rules and regulations. Consent granted by the Authority to enter a facility will not create, nor be deemed to imply the creation of any additional responsibilities on the part of the Authority.
2. The Consultant will, while on the premises of the Authority, comply with all of the Authority's security, safety, and facility rules and regulations, including completing all required training. During any visit to the Authority's facilities, the Consultant will not interfere with the Authority's business operations.

6.2 Audit, Inspection, and Retention of Records.

The Consultant agrees to cooperate with the authorized representatives of the Authority including but not limited to, the Authority's Inspector General and auditors, the U.S. Department of Transportation, the Comptroller General of the United States, and the State of Illinois, who may inspect and audit all data and records of the Consultant relating to the Consultant's performance and its Subcontracts under this Contract from date of this Contract through and until the expiration of 5 years after termination of this Contract. In the event of litigation or settlement of claims arising from the performance of this Contract, the Consultant agrees to maintain the same until the Authority, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims, or exceptions related thereto.

The Consultant must maintain its books, records, documents, and other evidence, and adopt accounting procedures and practices sufficient to properly reflect all costs of whatever nature, claimed to have been incurred and anticipated to be incurred for or in connection with the performance of the Contract for 5 years after the final payment made in connection with this Contract. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

No provision in this Contract granting the Authority a right of access to records and documents is intended to impair, limit, or affect any right of access to such records and documents that the Authority would have had in the absence of such provisions.

6.3 Obligation to Comply with the Authority's Inspector General Ordinance.

The Consultant agrees to comply with all of the requirements of Authority Ordinance No. 99-173, as it may be amended from time to time, the provisions of which are incorporated into this Contract to the same force and effect as if set forth in full herein. As required by Ordinance No. 99-173, as amended, the Consultant agrees to cooperate fully and expeditiously with the Authority's Inspector General in all investigations or audits. This obligation applies to all officers, directors, agents, partners, employees, and Subconsultants of the Consultant.

PART B, ARTICLE 7. DISPUTES

7.1 Disputes.

Any dispute concerning an adjustment to Contract Price or Contract Time or concerning other matters, which under the terms of the Contract are to be resolved pursuant to this Article 7, that is not resolved by the execution of a Change Order by both the Authority and the Consultant will be decided by the General Manager, Purchasing. In addition, Consultant may initiate the dispute process by sending a Notice of Dispute to the General Manager, Purchasing. The General Manager, Purchasing will reduce the decision to writing and send a copy of it by certified mail, return receipt requested, to the Consultant. The decision of the General Manager, Purchasing will be final and binding on the Consultant unless, within 30 days after receipt of a copy of a decision, the Consultant sends by certified mail, return receipt requested, a written appeal to the Authority's Vice President, Purchasing and Warehousing. In connection with such an appeal, the Consultant will have an opportunity to be heard and to offer evidence in support of its appeal. The decision of the Vice President, Purchasing and Warehousing will be final and binding on the Consultant unless the Consultant files an action to challenge the decision in a court of competent jurisdiction in Chicago, Illinois and the court determines the decision to be arbitrary and capricious or obtained by fraud. If the Consultant does not commence such an action for judicial review within 60 days after the Consultant receives a copy of the decision of the Vice President, Purchasing and Warehousing, the Consultant waives all right to seek judicial review. Nothing in this Section relieves the Consultant from diligently proceeding with performance of the Scope of Services under the Contract, as directed by the Authority.

PART B, ARTICLE 8. EVENTS OF DEFAULT AND TERMINATION

8.1 Termination for Cause and Notice of Default.

1. If the Consultant fails to perform any of its obligations under the Contract, the General Manager, Purchasing, may immediately terminate this Contract by issuing a notice of termination for cause to Consultant.
2. If the Consultant fails to perform any of its obligations under the Contract, the General Manager, Purchasing may also, at his or her sole discretion, notify the Consultant, in writing, that the Consultant is in default and provide the Consultant a cure period of up to 14 days. If the default cannot be cured within the cure period and the Consultant requests additional time to cure, the General Manager, Purchasing may extend the cure period in writing. If the Consultant fails to cure within the cure period (or if extended, the extended cure period), the General Manager, Purchasing may terminate the Contract by sending a notice of termination for default.
3. Termination of the Contract under this PART B, Section 8.1 will be effective upon the delivery of the written notice of termination. The General Manager, Purchasing's declaration and issuance of a notice of termination will be final.

8.2 Authority's Remedies upon Default.

Upon issuance of a notice of default to the Consultant, the Authority may invoke any or all of the following remedies, in addition to any other remedies available under the Contract, at law or in equity, or otherwise:

1. The right to stop payment to the Consultant.
2. The right to terminate the Contract.
3. The right to collect monetary damages, including but not limited to, all expert witness or other consultant fees, court costs, and reasonable attorney's fees that the Authority may incur in connection with any claim, suit, or action based upon, related to, or arising from, directly or indirectly, an event of default.

4. The right to deem the Consultant non-responsible in future contracts to be awarded by the Authority.

8.3 Authority's Remedies upon Termination.

Upon termination of the Contract, the Authority may invoke any or all of the remedies set forth in PART B, Section 8.2 and the following remedies:

1. In the event of a termination for cause, the Authority may hire a new consultant to complete the Scope of Services and the Consultant will be liable for all additional costs and changes incurred by the Authority because of the termination, including the excess cost of completing the Scope of Services. If the costs of completing the Scope of Services and the amounts paid to the Consultant by the Authority as part of the Contract Price exceeds the Contract Price (the "Additional Costs"), the Consultant will be liable for the Additional Costs and will pay such sum to the Authority immediately upon demand. In the event of termination, all Additional Costs incurred by the Authority, together with the cost of completing the Scope of Services, will be deducted from any moneys due or which may become due to the Consultant.
2. The right to setoff against any payments due or to become due to the Consultant under any other contract that the Consultant may have with the Authority.

8.4 Nonexclusivity.

Unless otherwise expressly stated, the remedies under the terms of this Contract are not exclusive of any other remedy. Each and every remedy is cumulative and in addition to any other remedy, existing now or hereafter, at law, or in equity.

8.5 Court Determination.

If the Contract is terminated by the Authority for default, and it is subsequently determined by a court that the termination was not justified, such termination will be deemed a termination for convenience, effective as of the date the Contractor received the original notice of termination and the provisions applicable to termination for convenience will apply.

8.6 Discretion of General Manager, Purchasing.

Whether to declare the Consultant in default and/or to terminate for cause is within the sole discretion of the General Manager, Purchasing and neither that decision nor the factual basis for it is subject to review or challenge under PART B, Article 7.

8.7 Termination for Convenience.

The Authority may terminate this Contract, in whole or in part, at any time by written notice to the Consultant when it is in the Authority's best interest. Upon delivery of written notice of termination, all requested Scope of Services and any performance hereunder by the Consultant will cease to the extent specified in the notice of termination. In the event of termination in whole, the Consultant will submit a final invoice, within 30 days of such termination, reflecting the Scope of Services actually performed pursuant to this Contract. This final invoice will be to the satisfaction of the Authority and for items for which no previous invoice was submitted.

The Consultant will be paid its costs, including Contract closeout costs, and any agreed to profit on Scope of Services performed up to the time of termination. The Consultant will promptly submit its termination Claim to the Authority, in accordance with PART B, Section 5.5. The parties will negotiate a termination settlement to be paid to the Consultant. If the Consultant has any property in its possession belonging to the Authority, the Consultant will account for the same, and dispose of it in the manner the Authority directs.

Unless otherwise provided for in the Contract or by applicable statute, the records retention provisions of PART B, Section 6.2 apply to the Scope of Services terminated hereunder.

The Consultant must also include the requirements of this PART B, Article 8 in each subcontract exceeding \$10,000.

PART B, ARTICLE 9. INDEMNITY AND LIABILITY

9.1 Indemnity.

The Consultant must indemnify and hold harmless to the maximum extent permitted by law the Authority, its agents, Board members, officials, and employees (the "Authority Parties") against all injuries, death, losses, damages, claims, suits, liabilities, judgments, costs, and expenses that may in any manner accrue against the Authority as a consequence of the execution and award or performance of this Contract or which may in any way result therefrom whether or not it is alleged or determined that any loss for which the Authority seeks indemnity is caused or contributed to or was caused in whole or in part through the negligent act or omission of the Consultant or its employees Board members, officials or agents or any of its Subconsultants or any of their Board members, employees, officials, agents, or subconsultants (collectively the "Consultant Parties"); provided that this indemnity will not extend to circumstances where the loss, injury, death or damage is determined to be caused solely by the negligence of the Authority. The Consultant must, at its own expense, appear, defend, and pay all charges of attorneys and all costs and other expenses arising in connection with this indemnity. If any judgment is rendered against the Authority Parties, the Consultant must at its own expense satisfy and discharge the judgment. If the indemnity pursuant to this Section is not permitted by the applicable law, then, to the maximum extent permitted by law, the Consultant will make full contribution to the Authority for its percentage share of any liability that is attributable to the Consultant Parties' acts or omissions. The Consultant expressly waives any legal limitations on its liability to the Authority Parties for contribution, including but not limited to limitations related to the payment of workers compensation benefits. The Consultant expressly understands and agrees that any bond or insurance protection required by this Contract or otherwise provided by the Consultant, must in no way limit the Consultant's responsibility to indemnify and defend the Authority Parties pursuant to this Section. The indemnification contained herein will survive the termination of this Contract.

9.2 Limitation of Liability.

In carrying out any of the provisions of this Contract or in exercising any power or authority granted to them thereby, there will be no liability upon the board members, officials, agents or employees of the Authority, including without limitation the General Manager, Purchasing, and the Project Manager, either personally or as officials of the Authority, it being understood that in such matters they act as representatives of the Authority.

9.3 Joint and Several Liability.

In the event that the Consultant, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination thereof) then and in that event, each and every obligation or undertaking herein stated to be fulfilled or performed by the Consultant will be the joint and several obligation or undertaking of each such individual or other legal entity.

PART B, ARTICLE 10. TIME

10.1 Time is of the Essence.

It is understood and agreed that **TIME IS OF THE ESSENCE OF THIS CONTRACT**, and the Consultant agrees to provide the Scope of Services in conformity with the provisions set forth herein and to prosecute the same with all due diligence, so as to complete the Scope of Services in accordance with the time requirements specified in this Contract.

10.2 Time for Changes.

Any revisions to the Contract Time that result from Changed Services will be made in accordance with PART B, Article 5.

PART B, ARTICLE 11. OWNERSHIP OF DOCUMENTS, INTELLECTUAL PROPERTY, CONFIDENTIALITY

11.1 Ownership of Documents.

All documents and other media, data studies, designs, intellectual property and reports, including without limitation, the Deliverables, developed in the performance of this Contract or provided as instruments of the Scope of Services are agreed to be the sole property of the Authority. During the performance of the Scope of Services, the Consultant will be responsible for any loss or damage to the materials herein enumerated while they are in its possession, and any such item lost or damaged will be restored at the expense of the Consultant. At any time, upon demand by the Authority, the Consultant must furnish to Authority, at the Authority's expense, a complete set of all such materials prepared by the Consultant and its Subconsultants as of the date of such demand. In the event of the Consultant's failure to comply with the Authority's demand hereunder, the parties hereby agree that any remedy at law would be inadequate and that the Authority will be entitled to appropriate injunctive and other equitable relief, including without limitation, the remedy of specific performance.

The Consultant agrees not to assert or authorize others to assert any rights or make any claim under the patent or copyright laws, or otherwise to any such documents and other materials referenced in this Section 11.1.

The Consultant, for a period of 5 years after the completion of the Contract, agrees to furnish all retained materials at the request of the Authority; provided that the Consultant will be permitted to retain a copy of such materials for the purpose of maintaining its records.

11.2 Confidential Information.

1. The Consultant, each Subconsultant, and its and their Board members, employees, officials, Subconsultants and agents ("Consultant Parties") will keep confidential all information furnished to it by the Authority or otherwise learned by it in the performance of the Scope of Services hereunder, as well as information prepared by or on behalf of the Consultant.
2. To the extent that the Authority specifically designates, orally or in writing, any information furnished by the Authority as confidential information ("Authority Confidential Information") such Authority Confidential Information and all information prepared by or on behalf of the Consultant based on Authority Confidential Information shall be subject to the provisions of this subparagraph 11.2.2. The Consultant will ensure the confidentiality of this information in a manner using at least as great a degree of care as the manner used to maintain the confidentiality of the Consultant's own most confidential information. All Consultant Parties with access to the Authority Confidential Information must sign a Confidentiality Statement certifying that such person or entity will not disclose, publish, or otherwise make available to any person or party the Authority Confidential Information protected by the Contract. The Consultant acknowledges that the disclosure of any Authority Confidential Information will give rise to irreparable injury to the Authority, which cannot be adequately compensated in damages. Accordingly, the Consultant agrees that the Authority may obtain injunctive relief against disclosure or threatened disclosure of the Authority Confidential Information, in addition to such other remedies that may be available to the Authority in law or at equity. This paragraph of the Contract will survive the termination of this Contract.

PART B, ARTICLE 12. SUBCONTRACTING & ASSIGNMENT

12.1 No Assignment of Contract.

The Consultant must not assign or sublet this Contract, in whole or in part, without the prior written approval of the General Manager, Purchasing. In no case will such written approval relieve the Consultant from its obligations or change the terms of the Contract.

12.2 No Assignment of Contract Funds.

The Consultant must not transfer or assign any Contract funds or claims due, or to become due, without first obtaining the written approval of the General Manager, Purchasing.

12.3 Subconsultants.

PART B, ARTICLE 13. ADVERTISING AND PUBLICITY

The Consultant must not disclose, use or refer to this Contract or any of its terms, or the name of the Authority in any advertising, publicity releases, promotional materials or materials distributed to existing or prospective customers, without the prior written consent of the Project Manager. Illinois Human Rights Commission; and (vii) protection against retaliation as provided in Section 6-101 of the Illinois Human Rights Act (775 ILCS 5/2-105). A copy of the policies must be provided to the Illinois Department of Human Rights upon request.

5. The Consultant must include verbatim or by reference, the provisions of this Section 15.4 in every subcontract it awards under which any portion of its obligations under this Contract are undertaken or assumed, so that such provisions will be binding upon such Subconsultant. In the same manner as with other provisions of this Contract, Consultant will be liable for such Subconsultant's compliance with applicable provisions of this clause; and further it will promptly notify the Authority and the Illinois Department of Human Rights in the event that any Subconsultant fails or refuses to comply therewith. In addition, the Consultant must not utilize any Subconsultant declared by the Illinois Human Rights Commission to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

15.5 Disclosure of Ownership.

Any person, business entity, or agency that submits a proposal for the purpose of contracting with the Authority is required to complete all certifications, forms and statements contained in the Authority's RFP.

15.6 State Energy Conservation Plan.

The Consultant must comply with all current standards and policies relating to energy efficiency which are contained in the State of Illinois Energy conservation plan issued in compliance with the Energy Policy and Conservation Act, which are incorporated in this Contract by reference.

15.7 Ethics Ordinance.

Consultant agrees to comply with the CTA Ethics Ordinance, CTA Ordinance No. 004-76, as amended from time to time, the provisions of which are hereby incorporated into this Contract. The Consultant agrees that, as provided by Section 5.3 of the CTA Ethics Ordinance, any contract negotiated, entered into, or performed in violation of any of the provisions of the Ethics Ordinance shall be voidable as to the Authority at the election of the Authority.

15.8 Program Fraud and False or Fraudulent Statements and Related Acts.

1. The Consultant acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 USC § 3801 *et seq.* and United States Department of Transportation regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, apply to its actions pertaining to the Scope of Services. Upon execution of this Contract, the Consultant certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to this Contract or the FTA assisted project for which Scope of Services are being performed. In addition to other penalties that may be applicable, the Consultant further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Consultant to the extent the Federal Government deems appropriate.
2. The Consultant also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Authority or to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the Authority of 49 USC § 5307, the Government reserves the right to impose the penalties of 18 USC § 1001 and 49 USC § 5307 (n)(1) on the Consultant to the extent the Federal Government deems appropriate.

3. The Consultant agrees to include the above 2 clauses in each subcontract financed in whole or in part with Federal assistance provided by the FTA. It is further agreed that the clauses must not be modified, except to identify the Subconsultant that will be subject to the provisions.

15.9 Foreign Trade Restrictions.

The Consultant, and each Subconsultant certifies that it:

1. Is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);
2. Has not knowingly entered into any Contract or Subcontract for the Scope of Services with a person that is a citizen or national of a foreign country on said list, or is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list; or
3. Has not procured any product nor subcontracted for the supply of any product for use on this Contract that is produced in a foreign country on said list.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR Part 30.17, no Contract will be awarded to a Subconsultant who is unable to certify to the above. If the Consultant knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on this Contract, the FTA may direct, through the Authority, cancellation of the Contract at no cost to the Government or the Authority. Further, Consultant agrees that it will incorporate this provision for certification without modification in each subcontract. The Consultant may rely on the certification of a prospective Subconsultant unless the Consultant has knowledge that the certification is erroneous. The Consultant will provide immediate written notice to the Authority if it learns that its certification or that of a Subconsultant was erroneous when submitted or has become erroneous by reason of changed circumstances.

Further, the Consultant must provide immediate written notice to the Authority if the Consultant learns that its certification or that of a Subconsultant was erroneous when submitted or has become erroneous by reason of changed circumstances.

Each Subconsultant must agree to provide written notice to the Consultant if at any time it learns that its certification was erroneous by reason of changed circumstances.

This certification is a material representation of fact upon which reliance was placed when making the Contract award. If it is later determined that the Consultant or any Subconsultant of any tier knowingly rendered an erroneous certification, the FTA may direct, through the Authority, cancellation of the Contract or Subcontract for default at no cost to the Federal Government or the Authority.

Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a Consultant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America, and making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC § 1001.

15.10 Conflict of Interest.

1. No Board member, officer or employee of the Authority or other unit of local government, who exercises any functions or responsibilities in connection with the carrying out of the Scope of Services or the carrying out of the Scope of Services to which this Contract pertains, may have any personal interest, direct or indirect, in this Contract or the proceeds thereof.

2. In accordance with 41 USC § 22, the Consultant agrees that no member of or Delegate to the Congress of the United States, or the Illinois General Assembly and no members of the Chicago Transit Board or Authority employees, may be admitted to any share or part of this Contract or to any private financial interest, profit, or benefit arising herefrom.
3. The Consultant covenants that it, its officers, directors and employees, and the officers, directors, and employees of such of its members if a joint venture, and Subconsultants presently have no interest and will not acquire any interest, direct or indirect, in the Scope of Services to which this Contract pertains, which would conflict in any manner or degree with the performance of the Services hereunder. The Consultant further covenants that, in the performance of this Contract, no person having any such interest will be employed by the Consultant.
4. An organizational conflict of interest exists when the nature of work to be performed under a proposed third party contract or subcontract may, without some restriction on future activities, result in an unfair competitive advantage to the third party contractor or subcontractor or impair its objectivity in performing the Contract. The Consultant is prohibited from performing any work or services for the Authority that conflict with work or services that the Consultant performs under any other contract with the Authority. The restrictions in this paragraph are applicable to all Subconsultants. The Consultant has sole responsibility for compliance with this provision. Any violation of this provision is a material breach of the Contract, which is cause for termination.

15.11 No Exclusionary or Discriminatory Specifications.

Apart from inconsistent requirements imposed by Federal statute or regulations, the Consultant agrees to comply with the requirements of 49 USC § 5323 (h)(2) by refraining from using any Federal assistance awarded by FTA to support procurements using exclusionary or discriminatory specifications.

15.12 No Federal Government Obligation to Consultant or Others.

1. The Consultant acknowledges and agrees that, notwithstanding any concurrence by the Federal Government in or approval of the award of this Contract, the Federal Government is not a party to this Contract and will not be subject to any obligations or liabilities to the Consultant, or any other person (whether or not a party to this Contract) in connection with this Contract or pertaining to any matter resulting from this Contract or the Scope of Services.
2. The Consultant agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by the FTA. It is further agreed that the clause must not be modified, except to identify the Subconsultant who will be subject to its provisions.

15.13 Obligation to Comply with Changes in Federal Laws and Regulations.

The Consultant will at all times comply with all applicable FTA regulations, policies, procedures, and directives, including without limitation those listed directly or by reference in the "Master Agreement" (Form FTA MA (8) dated October 2001) between the Authority and FTA, as they may be amended or promulgated from time to time during the term of this Contract. The Consultant's failure to so comply will constitute a material breach of this Contract.

15.14 Incorporation of Federal Transit Administration (FTA) Terms.

The preceding provisions include, in part, certain Standard Terms and Conditions required by the US DOT, whether or not expressly set forth in the preceding Contract provision. All requirements of the DOT, as set forth in the most recent effective version of FTA Circular 4220.1, and as amended from time to time, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms will be deemed to control in the event of a conflict with other provisions contained in this Contract. The Consultant must not perform any act, fail to perform any act, or refuse to comply with any Authority requests that would cause the Authority to be in violation of the FTA terms and conditions.

15.15 Environmental Requirements.

For all contracts exceeding \$100,000 in Contract Value, the Consultant must comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 USC § 1251 et seq, and the Clean Air Act, as amended, 42 USC § 7401 et seq. The Consultant also must report each violation to the Authority and understands and agrees that the Authority will, in turn, report each violation as required, to the FTA and the appropriate US EPA Regional Office.

The Consultant must also include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

15.16 Fly America.

The Consultant agrees to comply with 49 USC § 40118 (the "Fly America" Act) in accordance with the US General Services Administration's regulations at 41 CFR Part 301-10, which provide that recipients and subrecipients of Federal funds and their contractors are required to use US Flag air carriers for US Government-financed international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act. The Consultant must submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a US flag air carrier was not available or why it was necessary to use a foreign air carrier and must, in any event, provide a certificate of compliance with the Fly America requirements. The Consultant agrees to include the requirements of this Section in all subcontracts that may involve international air transportation.

PART B, ARTICLE 16. GOVERNING LAW AND JURISDICTION

16.1 Governing Law.

This Contract will be governed in accordance with the laws of the State of Illinois, without regard to choice of law principles.

16.2 Jurisdiction.

The Consultant hereby irrevocably submits, and will require and cause its Subconsultants to submit, to the original jurisdiction of those State or Federal courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Contract. The Consultant agrees that service of process on the Consultant may be made, at the option of the Authority, either by registered or certified mail addressed to the applicable office as provided for in this Contract, by registered or certified mail addressed to the office actually maintained by the Consultant, or by personal delivery on any officer, director, or managing or general agent of the Consultant

Special Conditions Disadvantaged Business Enterprise (DBE) Requirements

**SPECIAL CONDITIONS
DISADVANTAGED BUSINESS ENTERPRISE COMMITMENT
INVITATION FOR BIDS
REQUISITION NUMBER B10OP03370R**

I. POLICY AND TERMS

- A. The policy of the Chicago Transit Authority is to create a level playing field on which Disadvantaged Business Enterprises (DBE) as defined in United States Department of Transportation (USDOT) Regulation 49 C.F.R. Part 26.
- B. The Authority has established the following DBE participation goal for this project:

Disadvantaged Business Enterprise Goal: 2%

- C. The DBE participation goal shall be expressed as a percentage of the total contract price. However, in the event this is a revenue generating contract, the DBE participation goal is based on the bidder's operating expenses and not on the total anticipated revenue to be generated by the contract. The bidder may also meet the goal by showing good faith efforts to meet the goal as described in 49 C.F.R. Part 26 and as set forth in Section V below. **Any evidence of good faith efforts must be submitted with the sealed bid or the bid will be rejected in its entirety.**
- D. The DBE participation goal shall apply to the total dollar value of this contract, inclusive of all amendments, modifications, options, and change orders. The bidder agrees to make its best effort to include DBE participation in any contract modification work.
- E. The goal may be met, as further explained in Section IV hereof, by the bidder's status as a DBE, by a joint venture with one or more DBEs, by subcontracting a portion of the work to one or more DBEs, by the purchase of materials used in the performance of the contract from one or more DBEs or by any combination of the above or through a showing of good faith efforts as defined in Section V hereof.
- F. A bidder who fails to meet the DBE goal and fails to demonstrate sufficient and reasonable good faith efforts shall not be eligible to be awarded the contract. All documentation of good faith efforts by a bidder **must** be included in the envelope or package containing the bid.
- G. The Authority prohibits agreements between a bidder and a DBE in which the DBE promises not to provide subcontracting quotations to other bidders.

II. DEFINITIONS

- A. **"Area of Specialty"** means the description of the DBE's business, which has been determined by the General Manager, DBE Program, to be most reflective of the DBE's claimed specialty or expertise. Credit toward the DBE participation goal for this contract shall be limited to the participation of firms performing within their Area of Specialty. The Authority reserves the right to investigate and determine active DBE participation and applicable DBE credit specifically identified for this contract prior to award.

NOTICE: The Authority does not make any representations concerning the ability of any DBE to perform work within its Area of Specialty. It is the responsibility of the bidder to determine the capability and capacity of the DBE firms to satisfactorily perform the work proposed.

- B. “Bid”** includes the following Authority purchasing requests: Invitation for Bids (IFB).
- C. “Bidder”** includes bidders and contractors. The terms “Bidder” and “Contractor” may be used interchangeably in these Special Conditions.
- D. “Disadvantaged Business Enterprise” or “DBE”** means a small business certified by the Illinois Universal Certification Program (IL UCP) as a business owned and controlled by socially and economically disadvantaged individuals in accordance with USDOT Regulation 49 CFR, Part 26.
- E. “Directory”** means the Directory of Certified Disadvantaged Business Enterprises maintained and published by IL UCP and entitled the “IL UCP DBE Directory.” The directory will be available on the Authority’s web site. Bidders are responsible for verifying the current certification status of all proposed DBE’s.
- F. “Good Faith Efforts”** means efforts to achieve a DBE contract goal as specified in 49 CFR, Part 26 and Section V hereof.
- G. “IL UCP”** means the Illinois Unified Certification Program.
- H. “Joint Venture”** means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Bidders may develop joint venture agreements as an instrument to provide participation by DBEs in contract work. A joint venture seeking to be credited for DBE participation may be formed among DBE firms or between a DBE firm and non-DBE firm.

In order to qualify for credit as a DBE, the DBE must be responsible for a distinct, clearly defined portion of the work and the DBE must share in the capital contribution, control, management, risks and profits of the joint venture commensurate with its ownership interest.

- I. “Purchasing Agent”** means the Authority employee who holds the position of General Manager, Purchasing, or the successor position.
- J. “Small Business Concern”** means a small business as defined pursuant to Section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto except that a small business concern shall not include any concern or groups of concerns controlled by the same socially and economically disadvantaged individual or individuals which has annual average gross receipts in excess of \$19.570 million, or as revised from time to time, over the three (3) previous fiscal years.
- K. “Socially and Economically Disadvantaged Individuals”** means any individual who is a citizen of the United States (or lawfully admitted permanent residents) and who is in the following groups, the members of which are rebuttably presumed to be socially and economically disadvantaged:
 - 1. “Black Americans”**, which includes persons having origins in any of the Black racial groups of Africa;
 - 2. “Hispanic Americans”**, which includes persons of Mexican, Puerto Rican, Cuban, Dominican, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

3. **“Native Americans”**, which includes persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians;
4. **“Asian-Pacific Americans”**, which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Thailand, Malaysia, Indonesia, Vietnam, Laos, Cambodia (Kampuchea), the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific (Republic of Palau), and the Commonwealth of the Northern Marianas Islands, Macao, Fiji, Tonga, Kirbati, Jauvlu, Nauru, Federated States of Micronesia or Hong Kong; and
5. **“Subcontinent Asian Americans”**, which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, the Maldives Islands, Nepal or Sri Lanka.
6. **Women.**
7. Any additional groups whose members are designated as socially and economically disadvantaged by the SBA, at such time as the SBA designation becomes effective.

The General Manager, DBE Program, may determine on a case-by-case basis that individuals who are not members of one of the above-listed groups are socially and economically disadvantaged.

L. **“USDOT” or “DOT”** refers to the U.S. Department of Transportation.

III. JOINT VENTURES

The General Manager, DBE Program, will evaluate the joint venture agreement submitted on behalf of the proposed joint venture and all related documents to determine whether these DBE requirements have been satisfied. In addition, the General Manager, DBE Program, will consider the record of the joint venturers as joint venturers on other Authority contracts, if any.

NOTE: DBE/non-DBE joint ventures are creditable at any tier. Whenever a joint venture is proposed as the prime Contractor, Authority requires that each joint venturer sign the bid submitted to the Authority.

IV. COUNTING DBE PARTICIPATION TOWARD THE CONTRACT GOAL

The inclusion of any DBE by the bidder in its bid documents shall not conclusively establish the bidder's eligibility for full DBE credit for the firm's participation in the contract. The amount of DBE participation credit shall be based upon an analysis by the General Manager, DBE Program, of the specific duties which will be performed by the DBE.

The bidder may count toward its DBE goal only expenditures to firms which are currently certified by the IL UCP and which perform a commercially useful function. A firm is considered to perform a commercially useful function when it is responsible for the performance of a distinct element of the work and carries out its responsibilities by actually performing, managing and supervising the work involved.

To determine whether a firm is performing a commercially useful function, the General Manager, DBE Program, will evaluate the amount of work subcontracted, industry practices and other relevant factors. The General Manager, DBE Program, reserves the right to deny or limit DBE credit to the bidder where any DBE is found to be engaged in substantial pass-through activities with others.

DBE participation shall be counted toward the DBE goal in the contract as follows:

- A. Once a DBE is determined to be eligible in accordance with these rules, the total dollar value of the contract awarded to the DBE may be counted toward the DBE goal except as indicated below.
- B. A bidder may count toward its DBE goal that portion of the total dollar value of a contract with an eligible joint venture equal to the distinct, clearly defined portion of the work of the contract that the DBE performs with its own forces.
- C. Consistent with normal industry practices, a DBE may enter into subcontracts. If a DBE subcontracts more than thirty percent (30%) or a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, the DBE shall be presumed not to be performing a commercially useful function. Evidence may be presented by the bidder involved to rebut this presumption.
- D. When a DBE subcontracts a part of the work under the contract to another firm, the value of the subcontracted work may only be counted towards the DBE goal if the DBE's subcontractor is itself a DBE. Work that a DBE subcontracts to a non-DBE firm does not count towards the DBE goal.
- E. The bidder may count one-hundred percent (100%) of its expenditures for materials and supplies required under the contract and which are obtained from a DBE manufacturer towards the DBE goal. The bidder may count sixty percent (60%) of its expenditures for material and supplies under the contract obtained from a DBE regular dealer towards its DBE goal. The terms "manufacturer" and "regular dealer" are defined in 49 C.F.R. Part 26.55(e)(1)(ii) and (2)(ii).
- F. The bidder may count towards its DBE goal expenditures to DBEs which are not manufacturers or regular dealers, such as fees or commissions charged for services and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies and transportation charges as set forth in 49 C.F.R. Part 26. However, the General Manager, DBE Program, must determine the fee or charge to be reasonable and not excessive as compared with fees or charges customarily allowed for similar services.
- G. The bidder must use good business judgment when negotiating with subcontractors and take a DBE's price and capabilities into consideration. The fact that there may be some additional costs involved in finding and using DBE firms is not sufficient reason to fail to meet the DBE goal set forth in the contract, as long as such costs are reasonable.

V. **GOOD FAITH EFFORTS**

In order to be responsive, a bidder must make good faith efforts to meet the DBE participation goal set forth in the contract. The bidder must document the good faith efforts it made in that regard. Thus, the Bid submitted to the Authority must be accompanied by written documentation prepared by the bidder evidencing all of its sufficient and reasonable good faith efforts toward fulfilling the goal. These efforts must be active steps, and ones, which could reasonably be expected to lead to sufficient DBE participation to meet the contract DBE participation goal. Mere *pro forma* efforts are not acceptable and will be rejected by the General Manager, DBE Program.

Good Faith Efforts require that the bidder consider all qualified DBEs, who express an interest in performing work under the contract. This means that the bidder cannot reject a DBE as unqualified unless the bidder has sound reasons based on a thorough investigation of the DBE's capabilities. Further, the DBE's standing within its industry, membership in specific groups, organizations or associations and political or social affiliation (for example, union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of bids in the Contractor's efforts to meet the contract DBE participation goal.

The following list, which is not exclusive or exhaustive, sets forth the types of actions, which indicate good faith efforts on the part of a bidder to meet the DBE goal. The extent and type of actions required will vary depending on such things as industry practice; the time available for submitting a bid and the type of contract involved.

- A. Attendance at a pre-bid meeting, if any, scheduled by the Authority to inform DBEs of subcontracting opportunities under a given solicitation.
- B. Advertisement in general circulation media, trade association publications, and minority-focus media for at least twenty (20) days before bids are due. If 20 days are not available, publication for a shorter reasonable time is acceptable.
- C. Written notification to capable DBEs that their interest in the contract is solicited.
- D. Documentation of efforts to negotiate with DBEs for specific sub-contracts including at a minimum:
 - 1. The names, addresses, and telephone numbers of DBEs that were contacted and the date(s) of contact.
 - 2. A description of the information provided to DBEs regarding the plans and specifications for portions of the work to be performed.
 - 3. A statement explaining why additional agreements with DBEs were not reached.
- E. For each DBE the bidder contacted but rejected as unqualified, the reason for the bidder's conclusion.
- F. Documentation of efforts made to assist the DBEs contacted that needed assistance in obtaining bonding or insurance required by the bidder or the Authority.
- G. Documentation of efforts to utilize the services of small business organizations, community and contractor groups to locate qualified DBEs.
- H. Documentation that the bidder has broken out contract work items into economically feasible units in fields where there are available DBE firms to perform the work.
- I. Evidence that adequate information was provided to interested DBEs about the plans, specifications and requirements of the contract, and that such information was communicated in a timely manner.
- J. Documentation of any efforts made to assist interested DBEs in obtaining necessary equipment, supplies, materials or related assistance or services.

VI. GOOD FAITH EFFORTS RECONSIDERATION

If it is determined that the apparent successful low bidders have failed to meet the requirements of the contract goal/good faith efforts, the Authority will provide them with **ONE** opportunity for administrative reconsideration, before the Authority awards the contract. This reconsideration will include the following:

- A. The bidder will be permitted to either provide written evidence or to present oral argument at a pre-scheduled time that the documentation it submitted with its bid met the DBE goal and/or showed good faith efforts to do so. **No new evidence of good faith efforts may be presented after the bid submission deadline.**
- B. The Authority's Reconsideration Officer will review the evidence presented by the bidder and issue a written determination that the bidder has: 1) met the DBE goal; 2) not met the DBE goal but has made adequate good faith efforts to do so; or 3) has not met the DBE goal and the good faith efforts made were not adequate.
- C. The decision of the Authority's Reconsideration Officer is final and may not be appealed to the Authority or its funding agencies.
- D. The Authority will not award a contract to any bidder who does not meet the contract DBE participation goal or show good faith efforts to meet that goal. Thus, it is essential that all bidders submit ALL relevant documentation concerning the DBE goal and/or good faith efforts in the envelope or package containing their sealed bid.

VII. PROCEDURE TO DETERMINE BID COMPLIANCE

The bidder must complete and sign Schedule D to the Contract documents and must sign Schedule C. If the bidder is a joint venture, the bidder **MUST** complete and sign Schedule B. Schedule C **MUST** be completed and signed by the DBE subcontractor(s). All three Schedules **MUST** be submitted at the same time as or prior to submittal of the sealed bid. In addition, any documentation evidencing the bidder's good faith efforts to meet the contract DBE goal must be submitted with the bid. Any bids submitted without completed and executed Schedules C & D and/or evidence of good faith efforts, if applicable, will be deemed non-responsive and will be rejected by the Authority.

A. Letters of Certification

- 1. A copy of each proposed DBE firm's current Letter of Certification or re-certification from the IL UCP should be submitted with the bid. **ALL CERTIFICATIONS BY THE IL UCP MUST BE PRE-CERTIFICATIONS. This means that the DBE's certification must be issued by the IL UCP before the due date for bids.**
- 2. All Letters of Certification or Re-certification issued by the IL UCP must include a statement of the DBE firm's area of specialization and appropriate DBE goal credit (see Section IV. COUNTING DBE PARTICIPATION TOWARD THE CONTRACT GOAL). The DBE firm's scope of work set forth on Schedule C must conform to its stated area of specialization. Where a DBE is proposed to perform work not covered by its area of specialization, the DBE firm must request an expansion of its area of specialization from the Authority in writing plus any other documentation required by the Authority to process said request prior to the time set by the Authority for bid opening. Further, the DBE's request must be agreed to by the General Manager, DBE Program, and the DBE firm must be certified prior to **DUE DATE OF BIDS.**

B. Joint Ventures

- 1. Where the bidder proposes to include in its bid a DBE, which is a joint venturer, the bidder must submit a fully executed copy of the joint venture agreement with its bid. The joint venture agreement must show that the DBE firm will be responsible for a clearly defined portion of the work to be performed, and that the DBE firm's capital contribution, control, management, risks and profits are commensurate with its ownership interest.

2. Further, the proposed joint venture agreement shall include specific details related to: 1) contributions of capital and equipment; 2) work items to be performed by the DBE's own forces; 3) work items to be performed under the supervision of the DBE; 4) the DBE management, supervisory and operating personnel to be dedicated to the performance of the project; and (5) the authority of each joint venturer to contractually obligate the joint venture and to expend funds. Failure to submit a copy of the joint venture agreement will cause the firm to be considered by the Authority to be non-responsible.

VIII. REPORTING REQUIREMENTS DURING THE TERM OF THE CONTRACT

- A. The bidder shall, within seven (7) calendar days of contract award, or prior to any work being performed by the DBE subcontractor, execute written subcontracts or purchase orders with the DBE subcontractors included in the bid. In the event the bidder cannot complete the agreement with one or more DBE subcontractors within this seven day period, the bidder must provide a written explanation for the delay and an estimated date by which the written agreement will be completed to the General Manager, DBE Program. These written agreements shall be made available to the General Manager, DBE Program, upon request. All contracts between the bidder and its subcontractors must contain a prompt payment clause as set forth in Section IX herein.
- B. During the term of annual contracts, the bidder shall submit regular "Status Reports of DBE Subcontract Payments" in a form acceptable to the Authority. The frequency with which these reports are to be submitted, will be determined by the General Manager, DBE Program, but in no event will reports be required less frequently than quarterly. **In the absence of written notice from the General Manager, DBE Program, the bidder's first "Status Report of DBE Subcontract Payments" will be due ninety (90) days after the date of contract award, with additional reports due quarterly thereafter.**
- C. In the case of a one-time procurement with either a single or multiple deliveries, a "Status Report of DBE Subcontract Payments," in a form acceptable to the Authority, indicating final DBE payments shall be submitted directly to the General Manager, DBE Program. The information must be submitted prior to or at the same time as the bidder's final invoice to the Authority user department identified in the solicitation. (NOTICE: The original invoices must be submitted directly to the Authority's department identified in the contract documents and the Status Report of DBE Subcontract Payments must be submitted directly to the General Manager, DBE Program.) **Failure to follow these directions may delay final payment.**
- D. The address for the General Manager, DBE Program, is: CTA General Manager, Diversity and Small Business Compliance Programs Dept., 567 W. Lake Street, P.O. Box 7562, Chicago, IL 60680-7562.

IX. PROMPT PAYMENT TO SUBCONTRACTORS

- A. The Contractor is required to pay all Subcontractors for all work that the Subcontractor has satisfactorily completed, no later than seven (7) calendar days after the Contractor has received payment from the Authority. All of the Contractor's contracts with its Subcontractors must state that the Subcontractor will receive payment within 7 days of the date that the Contractor has received payment from the Authority.
- B. In addition, all Retainage amounts must be paid by the Contractor to the Subcontractor no later than fourteen (14) calendar days after the Subcontractor has, in the opinion of the VP Construction, satisfactorily completed its portion of the Work. All of the Contractor's contracts with its Subcontractors must state that the Subcontractor will receive payment of Retainage within fourteen (14) calendar days of the date that the Subcontractor has, in the opinion of the VP Construction, satisfactorily completed its portion of the Work.
- C. A delay in or postponement of payment to the Subcontractor requires good cause and prior written approval of the General Manager, Purchasing.

- D. The Contractor is required to include, in each subcontract, a clause requiring the use of appropriate arbitration mechanisms to resolve all payment disputes.
- E. The Authority will not pay the Contractor for work performed unless and until the Contractor ensures that the Subcontractors have been promptly paid for the work they have performed under all previous payment requests, as evidenced by the filing with the Authority of lien waivers, canceled checks (if requested), invoices and the Contractor's sworn statement that it has complied with the prompt payment requirements. Prime Contractors must submit a prompt payment affidavit, (form to be provided by the Authority) which identifies each subcontractor (both DBE and non-DBE) and the date and amount of the last payment to such subcontractor, with every payment request filed with the Authority, except for the first payment request, on every contract with the Authority.
- F. Failure to comply with these prompt payment requirements is a breach of the Contract which may lead to any remedies permitted under law, including, but not limited to, Contractor debarment. In addition, Contractor's failure to promptly pay its Subcontractors is subject to the provisions of 50 ILCS 505/9.

X. DBE SUBSTITUTIONS

- A. Arbitrary changes by the bidder of the commitments previously indicated in **Schedule D** are prohibited. No changes may be made by the bidder to the DBE firms listed on Schedule D after the opening of bids but prior to contract award. However, in the event the Purchasing Agent, after consulting with the DBE Department, determines that a critical DBE subcontractor is non-responsible, the Authority may require that bidder replace the non-responsible DBE subcontractor prior to contract award. In that event, bidder must replace the non-responsible DBE subcontractor with a responsible, certified DBE subcontractor or show adequate good faith efforts as set forth Section V hereof, must submit all information required in subsection C.5 hereof, and must receive the prior written approval of the General Manager, DBE Program for such substitution.
- B. Further, after entering into each approved DBE subcontract, the Contractor shall neither terminate the subcontract for convenience, nor reduce the scope of the work to be performed by the DBE, nor decrease the price to the DBE, without receiving prior written approval of the General Manager, DBE Program. Such approval is required even if the DBE agrees with the change to the DBE's contract desired by the Contractor.
- C. It may become necessary, at times, to substitute a new subcontractor in order to complete the contract work. The substitution procedure to be followed is:
 - 1. The Contractor must immediately notify the General Manager, DBE Program, in writing, of the proposed substitution of subcontractor. The Contractor's notification must include the specific reasons it intends to reduce the scope of or terminate a DBE subcontract; adequate documentation to support the Contractor's proposed action; and a proposed substitute firm to complete the DBE's portion of work.
 - 2. The following is a non-exclusive list of the types of reasons, which justify substitution: the DBE was found not to be able to perform, or not to be able to perform on time; the DBE's work product was not acceptable; the DBE demands an unreasonable escalation of its price.
 - 3. The following is a non-exclusive list of the types of reasons which do not justify substitution: a replacement firm has been recruited by the Contractor to perform the same work under more advantageous terms; performance issues by the DBE were disputed and every reasonable effort to have the dispute resolved or mediated has not been taken; the DBE has requested a reasonable price escalation which may be justified due to unforeseen circumstances (e.g., a change in scope of DBE's work).

4. If the subcontractor to be substituted for the DBE is not a DBE, the Contractor must show adequate good faith efforts as set forth in Section V hereof.
 5. The Contractor's request for approval of a substitution must include the name, address, and principal official of the proposed substitute subcontractor and the dollar value and scope of work of the proposed subcontract. If the new subcontractor is a DBE, all DBE affidavits and documents required by **Schedule C** shall be attached.
 6. The Authority will evaluate the submitted documentation and respond within fifteen (15) calendar days to the request for approval of a substitution. The Authority's response may approve the request, seek more information, request an interview to clarify the problem or reject the proposed DBE substitution, with the reasons for the rejection stated in the Authority's response. In the case of an expressed emergency need to receive the necessary decision for the sake of job progress, the Authority will respond as soon as practicable.
 7. Actual substitution by the Contractor may not be made prior to the Authority's approval. Once notified of the Authority's approval, the substitute subcontract must be executed within five (5) calendar days, and a copy submitted to the General Manager, DBE Program.
- C. The Authority will not approve extra payment for escalated costs incurred by the Contractor when a substitution of subcontractors becomes necessary in order to comply with the DBE requirements of the contract.

XI. NON-COMPLIANCE

- A. Failure to comply with the DBE requirements of the contract or failure to use DBEs as stated in the bid constitutes a material breach of contract. The General Manager, DBE Program, shall have the discretion to recommend to the Authority's Purchasing Agent that the Purchasing Agent apply suitable sanctions to the Contractor if the Contractor is found to be in non-compliance with the DBE requirements. Such sanctions include, but are not limited to, withholding payment to the Contractor until corrective action is taken; suspension and/or termination of the contract, in whole or in part; and debarring or suspending the Contractor from entering into future contracts with the Authority.
- B. The failure by the Contractor to use a DBE subcontractor to the extent the Contractor committed to use said DBE, gives the underutilized DBE specific contract remedies, including the right to damages, the right to resolve the dispute by binding arbitration before an independent arbitrator and the right to recover its reasonable expenses, including attorneys' fees, if the DBE is the prevailing party, as follows:
1. Damages. In the event the Contractor has not complied with the contractual DBE percentage and the change to the contractual DBE usage has not been approved by the Authority, an affected DBE may recover from the Contractor damages suffered by said DBE as a result of being underutilized. This provision is intended for the benefit of any DBE affected by underutilization and grants such entity third party beneficiary rights. Any rights conferred by this provision are non-waivable and take precedence over any conflicting provisions in the agreement between the Contractor and the DBE.

2. Arbitration procedures. If requested by the DBE, the DBE shall have the right to initiate binding arbitration of any dispute concerning damages suffered as a result of being underutilized. A DBE desiring to arbitrate must notify the Contractor in writing to initiate the arbitration process. Unless the affected parties agree to a different schedule in writing, within ten (10) days of receipt by the Contractor of the intent to arbitrate from the DBE, the above-described disputes must be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA"), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601. All such arbitrations must be initiated by the DBE filing a demand for arbitration with the AAA; must be conducted by the AAA; and must be held in Chicago, Illinois.
3. Fees. All fees of the arbitrator are the initial responsibility of the DBE; provided, however, that the arbitrator is authorized to award reasonable expenses, including attorneys' and arbitrator fees, as damages to a prevailing DBE.
4. Entry of judgment. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

C. In addition, federal and state laws apply to false representations, deception and fraud.:

1. Illinois Law. Under Illinois law, it is a Class 2 felony to make certain false representations as to the status of a person or entity in obtaining a governmental contract. In addition, any person convicted of this felony offense must pay to the governmental unit that issued the contract a penalty equal to one and a half times the amount of the contract. 720 ILCS 5/17-29.
2. Federal Law. False, fraudulent, or deceitful statements made in connection with DBE participation in federal Department of Transportation assisted programs could also result in liability under 49 CFR Part 31, Program Fraud and Civil Remedies and possible prosecution under 18 U.S.C. 1001.

D. If the Contractor does not pay any subcontractor listed on a pay request or return a subcontractor's retainage within the time limits required under the prompt payment provision set forth in Section VIII hereof, the Contractor must pay the subcontractor an additional amount for interest at the lower of one percent (1%) per month or the highest lawful rate on the outstanding balance, for each month, prorated per diem for any partial month, that the Contractor fails or refuses to pay the subcontractor. All agreements between the Contractor and its subcontractors must provide for interest as set forth herein.

E. The Contractor, sub recipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the Authority deems appropriate.

The Contractor agrees to include this assurance in all subcontracts.

XII. RECORD KEEPING

The Contractor shall maintain records of all relevant data with respect to the utilization of DBEs and shall retain these records for a period of at least three (3) years after final acceptance of the work. Full access to said records shall be granted to the Authority and its Inspector General, its Federal and/or State funding agencies, the U.S. Department of Justice, the USDOT and any duly authorized representatives thereof. In addition, the Contractor shall, at all times, cooperate with the Authority's Inspector General.

The bidder must also create a bidders list, consisting of information about all subcontractors that submitted a bid or quote. The bidders list will include the name, address, DBE/non-DBE status, age of firm and the appropriate range of annual gross receipts. Failure to submit this information will result in the firm being deemed non-responsible for the contract.

XIII. MINORITY FINANCIAL INSTITUTIONS

The bidder is encouraged to utilize financial institutions owned and controlled by socially and economically disadvantaged individuals. Use of such institutions may be considered by the Authority as evidence of bidder's willingness to do business with DBEs. Information about such institutions is available in the Authority's DBE Program Directory, which is available on-line at www.transitchicago.com and a hard copy is available at the Authority's Diversity and Small Business Compliance Programs Department Office, 567 West Lake Street, 4th floor, Chicago, Illinois 60661-1498.

Bid Protest Procedures

BID PROTEST PROCEDURES

SECTION I – AUTHORITY BID PROTEST PROCEDURE

- A. The Chicago Transit Authority (CTA/ Authority)** will hear and consider a bona fide bid protest regarding its procurement actions. It is anticipated that the majority of protests will be evaluated and finally decided by the Authority. Accordingly, the Authority intends to provide a thorough review of all bona fide bid protests. The Authority's primary concern, however, is the timely procurement of needed capital equipment, supplies or services. It does not intend to allow the filing of bid protests to unnecessarily delay the procurement process, especially if the protest involved is vexatious or frivolous in nature.

Notwithstanding the availability of these protest procedures, any interested party is encouraged to exhaust all methods described in the Contract Documents of resolving a procurement issue before filing a formal protest with the Authority. In its consideration of a bid protest, the Authority reserves the right to give due consideration to the good faith efforts of the protestor to resolve the issue involved through informal methods.

Note – The Federal Transit Administration (FTA) will be notified by the Authority of all formal, written protests, when FTA funds are involved.

B. Definitions for purposes of this section -

1. The term "days" refers to working days of the Authority.
2. The term "interested party" means any person (a) who is an actual bidder or prospective bidder in the procurement involved, and (b) whose direct economic interest would be affected by the award of the contract or by a failure to award the contract.

C. Submission of Protest

Any interested party may file a bid protest with the Authority on the basis that the Authority has failed to comply with applicable Federal or State law or with the Authority's Procurement Regulations. The protest must be filed in accordance with the timing requirements set forth in subsection D. "*Types of Protests and Timing*" of this section, and must include:

1. The name and address of the protestor.
2. The number of the contract solicitation.
3. A statement of the grounds for the protest, and in particular the Federal or State law or Authority Regulation alleged to have been violated. This statement should be accompanied by any supporting documentation the protesting party desires the Authority to consider in making its decision.

Protest should be submitted to: **General Manager Purchasing
Chicago Transit Authority
P.O. Box 7560
Chicago, IL 60680-7560**

D. Types of Protests and Timing

The requirement for timely filing of a bid protest with the Authority will depend upon the type of protests involved. The Authority will consider the following three types of protest by interested parties:

1. Protest regarding solicitation

Any bid protest regarding the solicitation by the Authority must be filed **no later than five (5) days before the opening of bids**. Any protest filed after that date which raises issues regarding the solicitation will not be considered by the Authority.

This type of protest would include any claim that the bid solicitation contained exclusionary or discriminatory specifications, any challenge to the basis of award, or any claim that the solicitation documents or the solicitation process violated applicable Federal or State law, or that the Authority failed to follow its Procurement Regulations in the solicitation of bids.

2. Protests regarding bid evaluation

Any bid protest regarding the evaluation of bids by the Authority must be filed with the Authority **no later than twenty (20) days after the opening of bids**. Any protest filed after such date which raises issues regarding the bid evaluation will not be considered by the Authority.

This type of protest would include any challenge to determinations by the Authority of the responsiveness of a bid or the responsibility of a bidder, or any claim that the evaluation of bids violated federal or State law or the Authority's Procurement Regulations.

3. Protests Regarding Award of Contract

Any protest regarding the award of the contract must be filed **no later than ten (10) days after the date of award**. Any protest regarding the award of the contract filed after that date will not be considered by the Authority.

This type of protest will only be entertained by the Authority if the protestor is able to demonstrate that the party awarded the contract fraudulently represented itself as a responsible bidder or that the Authority violated Federal or State law or its Procurement Regulations in the award of the contract.

E. Authority Response

1. Types of Protests

The Authority will notify the protestor upon timely receipt of a bid protest and may, where appropriate, request additional information from the protestor. The Authority may, at its discretion, meet with the protestor to review the matters raised by the protest. The Authority's consideration of the particular types of protests will, except as otherwise provided in subsection 2. "*Decisions by Authority*" of this section, be in accordance with the following provisions:

a. Protest regarding solicitation

Upon receipt of a timely filed protest regarding the solicitation, the Authority will postpone the opening of bids until resolution of the protest. No additional bids will be accepted during the period of postponement.

If the protest regarding the solicitation involves a claim of unduly restrictive or exclusionary specifications, the Authority will, in evaluation the protest, consider both the specific need of the Authority for the feature or item challenged and any effects on competition of including the specification regarding that feature or item. If the Authority determines that such feature or item was included in the specification in order to meet justified and valid transit needs of the Authority, and was not unduly restrictive of competition or designed to exclude a particular competitor, then the Authority will have grounds to deny the protest.

b. Protests regarding bid evaluation

Upon receipt of a timely filed protest regarding the evaluation of bids, the Authority will suspend its evaluation of all bids submitted until resolution of the protest if the Authority determines that the protestor has established that there are reasonable doubts regarding the responsiveness of a bid or the responsibility of a bidder or regarding the Authority's compliance with Federal or State law or its Procurement Regulations.

c. Protests after award

Upon receipt of a timely filed protest regarding the award of a contract, the Authority will issue a stop work order, if necessary, until the resolution of the protest if the Authority determines that the protestor has established a prima facie case that the contract was awarded fraudulently or in violation of that Federal or State law or the Authority's Procurement Regulations.

2. Decisions by Authority

As indicated above, in most instances the Authority will suspend the procurement process upon receipt of a bona fide bid protest. However, the Authority reserves the right, notwithstanding the pendency of a protest, to proceed with the appropriate action in the procurement process or under the contract in the following cases:

- a. where the item to be procured is urgently required;
- b. where the Authority determines that the protest was vexatious or frivolous; and
- c. where delivery or performance will be unduly delayed, or other undue harm will occur, by failure to make the award promptly.

After review of a bid protest submitted under this section, the Authority will issue a written decision of the basis of the information provided by the protestor, the results of any meetings with the protestor, and the Authority's own investigation. If the protest is upheld, the Authority will take appropriate action to correct the procurement process and protect the rights of the protestor, including resolicitation of bids, revised evaluation of bids or Authority determinations, or termination of the contract. If the protest is denied, the Authority will lift any suspension imposed and proceed with the procurement process or the contract, as the case may be.

The availability of review of bid protest by FTA is described in Section II. As noted in that section, under FTA's revised procurement guidelines the role of the Federal government in bid protest review is quite limited.

SECTION II – FTA BID PROTEST PROCEDURE

Reviews of protests by FTA will be limited to claims that the CTA failed to have or follow protest procedures, or claims that CTA failed to review a complaint or protest. A protestor must exhaust all administrative remedies with the CTA before pursuing a protest with FTA. An appeal to FTA must be received by the cognizant FTA regional or Headquarters Office within five (5) working days of the date the protester knew or should have known of the violation.

Violations of Federal law or regulation will be handled by the complaint process stated within that law or regulation. Violations of State or local law or regulations will be under the jurisdiction of State or local authorities.
