I. GENERAL INFORMATION

A. Mission and Structure of the Lower Manhattan Development Corporation and Lower Manhattan Construction Command Center

The Lower Manhattan Development Corporation (“LMDC”) was established in late 2001 to develop and revitalize Lower Manhattan in the aftermath of the September 11, 2001 terrorist attacks. For LMDC purposes, Lower Manhattan refers to all areas in Manhattan south of Houston Street.

LMDC is a subsidiary of the New York State Urban Development Corporation, doing business as Empire State Development Corporation (“ESDC”), a political subdivision and public benefit corporation of the State of New York, created by Chapter 24 of the Laws of New York, 1968, as amended. LMDC is governed by a sixteen member Board of Directors, eight of whom were nominated by the Governor of the State of New York and eight of whom were nominated by the Mayor of the City of New York.

LMDC is funded by federal appropriations administered by the United States Department of Housing and Urban Development (“HUD”) through its Community Development Block Grant (“CDBG”) program. To date, approximately \$2.783 billion has been allocated to LMDC under such appropriations. (See Defense Appropriations Act of 2002, Public Law 107-117 and Supplemental Appropriations Act of 2002 for Further Recovery from and Response to Terrorist Attacks on the United States, Public Law 107-206). Partial Action Plans relating to the allocation of some of these funds are available on LMDC’s web site: <http://www.renewnyc.com>.

In November of 2004, the Governor of New York and the Mayor of New York City signed joint Executive Orders creating the Lower Manhattan Construction Command Center (“LMCCC”). LMCCC coordinates construction and provides certain ancillary services in Lower Manhattan. As it relates to the work of LMCCC, “Lower Manhattan” refers to the area of Manhattan south of Canal Street and southwest of Rutgers Street from the Hudson River to the East River. LMDC staff and Board perform certain oversight and contracting functions relating to LMCCC. References herein to LMDC with respect to contractual rights, obligations, formation, performance, and oversight include LMDC in its oversight and contracting role with respect to LMCCC. For convenience references to “LMDC” or its staff include LMCCC and its staff as well.

B. Overview of Services Requested and the Submission Process

In the RFP the vendors are requested to submit proposals for either one or both of the projects. Both RenewNYC.com and LowerManhattan.info may share services although proposals should be submitted separately.

In fulfilling its responsibility to disseminate information and engage public participation in activities relating to the redevelopment of the World Trade Center site and the overall revitalization efforts in Lower Manhattan, LMDC will need to obtain the services of one or more firms to provide website design and maintenance services of www.renewnyc.com.

In fulfilling its responsibility of *communicating the current and future impact of construction on the community* LMCCC will need to obtain the services of one or more firms to provide hosting, maintenance, and support of www.LowerManhattan.info. LMCCC may select one or more firms to provide some of the requested services, or LMCCC may select a single firm to provide all services requested. Firms interested in submitting proposals to provide such services are required to follow the recommended guidelines and instructions contained in this Request for Proposals (“RFP”). In the event it becomes necessary to revise any part of this RFP, revisions will be provided by addenda posted on the LMDC web site: <http://www.renewnyc.com>.

Proposals should provide a straightforward, complete and concise description of the firm's capabilities to satisfy the requirements of the RFP. Please prepare five (5) copies of your proposal and work samples. Each copy of the proposal should be bound in a single volume and include any documentation you may wish to submit.

Firms submitting a proposal in response to this RFP may be required to give an oral presentation of their proposal to LMDC. This oral presentation may provide an opportunity for the firms to clarify or elaborate on the proposal but will in no way change the original submission. Engagement staff should be present at the oral presentation. LMDC's request for an oral presentation shall not constitute acceptance of a proposal.

Proposals must be received no later than 5:00 PM EST, Friday October 28, 2011. Deliver all proposals to:
