SECTION I: Details of the Request for Quote

Description of the RFQ

Monmouthshire County Council is seeking to procure web hosting arrangements for their new website www.monmouthshire.gov.uk. The current site is hosted externally with remote management access, and the intention is to remain with an externally hosted solution.

The current site attracts on average 50,000 unique visitors a month, and it is anticipated this number will double on launch of the new site which is expected August 2008. We anticipate a hosting company to be selected no later than early March 08, and hosting arrangements to be in place no later than 30th March 2008. IMPORTANT You must complete and return the attached documentation (Specification requirements). IMPORTANT Monmouthshire County Council is not bound to accept any quotation to tender
