DELIVERY OF RESPONSE DOCUMENTS

In accordance with the Arkansas Procurement law and Regulations, it is the responsibility of vendors to submit bids at the place, and on or before the date and time, set in the bid solicitation documents. Bid documents received at the Office of State Procurement after the date and time, designated for the bid opening are considered late bids and shall not be considered. Bid documents arriving late, which are to be returned and are not clearly marked, may be opened to determine for which bid the submission is intended.

Vendors are responsible for delivery of their bid documents to the Office of State Procurement prior to the scheduled time for opening of the particular bid. When appropriate, vendors should consult with delivery providers to determine whether the bid documents will be delivered to the OSP office street address prior to the scheduled time for bid opening. Delivery providers, USPS, UPS, and FedEx deliver mail to our street address on a schedule determined by each individual provider. These providers will deliver to our offices based solely on our street address.

MINORITY BUSINESS POLICY

Minority participation is encouraged in this and all other procurements by state agencies. "Minority" is defined by Arkansas Code Annotated § 1-2-503 as "Black or African American, Hispanic American, American Indian or Native American, Asian, and Pacific Islander". The Arkansas Economic Development Commission conducts a certification process for minority businesses. Bidders unable to include minority-owned business as subcontractors "may explain the circumstances preventing minority inclusion".

It is the responsibility of the vendor to check the OSP website, <http://www.arkansas.gov/dfa/procurement/bids/index.php> for any and all addendums up to that time.

ALTERATION OF ORIGINAL IFB DOCUMENTS

The original written or electronic language of the IFB shall not be changed or altered except by approved written addendum issued by the Office of State Procurement. This does not eliminate an Offeror from taking exception(s) to non mandatory terms and conditions, but does clarify that the Offeror cannot change the original document's written or electronic language. If the Offeror wishes to make exception(s) to any of the original language, it must be submitted by the Offeror in separate written or electronic language in a manner that clearly explains the exception(s). EO Policies may be submitted in electronic format to the following email address: eeopolicy.osp@dfa.arkansas.gov, or as a hard copy accompanying the solicitation response. The Office of State Procurement will maintain a file of all vendor EO policies submitted in response to solicitations issued by this office. The submission is a one time requirement but vendors are responsible for providing updates or changes to their respective policies and of supplying EO policies upon request to other state agencies that must also comply with this statute. Vendors that do not have an established EO policy will not be prohibited from receiving a contract award, but are required to submit a written statement to that effect.

ANTICIPATION OF AWARD

After complete evaluation of the bid, the anticipated award will be posted on the OSP website (<http://www.dfa.arkansas.gov/offices/procurement/Pages/default.aspx>) and/or the legal section of a newspaper of statewide circulation. The purpose of the posting is to establish a specific time in which vendors and agencies are aware of the anticipated award. The bid results will be posted for a period of fourteen (14) days prior to the issuance of any award. Vendors and agencies are cautioned that these are preliminary results only, and no official award will be issued prior to the end of the fourteen day posting period. Accordingly, any reliance on these preliminary results is at the agency's/vendor's own risk.

The Office of State Procurement reserves the right to waive this policy, The Anticipation to Award, when it is in the best interest of the State. Vendors are responsible for viewing the Anticipation to Award section of the OSP web site at http://www.arkansas.gov/dfa/procurement/pro_intent.php.

RFQ/RFP STANDARD TERMS AND CONDITIONS

1. GENERAL: Any special terms and conditions included in the invitation for bid override these standard terms and conditions. The standard terms and conditions and any special terms and conditions become part of any contract entered into if any or all parts of the bid are accepted by the State of Arkansas.
2. ACCEPTANCE AND REJECTION: The state reserves the right to accept or reject all or any part of a bid or any and all bids, to waive minor technicalities, and to award the bid to best serve the interest of the state.
3. BID SUBMISSION: Bids must be submitted to the Office of State Procurement on this form, with attachments when appropriate, on or before the date and time specified for bid opening. If this form is not used, the bid may be rejected. The bid must be typed or printed in ink. The signature must be in ink. Unsigned bids will be disqualified. The person signing the bid should show title or authority to bind his firm in a contract. Each bid should be placed in a separate envelope completely and properly identified. Late bids will not be considered under any circumstances.
4. PRICES: Quote F.O.B. destination. Bid the unit price. In case of errors in extension, unit prices shall govern. Prices are firm and not subject to escalation unless otherwise specified in the bid invitation. Unless otherwise specified, the bid must be firm for acceptance for thirty days from the bid opening date. "Discount from list" bids are not acceptable unless requested in the bid invitation.
5. QUANTITIES: Quantities stated in term contracts are estimates only, and are not guaranteed. Bid unit price on the estimated quantity and unit of measure specified. The state may order more or less than the estimated quantity on term contracts. Quantities stated on firm contracts are actual requirements of the ordering agency.
6. BRAND NAME REFERENCES: Any catalog brand name or manufacturer's reference used in the bid invitation is descriptive only, not restrictive, and used to indicate the type and quality desired. Bids on brands of like nature and quality will be considered. If bidding on other than referenced specifications, the bid must show the manufacturer, brand or trade name, and other descriptions, and should include the manufacturer's illustrations and complete descriptions of the product offered. The state reserves the right to determine whether a substitute offered is equivalent to and meets the standards of the item specified, and the state may require the bidder to supply additional descriptive material. The bidder guarantees that the product offered will meet or exceed specifications identified in this bid invitation. If the bidder takes no exception to specifications or reference data in this bid he will be required to furnish the product according to brand names, numbers, etc., as specified in the invitation.
7. GUARANTY: All items bid shall be newly manufactured, in first-class condition, latest model and design, including, where applicable, containers suitable for shipment and storage, unless otherwise indicated in the bid invitation. The bidder hereby guarantees that everything furnished hereunder will be free from defects in design, workmanship and material, that if sold by drawing, sample or specification, it will conform thereto and will serve the function for which it was furnished. The bidder further guarantees that if the items furnished hereunder are to be installed by the bidder, such items will function properly when

installed. The bidder also guarantees that all applicable laws have been complied with relating to construction, packaging, labeling and registration. The bidder's obligations under this paragraph shall survive for a period of one year from the date of delivery, unless otherwise specified herein.

8. SAMPLES: Samples or demonstrators, when requested, must be furnished free of expense to the state. Each sample should be marked with the bidder's name and address, bid number and item number. If samples are not destroyed during reasonable examination they will be returned at bidder's expense, if requested, within ten days following the opening of bids. All demonstrators will be returned after reasonable examination.

9. TESTING PROCEDURES FOR SPECIFICATIONS COMPLIANCE: Tests may be performed on samples or demonstrators submitted with the bid or on samples taken from the regular shipment. In the event products tested fail to meet or exceed all conditions and requirements of the specifications, the cost of the sample used and the reasonable cost of the testing shall be borne by the bidder.

10. AMENDMENTS: The bid cannot be altered or amended after the bid opening except as permitted by regulation.

11. TAXES AND TRADE DISCOUNTS: Do not include state or local sales taxes in the bid price. Trade discounts should be deducted from the unit price and the net price should be shown in the bid.

12. AWARD: Term Contracts: A contract award will be issued to the successful bidder. It results in a binding obligation without further action by either party. This award does not authorize shipment. Shipment is authorized by the receipt of a purchase order from the ordering agency. Firm Contracts: A written state purchase order authorizing shipment will be furnished to the successful bidder.

13. LENGTH OF CONTRACT: The invitation for bid will show the period of time the term contract will be in effect.

14. DELIVERY ON FIRM CONTRACTS: The invitation for bid will show the number of days to place a commodity in the ordering agency's designated location under normal conditions. If the bidder cannot meet the stated delivery, alternate delivery schedules may become a factor in an award. The Office of State Procurement has the right to extend delivery if reasons appear valid. If the date is not acceptable, the agency may buy elsewhere and any additional cost will be borne by the vendor.

15. DELIVERY REQUIREMENTS: No substitutions or cancellations are permitted without written approval of the Office of State Procurement. Delivery shall be made during agency work hours only 8:00 a.m. to 4:30 p.m., unless prior approval for other delivery has been obtained from the agency. Packing memoranda shall be enclosed with each shipment.

16. STORAGE: The ordering agency is responsible for storage if the contractor delivers within the time required and the agency cannot accept delivery.

17. DEFAULT: All commodities furnished will be subject to inspection and acceptance of the ordering agency after delivery. Back orders, default in promised delivery, or failure to meet specifications authorize the Office of State Procurement to cancel this contract or any portion of it and reasonably purchase commodities elsewhere and charge full increase, if any, in cost and handling to the defaulting contractor. The contractor must give written notice to the Office of State Procurement and ordering agency of the reason and the expected delivery date. Consistent failure to meet delivery without a valid reason may cause removal from the bidders list or suspension of eligibility for award.

18. VARIATION IN QUANTITY: The state assumes no liability for commodities produced, processed or shipped in excess of
