

2010 RFP

THE BACHMANN-STRAUSS
Dystonia & Parkinson Foundation, Inc.

Dekker Proposal

Procedure for Special Grant Program

Through the generosity of the Dekker Foundation, The Bachmann-Strauss Dystonia & Parkinson Foundation, Inc. will consider clinical research addressing therapeutic complications from Parkinson's disease and subsequent treatment methods, particularly movement disorders resulting from or exacerbated by established pharmacotherapies, medical devices, and co-morbidities.

The application deadline is **Monday, September 21, 2009**

Maximum Award: \$50,000

Application Requirements

- 1) Cover Page, with grant title, phone, address, fax, email and signatures of the Principle Investigator and of the institutional official who would be responsible for the administration of the grant.
- 2) Lay Summary- 200-300 word abstract of research plan in lay language for publication in The Bachmann-Strauss Dystonia & Parkinson Foundation newsletter, should the application be funded.
- 3) Research Plan of up to 3 Pages (single spaced, 12 point) including specific aims, background, methods, timeline; plus references (If preliminary data is available it must be included in the body of the proposal. Supporting published or in press manuscripts can be submitted in an appendix.)
- 4) Budget and Justification (1 page) **Note:** Funds are not available for any indirect costs or institutional overhead.
- 5) NIH Biosketch of PI and co-PI if applicable (2 page maximum for each investigator.)
- 6) Other grant support in NIH format (current and pending) (2 page maximum for each investigator.)
- 7) Please email **one** PDF file to rrobert@bsdpgf.org by **Monday, September 21, 2009**. Please make sure the cover page is signed, scanned and included in your PDF. The Foundation's Scientific Advisory Board and the Board of Directors will then review and approve proposals. Applicants will be informed by Friday, November 30, 2009 if their grant was approved or not. This grant will be funded from April 2010-April 2011.

Should you wish to have a copy of this application e-mailed to you, please e-mail your request to rrobert@bsdpgf.org or call 212-682-9900.

Please be aware:

- a) Research involving humans and/or animals requires appropriate institutional review and approval (Documentation of approval is required at time of funding).
- b) Grants will be considered for renewal for an additional year.
- c) 50% of funds are payable at the start of the project and 50% on receipt of a satisfactory 6-month progress report.
- d) Funds are generally not available for Principle Investigator salary support; however, post- or pre- doctorate or technical salary support is allowed.
- e) Grantees are required to cite The Dekker Foundation Award though The Bachmann-Strauss Dystonia & Parkinson Foundation in any published scientific work.
- f) Grantees are expected to submit a 6-month and an annual report of research progress.
- g) Institutions are expected to submit an annual financial report.
- h) PIs are expected to present their results at The Bachmann-Strauss Dystonia & Parkinson Foundation's annual scientific meeting and to attend the annual Think Tank meeting. Travel and lodging expenses for this two day meeting should be included in the budget.
